## Section II – Event Regulations

- 2.1 All players entered in the Vanderbilt and Spingold team events must play at least 40% of the boards in every match.
- 2.2 If, because of an emergency, a player withdraws from a team, or is declared ineligible to play further on the team for failure to fulfill the participation requirements established by the sponsoring organization, in a regional or NABC tournament, that player is ineligible to participate in a regional- or higher-rated championship being played concurrently with the team event in which his former teammates are still participating. Any such player may only receive match awards or section awards for his participation in the team event.
- 2.3 Management is authorized to use Barometer play and scoring in the finals of the Non-Life Master Pairs, the finals of the Blue Ribbon Pairs and Barometer style play in the semi-finals and finals of the Reisinger Team event.
- 2.4 A player may play and earn masterpoints in as many sessions of bridge as possible while not entered in a concurrent or over-lapping event, except as listed below. A player who is on a team that has received a bye is considered entered in that event when that event begins. Morning and evening knockout events are not considered overlapping or conflicting events regardless of times scheduled.
  - 2.4.1 Players on teams with more than four members or teams with byes may play in concurrent one-session events only. For this purpose Continuous Pairs are considered a one-session event.
  - 2.4.2 The players noted in 2.4.1 above may be credited with masterpoints only from the event in which they earn the larger number of points. (This may include overall awards of the Continuous Pairs.)
- 2.5 At the discretion of the tournament director, slow play penalties will be deemed to be either disciplinary (and unappealable) or procedural. If the latter, appeals committees should tend strongly to reject all routine appeals against slow play penalties. Should a committee deny such an appeal, it should consider imposing an additional penalty for a frivolous appeal. The burden is on the appellant to demonstrate that some unusual circumstance makes the penalty inappropriate.
- 2.6 Non - ACBL members who have represented their country in World Championship events organized by the WBF, when playing in ACBL stratified or flighted events, are required to play in Flight A. Players may request exemption from this rule for valid cause.
- 2.7 The eligibility of all players participating in an NABC+ event shall, to the extent possible, be checked by management before the results of that event are declared official.

- 2.7.1 The same time period that is allowed for the protest of a director's error will be allowed for this purpose.
- 2.7.2 If a player, pair or team is found ineligible or a position is otherwise vacated within the above correction period, all pairs or teams will move up to fill the vacated position.
- 2.7.3 From the end of the above correction period until one year after the event, if a player, pair or team is found to be or is declared ineligible or a position is otherwise vacated after the protest period has expired, the position will be vacated but pairs or teams will not be moved up.
