Conditions of Contest

All games will be stratified by average masterpoints. Strata may be adjusted at the director’s discretion. Separate I/N section if 5 or more tables for any event.

Two pairs may enter as a team in Pair/Teams unless both pairs are A strata. Pair/teams will otherwise be randomly assigned by the director, pairing A pairs with B pairs, and C pairs with each other. Pairs earn the higher award of either event.

Come as a pair. Play as a pair. After the game is finished your scores are also calculated as if you were teamed up with the players at your starting table. This gives you two chances to earn points!

Team results for the pair/team games are by board-a-match scoring. You only compare results with the table your “teammates” played the same boards. You either win the board, lose the board, or tie. Play your normal pairs game, then see how your team results check out. We will have Board-a-Match Team games Friday and Saturday nights.

Open Pairs A = 2000+ B = 750 - 2000 C = 0 - 750 average per person

I/N Pairs A = 200 - 500 (NLM) B = 50 - 200 C = 0 - 50
