Continuation of non-compliance may result in further action up to and including revocation of the Unit's Charter.

Section 3 – Unit Formation, Boundary Change or Dissolution

- 3.1 The following actions require that the opinion of the affected membership about a proposed change be expressed through petition or a special election conducted by the ACBL via online voting. A special election may be requested by a 5% or 50 (whichever is fewer) of the members residing in the affected area.

- 3.1.1 The formation of a new unit.
- 3.1.2 The movement of part of a unit to another unit or a unit from one district to another.
- 3.1.3 The consolidation of two or more units (or parts thereof).
- 3.2 Forming a New Unit
 - 3.2.1 There must be at least 100 current ACBL members in the geographical area of the proposed new Unit and also, the area must contain satisfactory facilities for the hosting of at least one Sectional tournament annually.
 - 3.2.2 A petition or special ballot must be drafted containing the specific geographical boundaries and zip codes of the proposed new Unit.
 - 3.2.3 Such a geographical area may not isolate any “islands” of ACBL members from their Unit of affiliation.
 - 3.2.4 The petition must only contain signatures and ACBL member numbers of current ACBL members residing in the geographical area set forth in the petition.
 - 3.2.5 The reason for requesting the formation of the new Unit should be specified.
 - 3.2.6 Any interested party has 30 days from the end date of the petition to request a copy of the signatures provided to the ACBL and to provide any names and numbers included on that petition that they wish to protest to the ACBL. The ACBL will then verify the membership status of those protested individuals. All signatures not protested will be considered valid. If the number of valid signatures proves to be a majority of the ACBL membership in the area requesting a change of status, the following will occur:
 - a. The Units involved will be advised of receipt of the petition and their approval requested.
 - b. Approval of both the District Organization and the District Director will be sought.
 - c. The final decision rests with the ACBL Board of Directors, in whose name all Unit Charters are issued.
 - 3.2.7 If a unit is divided so as to form a second unit, assets of the original unit are subject to division on an equitable basis. If an equitable division of

assets cannot be reached voluntarily by the parties and mediation by the district fails, both parties shall submit to binding arbitration. All costs for the arbitration process shall be paid for from unit funds.

- 3.2.8 After the ACBL has denied a request to form a new unit the affected members may not begin the circulation of another petition for a new unit for at least six months.
- 3.2.9 In the case of a special election, all current ACBL members with a registered email address with no failed delivery residing in the affected geographical area will be included as an elector. All ballots will be sent via email. The end date of the election will be 14 days from the date on which the ballot is sent. A reminder will be sent to all electors who have not voted after seven days. A majority of the members with a registered email address with no failed delivery voting in favor of the proposed Unit Boundary change will place the issue before the ACBL Board of Directors.

3.3 Unit Transfers and Boundary Changes

- 3.3.1 In general, areas for transfer from one Unit to another should follow postal code boundaries. An area seeking to transfer to an adjacent Unit must include all postal code boundaries between the proposed area for transfer and the existing area of the Unit being joined. It is not permitted to transfer an area to a Unit if such transfer would create an island.
- 3.3.2 A majority of the current ACBL members living in the area to be transferred must sign a petition expressing their wishes to be transferred. In the case of a special election, all current ACBL Members, with a registered email address, residing within the affected geographical area will be included as an elector. All ballots will be sent out via email. The end date of the election will be 14 days from the date on which the ballot is sent with a reminder going out to all electors who have not voted after 7 days.
- 3.3.3 The petition must state the reasons for the proposed transfer and must include the addresses and ACBL player number of those members signing.
- 3.3.4 The boundaries of the proposed area of transfer must be included on the petition as well as all postal codes in the proposed area to be transferred.
- 3.3.5 The petition must include a beginning date for the first circulation of the petition. All signatures on the petition must be obtained within six months of this beginning date.
- 3.3.6 Any interested party has 30 days from the end date of the petition to request a copy of the signatures provided to the ACBL and to provide any

names and numbers included on that petition that they wish to protest to the ACBL. The ACBL will then verify the membership status of those protested individuals. All signatures not protested will be considered valid for the purposes of assuring that a majority of the ACBL members in the proposed area of transfer has signed the petition requesting a transfer of Unit affiliation.

