EVIDENCE AND ARGUMENTS PRESENTED

THIS APPEAL IS CONDUCTED AS AN ORIGINAL HEARING, THEREFORE THE APPELLANT MAY PRESENT EVIDENCE, INCLUDING NEW EVIDENCE, TO SUPPORT THE ALLEGATIONS. Include a description of the evidence and arguments (documentary, testimonial, rebuttals) reviewed or heard by the committee. Attach any document that was not previously provided to the Barred Party and Club Manager prior to the hearing. All evidence, including the Barring Letter, should be provided to the Office of National Recorder. If additional space is needed, please attach the document as an attachment.

Example: The committee reviewed the Barring Letter submitted by Club Manager, Jane Doe, and the previous complaints on record at the club (attached). The Barred Party and the Club Manager were both permitted to provide a written statement before the hearing but neither party provided a statement. We heard testimony from Beth Jones who stated that she witnessed David, Barred Party, throw a pencil at his opponent because he was upset about the result. David argued that Beth did not witness the taunting from his opponent during the match before he threw the pencil. David also argued that he threw the pencil at the floor not at his opponent. The Barred Party submitted a written statement from his partner that stated the

continuous outbursts from the opponent during the match and the taunting that led to the Barred Party throwing the pencil (attached). After the committee deliberated and was convinced by a preponderance of evidence that the Barred Party was guilty of these actions. We reviewed the contents of the sealed envelope provided by the Office of National Recorder containing the disciplinary history of the Barred Party. [They had no such history.] [David had one minor infraction that was not considered.]

COMMITTEE FINDINGS OF FACT

Based on the evidence, state the committee's conclusion as to what happened. If additional space is needed, please attach a document as an attachment.

Example: The Committee finds that the David's argument that he was taunted by the opponent during that match was believable. However, he should have called the Club Director. We agree with the Club Manager's decision to bar David from the extended games but believe it should be for a specified period of time and not permanently. The committee determined that a David will remain barred from the extended games held at ABC Club until February 16, 2015.
