**Item 113-25: Subjective Seeding in the Vanderbilt**

The Subjective Seeding method is approved on a trial basis for the 2012 Vanderbilt Knockout Teams at the Spring NABC in Memphis. The subjective seeding method to be used is as follows:

**SUBJECTIVE SEEDING IN THE VANDERBILT**

For the 2012 Vanderbilt, the event will be seeded objectively (according to the “New Seeding Rules”), and then (experimentally) re-seeded subjectively by a “Subjective Seeding Committee\*”

The process is summarized below:

After the Director-in-Charge determines a team’s average Seeding Points (SPs) in accordance with the “New Seeding Rules,” and before shuffling in groups, the Subjective

Seeding Committee will review the team's placement in the bracket. The Committee may ask the opinions of other players.

The Committee cannot change the seeding group of teams seeded in the top 16. Teams 17-20 may be moved down one "shuffling group." Teams 21 and up can be moved up or down one "shuffling group," but teams in the bottom shuffling group can only be moved up one group. The shuffling groups are 17-20, 21-24, 25-28, 29-32, then in groups of 8 through team 64, then in groups of 16. For example, a team in the 29-32 group could become seeded 33-40, or become seeded 25-28. For every team changed, another team must be moved reciprocally to replace it.

Any seeding change would be made before shuffling, and require a majority vote of the committee. (Three members constitute a majority.)

Carried unanimously.

#### **Item 113-27: Online Masterpoints used for Rank Advancement**

For Rank advancement requirements restrictions on the use of online points will be removed from the requirements.

#### **Item 113-28: Requirement for Achieving Additional Life Master Rankings**

For Rank advancements higher than Life Master, the requirements are changed as follows:

- Silver Life Master: Replace "A Life Master with 1000" with "A Life Master with (a) over 1000 masterpoints, including (b) no fewer than a combination of 200 silver, red, gold, or platinum points"
- Gold Life Master: Replace "A Life Master with 2500" with "A Life Master with (a) over 2500 masterpoints including (b) no fewer than a combination of 500 silver, red, gold, or platinum points"
- Diamond Life Master: Replace "A Life Master with 5000" with "A Life Master with (a) over 5000 masterpoints, including (b) no fewer than a combination of 250 gold or platinum points and (c) no fewer than a combination of 1000 silver, red, gold or platinum points."
- Emerald Life Master: Replace "A Life Master with 7500" with "A Life Master with (a) over 7500 masterpoints, including (b) no fewer than a combination of 500 gold or platinum points and (c) no fewer than a combination of 1500 silver, red, gold or platinum points."

- Platinum Life Master: Replace "A Life Master with 10 000" with "A Life Master with (a) over 10 000 masterpoints, including (b) no fewer than 100 platinum points, (c) no fewer than a combination of 750 gold or platinum points, and (d) no fewer than a combination of 2000 silver, red, gold or platinum points."
- Grand Life Master: Replace "A Life Master with 10000" with "A Life Master with (a) over 10 000 masterpoints, including (b) no fewer than 100 platinum points, (c) no fewer than a combination of 750 gold or platinum points, and (d) no fewer than a combination of 2000 silver, red, gold or platinum points"

These changes will apply to all players who attained Life Master after 1989. These changes will not cause any player to lose the rank which he or she has obtained as of December 31, 2011. In addition, each player who has obtained the rank of Life Master or higher as of December 31, 2011, will not have to fulfill the new 2012 rank advancement requirements to obtain the next higher rank advancement. However, all players will be required to fulfill the new 2012 rank advancement requirements for any further rank advancements beyond the first advancement achieved after January 1, 2012.

Example: A current Silver Life Master on December 31, 2011 would retain the current requirements for Gold Life Master, but would need to fulfill the new requirements for Diamond Life Master.

Effective January 1, 2012.

Carried. Nay: 3, 13, 15, 19, 22.

The total days can be the result of one or multiple ethics infractions.

If such a player has redeemed himself sufficiently, through substantial contributions to the bridge community and the demonstration of exemplary behavior, that player may apply for reconsideration by the Appeals & Charges Committee of the ACBL Board of Directors. This application cannot occur earlier than 5 years after completion of sentence. Additional provisions for award qualification shall be at the discretion of the ACBL Board of Directors.