3.3.7 The ACBL will contact the parent Unit, the Unit of proposed affiliation, the District Organization and the District Representative to the ACBL Board of Directors seeking the opinion of each regarding the proposed transfer. Should all parties agree that it is in the best interests of all concerned to effect the proposed transfer, the ACBL will take the necessary steps to make the change including ACBL Board of Directors approval. All parties will be informed of the effective date of transfer and new Charters distributed. Should either the Unit or the District Organization disagree as to the proposed transfer, the matter will be referred to the ACBL Board of Directors for final disposition.

3.3.8 After the ACBL Board of Directors has denied a request to grant a Unit Merger, Unit Boundary Change, or Unit Change of District, the affected Unit may not begin the circulation of another petition for a Unit Merger, Unit Boundary Change, or Unit Change of District for at least six (6) months.
(Effective March 15, 2015)

3.4 Unit Dissolution

3.4.1 If a Unit chooses to dissolve it should take the following steps:

3.4.1.1 Notify ACBL and the appropriate District Director of the intent to dissolve.

3.4.1.2 Apprise ACBL of all Unit assets and liabilities.

3.4.1.3 Apprise ACBL of one of the following:

- a. With which unit or units the dissolving unit wishes to merge.
- b. To which other units the unit members wish to be reassigned.
- c. There is no preference for reassignment.

3.4.2 Assets of the Unit will be distributed according to relevant law.

3.5 Resignation of a Unit Board

- 3.5.1 If there is no effective governing body of a Unit, whether because of suspension, expulsion, revocation of charter, resignation of the Unit Board, refusal to act, or for any other reason, the CEO of the ACBL shall appoint an Administrator or an Administrative Board to conduct Unit business, to provide for custody of the Unit's assets and to arrange for the resumption of the conduct of the Unit's affairs by a properly elected Board of Directors.

Section 4 – Unit Games and Tournaments

4.1 Tournaments

- 4.1.1 Units bear the full responsibility for Sectional Tournaments sanctioned to them, regardless of the actual individual or group undertaking management functions.
- 4.1.2 Sponsoring organizations are required to pay the Director- in-Charge all funds due the ACBL at the conclusion of the tournament.

4.2 Games

- 4.2.1 Any Unit holding a regularly sanctioned Newcomer game is permitted to conduct a Newcomer Membership Game on the same basis as any other sanctioned club.
- 4.2.2 A qualified Unit may combine with another qualified Unit to hold a combined Unit-wide game. The game will be charged against the quotas of each Unit. Unit-wide championships may be conducted as stratified events.
- 4.2.3 A Unit that is late in reporting Unit-wide games or Unit Special games will be notified that ACBL has not received the report and monies due. Failure to submit the reports and monies due may subject the unit to late fees and/or all subsequent Unit games may be suspended until the appropriate report and monies are received at Headquarters.
- 4.2.4 A minimum of five tables is required at each site for Unit-wide games.
- 4.2.5 A playing director is permitted at Unit championships that do not have combined site overall awards and have fewer than 17 tables with no more than one section.
- 4.2.6 The unit may run games on behalf of ACBL and/or the district where there is a void.
- 4.2.7 At sponsor option, all sites may be required to use identical hands.

- 4.2.8 All clubs within a Unit that have an expectation of an adequate number of tables, and that are operating in conformance with ACBL regulations, and who have not proven consistently unreliable regarding submitting of report forms and monies due for such games, must be allowed to participate when a Unit Championship, Unit-wide, District-wide, or ACBL-wide event is scheduled on a session for which the club is sanctioned.

4.3 Extended Team Games

- 4.3.1 A unit is entitled to hold three sectional-rated (black points) extended team events per year. Extended is defined for this purpose as requiring at least three sessions of 24 boards each to complete. These events may be played with or without a qualifying stage but a qualifying stage may not award overall masterpoints, only match awards. Some examples of formats for extended team play are: single-elimination KO, double-elimination KO, Swiss qualifying to either type of KO, round-robin qualifying to either type of KO, extended Swiss, extended round-robin, and other types.
- 4.3.2 Should a unit wish to hold a one-day qualifying event which awards overall masterpoints and also qualifies teams into an extended event, they may use one of their Unit Championship entitlements (Unit Championship-rated) for the qualifying stage and then use an extended-team sanction entitlement for the final stage.
- 4.3.2.1 For such a combination of stages the number of teams in the extended event is based on the number of teams actually qualified and entered into the extended stage not the number of teams in the qualifying stage.
- 4.3.3 Should a unit wish to hold an extended event with overall awards, which also qualifies teams into another extended event with its own overall awards, it may do so by using two of its extended event entitlements. Each event must meet the length requirements and the number of teams in the second event is based as outlined above.
