**\*New KO Format – Bracketed Swiss Qualifying Knock Out: District 10 is introducing a new 2 session bracketed swiss qualifying Knock Out to the lineup of games. The new 4 session KO event will consist of a 2- session bracketed swiss qualifier that will qualify 4 teams in each bracket for a 2- session knockout. There are many advantages to this format including teams play a minimum of 2 sessions that will start on time along with increased flexibility of bracket size and placement.**
