Re: ACBL Canadian Rate of Exchange
RATE: 1.25
Effective Date: September 1, 2017
(Note: The current rate is 1.30)

When remitting to ACBL Headquarters or when paying any ACBL fees or charges in Canadian dollars, please use the appropriate rate and add the calculated amount to your payment. If new members join on-line, the CBF dues will be computed at the current month exchange rate listed above. To avoid exchange calculations you may remit in U.S. Funds.

Dues and Life Master Service fees are as follows:
