- Strats/flights determined by MP average, but no player may exceed event limit.
- All KO's are bracketed, random draw with no playbacks until unavoidable. Top two brackets may have fewer than 9 teams and be played as a two-session round robin qualifying four teams to a KO. One- and two-bracket Knockouts are handicapped.
- Round Robin Teams are bracketed, typically in groups of 7 teams (3 winning gold) or 9 teams (4 winning gold), with the bottom bracket possibly played as Swiss.

Unless noted otherwise:

- One-session open events, including side series: 750/3000/3000+
- A/X strats: 5000/5000+
- Mid-Flight strats: 1500/3000
- Gold Rush strats: 300/750 (gold points for 750 strat overalls and section tops)
- 49er and 499er games stratified at director's discretion

# Alternate Housing Greenville Heritage Regional

Greetings, bridge players!

As always happens, the Hyatt has filled all the rooms we have allocated in our block and no additional rooms can be added. Thus, we have contracted with several hotels at a discounted rate during the week of June 10–16. The Hilton is our primary alternate at \$115 a night with excellent free shuttle service. The Hilton is about half full.

This year we added a great new choice Springhill Suites, brand new and only 3 blocks from the Hyatt. Most of our other alternates, however, are on a direct shot to I-385, which leads right to the Hyatt's front door. Those with handicapped partners may drop them at the front before parking. The City of Greenville has many parking facilities, including the Hyatt, and charges \$7.50 a day, not including ins and outs. Parking fees for two visits to town should not exceed \$10. There are plenty of fine eateries in Greenville within walking distance if you choose to play two sessions, however.

Alternate Housing Coordinator
