1.1.6 Regional Strat/Flight Upper Masterpoint Limits

Pairs may be flighted or stratified or a combination (strata-flighted). If there are two flights, you are permitted up to three strata in each flight. If there are three flights, you are permitted up to two strata in each flight. Flight/strata limits are:

Pairs

Flight A	0-infinity, If stratified, the lower strata must be at least 500 above top of B and no more than 6000.
Flight B	Must be at least 500 above C top
Flight C	Can have up to two strata with the top masterpoint limit at least 500 under lower strata of B.

Note: Pairs can also be stratified by expertise with Strat A being both players over a certain masterpoint level, Strat B being one player over and one player under that level, and Strat C being both players under the level.

Flighted Knockout Teams

Flight A	0-infinity
Flight B	Must have upper level of at least 500 above top of C, if that flight exists.

1.1.6.1 Bracketed Knockout and Swiss Teams

Must be bracketed by either average MP's all team members or total of top two MP members.

Can be bracketed to end in three sessions

Swiss Teams can be flighted, stratified or a combination (strata-flighted)
 If there are two flights, you are permitted up to three strata in each flight.
 If there are three flights, you are permitted up to two strata in each flight.
 Flights/strata are:

Flight A	0-INFINITY If stratified, the lower strat must be at least 500 above top of B and no more than 6000.
Flight	Must be at least 500 more than top of C

B	
Flight C	Can have up to two strata with the top MP limit at least 500 under lower strat of B

1.1.7 Sectional Strat/Flight Upper Masterpoint Limits

Same strat/flight rules apply to pair and team games in 1.1.6.

- 1.2 In stratiflighted events the sponsoring organization may choose to stratify the top flight into two strata (A-1 and A-2).

Masterpoint awards for the second strat of the unlimited portion of a stratiflighted event (two-fold stratified event) shall be as follows:

- a. Additional “M” factors are:
 - 0-3000 = 0.90
 - 0-5000 = 0.95
 - 5000+ = 1.00
- b. Upper masterpoint limit for Strat A-2 is selected from among 1500, 2000, 3000, 5000 at sponsor option with the proviso that the limit is at least 500 points higher than Strat “B.”
- c. For this type of event only, the upper three strats in regional events may award gold points for overall and section tops as long as the upper limit of each is at least 750 masterpoints.
- d. Session and Overall Masterpoints.
 1. Session masterpoint awards for both strats will be calculated using the appropriate “M” factor and the number of pairs in the comparison group.
 2. Overall awards for the unlimited strat A-1 are calculated as now using the general formula based on the total number of tables in play in all strats.
 3. Overall awards for the second strat A-2 are calculated using the general formula (and the appropriate “M” factor) and based on the number of

tables in A-2 plus the number of tables in the strats other than A-1 and A-2. Tables from other restricted events used in the calculation of strat A-1 overall award are not used in the calculation of the strat A-2 overall award.

4. The depth of the A-2 award shall be a maximum of 35% of the A-2 field.
- 1.3 In strati-flighted and limited pair and team events, once the flight of the pair or team is determined, stratification within each flight may be based, at sponsor option, on the average masterpoint holding of the team or pair.
- 1.4 In stratified events, the stratification level of a team or pair may be based, at sponsor option, on the average masterpoint holding of the team or pair. This option may be exercised in both club or unit games, and tournaments but not in qualifying events.
- 1.5 Senior events may be held with minimum age restrictions of 60, 65, or 75. Such events may be stratified by masterpoints. The masterpoint awards will be 80% for 60+ and 70% for both 65+ and 75+.
- 1.6 At the local host organizations option, regional fast open pair events at NABCs may be 24, 26 or 27 boards.
- 1.7 At sponsor option, Classic Bridge sections may be scored separately from overall events. There may be separate winners for the open game and separate winners for Classic Bridge.

Classic bridge: Limited conventions and classic convention card used, available at clubs, sectionals, regionals, and NABCs, masterpoints same as open games, no Alerts, no appeals committees

- 1.8 Management's guidelines for holding Expert/Amateur events, whether stratified or not, at sectional and regional tournaments are approved.

(See Chapter IX C, Section 6)

- 1.9 The conditions of contest for Team of Two Pairs are amended to require the team's total matchpoint score to be calculated in determining all rankings.

Example: Each pair sits the same direction in different sections. The event is scored as a normal pair game. The matchpoint scores of each pair are added together. The sum is their team's score.
