The Itinerary

Nov. 16 - depart Ft. Lauderdale, FL. Fort Lauderdale's warm tropical weather attracts many people throughout the year. For sun-worshippers, the city has six miles of beaches. There are also

many recreational waterways with extensive boating facilities, access to every conceivable watersport, a variety of fascinating museums and trendy restaurants, and an array of entertainment venues.

Nov. 17 - at sea

Nov. 18 - Cozumel, Mexico. The Conquistadors first saw Mexico from the shores of Cozumel while searching for gold. Today, visitors to the island continue to seek out gold and silver jewelry in the shops of San Miguel while having a great time in its many local bars and restaurants. The waters around Cozumel's sheltered coral reefs make this one of the best snorkeling areas in the world.

Nov. 19 - George Town, Grand Cayman. Take a stroll along downtown's palm-lined streets past pastel-hued houses to Cayman Islands National Museum, housed in one of the island's oldest buildings and Fort George, built in the 1780's by the British. Grand Cayman's long public beach is its most popular attraction, and for good reason: no sybarite could find finer sands or more tranquil blue waters for shelling and snorkeling.

Nov. 20 - Falmouth, Jamaica. In the 18th century, when Jamaican sugar fueled the rum trade, Falmouth was one of the world's busiest ports. Today, only palm trees quietly move to the rhythms of sea breezes that come in from the Caribbean, creating an idyllic backdrop for those who want to relax on the beach or go exploring through the island's enticing past.

Nov. 21 - Labadee, Haiti. On the north coast of Haiti, surrounded by beautiful mountain slopes and exotic foliage, sits Labadee®, Royal Caribbean's private paradise. This exclusive destination offers pristine beaches, breathtaking scenery and spectacular water activities. We even have an amazing new Aqua Park for kids. Regardless of where you go, you'll find yourself embraced by the beautiful landscape. Labadee's native charm, along with its natural beauty, make this

a destination not to be missed.

Nov. 22 - at sea

Nov. 23 - disembark Ft. Lauderdale.
