The image of the ACBL is paramount in all of the activities of the president. In keeping with such premise, the following statement of policy sets forth the duties, responsibilities and restrictions by which the president will be guided.

- 1.1 The president will be granted a president's expense allowance which for the year 2011 will be \$56,423 and each year thereafter said fund will be adjusted by the Consumer Price Index fluctuation.
- 1.2 In addition to the usual administrative functions which the president of most organizations performs, there are additional special responsibilities attached to the office of ACBL President. These include, but are not limited to:
 - 1.2.1 Attending regional and sectional tournaments of his choosing to bring the ACBL to its members. In addition, at those tournaments the president is expected to host local volunteers in his suite or at a meal function.
 - 1.2.2 Hosting certain social functions at NABCs involving the members of the Board of Directors and special groups in his suite, holding special committee meetings in his suite and one president's dinner (optional) at the NABC of his choice. At the other two NABCs, the president will host a welcoming buffet/reception for Board members and special guests in his suite.
- 1.3 The president may be accompanied by a person assisting the president in performing his duties. The expenses of such person(s) will be charged to the president's budget.
- 1.4 The president is expected to travel the most economical way to any tournaments, meetings or for other ACBL business. Airfare, using advance non-refundable ticketing, will reflect the lowest direct service fare available for travel at reasonable times for the travel dates whenever possible. The president will be reimbursed for travel to only one bridge event outside Zone 2 per year.
- 1.5 Travel and other expenses related to a specific activity (especially special committee meetings) will be charged to Board expenses not to the president's expenses.
- 1.6 In addition to serving as ACBL President, the president also continues to serve as his district's representative on the Board of Directors and, therefore, will receive

the trimester expense reimbursement identical to that provided all other Board members.

1.7 For accounting purposes, the president's travel expenses and expenses for the president's suite for the number of days the president is at the NABC through the first Sunday will be charged to Board expenses. Expenses for the remaining days the president is at the NABC will be charged to president's expenses.

Item (942-81) Small Children or Pets in Playing Area is amended as follows:

Non-participating children under the age of six and pets are not allowed to remain in the playing area of NABC tournaments during play and for 15 minutes before and after play, subject to the following exceptions and restrictions.

- 1. The tournament DIC shall grant an exception to a player (a "player/owner") with disabilities who brings a working service dog ("WSD") to the playing area if the player/owner provides credible evidence to the DIC that his or her WSD performs tasks. The only questions which the DIC may ask are: "Is that a service dog?" and "What tasks does the service dog do?" The DIC may *not* ask questions regarding the player/owner's disability or request certification or proof of the WSD's training.
- 2. The tournament DIC shall grant an exception to a player/owner who brings an emotional support animal ("ESA") to the playing area if the player/owner submits to the DIC a formal letter of prescription from a licensed mental health professional (psychiatrist, psychologist, therapist, counselor or social worker) which indicates the necessity of use of an ESA by the player/owner. The DIC may *not* ask questions regarding the player/owner's emotional status or request certification or proof of the ESA's training.
- 3. The WSD or ESA must remain on a leash in a sitting or lying position within three feet of the player/owner or in a kennel within three feet of the player/owner during the game.

Toronto, ON Summer Page 22 of 32

- 4. The WSD or ESA must wear identification indicating that the dog is a service dog or support animal.
- 5. The DIC may exclude a WSD or an ESA from the playing area when the behavior of such dog or animal, in the judgment of the DIC, poses a direct threat to the health or safety of persons in the playing area.
- 6. The player/owner must clean up (or assure that clean up is performed) after his or her WSD or ESA. Failure to comply with this requirement shall be documented by the DIC, and may result in disciplinary action under the Code of Disciplinary Regulations.

Effective November 1, 2011

Carried unanimously.

Item 112-43: Subjective Seeding in the Spingold

The Subjective Seeding method is approved on a trial basis for the 2011 Spingold Knockout Teams at the Summer NABC in Toronto. The subjective seeding method to be used is as follows:

SUBJECTIVE SEEDING IN THE SPINGOLD

For the 2011 Spingold, the event will be seeded objectively (according to the "New Seeding Rules"), and then (experimentally) re-seeded subjectively by a "Subjective Seeding Committee*"

The process is summarized below:

After the Director-in-Charge determines a team's average Seeding Points (SPs) in accordance with the "New Seeding Rules," and before shuffling in groups, the Subjective Seeding Committee will review the team's placement in the bracket. The Committee may ask the opinions of other players, especially when evaluating unfamiliar foreign entrants and Canadian players.

The Committee cannot change the seeding group of teams seeded in the top 16. Teams 17-20 may be moved down one "shuffling group." Teams 21 and up can be moved up or down one "shuffling group," but teams in the bottom shuffling group can only be moved up one group. The shuffling groups are 17-20, 21-24, 25-28, 29-32, then in groups of 8 through team 64, then in groups of 16. For example, a team in the 29-32 group could become seeded 33-40, or become seeded 25-28. For every team changed, another team must be moved reciprocally to replace it.

Any seeding change would be made before shuffling, and require a majority* vote of the committee. (Three members constitute a majority.)

*The Subjective Seeding Committee members are: David Berkowitz, Barry Rigal, Eric Kokish, Howie Weinstein, and one other player selected by them.

Carried.

Item 112-50: Extended Unit Team Games

Motion 101-46 is rescinded.

A unit is entitled to hold three sectional-rated (black points) extended team events per year. Extended is defined for this purpose as requiring at least three sessions of 24 boards each to complete. These events may be played with or without a qualifying stage but a qualifying stage may not award overall masterpoints, only match awards. Some examples of formats for extended team play are: single-elimination KO, double-elimination KO, Swiss qualifying to either type of KO, round-robin qualifying to either type of KO, extended Swiss, extended round-robin, and other types.

Should a unit wish to hold a one-day qualifying event which awards overall masterpoints and also qualifies teams into an extended event, they may use one of their Unit Championship entitlements (Unit Championship-rated) for the qualifying stage and then use an extended-team sanction entitlement for the final stage. For such a combination of stages the number of teams in the extended event is based on the number of teams actually qualified and entered into the extended stage not the number of teams in the qualifying stage.

Should a unit wish to hold an extended event with overall awards, which also qualifies teams into another extended event with its own overall awards, it may do so by using two of its extended event entitlements. Each event must meet the length requirements and the number of teams in the second event is based as outlined above.

Effective immediately.

Carried unanimously.

Item 112-51: Vanderbilt and Spingold Starting Times

Once the screens are implemented in the Vanderbilt and Spingold Knockout Teams, the starting times for the events will be 12:00 (noon) and 7:00. This would not apply when the entire NABC starting times are scheduled to commence before noon.

Effective January 1, 2012
