MATERPOINT AWARDS RULES AND REGULATIONS, JANUARY 2018
SECTIONAL/REGIONALS TOURNAMENTS EVENTS,
CALCULATING THE AWARDS

Section B. Sectional Regulations – Unrestricted Events and Section B. Sectional Regulations – Unrestricted Events, Paragraph be amended as follows:

c. The chapter entitled Sectional/Regional Tournament Events, Calculating the Awards, Section B. Sectional Regulations – Unrestricted Events and Section B. Sectional Regulations –

Unrestricted Events, Paragraph 1 in the *Masterpoint Book Rules and Regulations January 2018*, be amended as follows:

B. SECTIONAL REGULATIONS - UNRESTRICTED EVENTS

At Sectional tournaments, two-session events which are unrestricted in any way (completely open) shall be credited with all tables in play in totally concurrent events (pairs, teams or individual to include tables in play at a concurrent Non-Life Master Regional, but not knockouts or continuous pairs) for the purpose of computing overall awards, up to a maximum total of three times the number of tables in play in the unrestricted event

At Sectional tournaments, Flighted, Stratified and Stratiflighted events count all tables in all flights/strats to determine the number of tables in the unrestricted event (the A Flight or Strat). Two or more concurrent unrestricted events share equally the available restricted tables as above, but not each other's tables. An unrestricted event with a lower limit and no upper limit is treated as an open event when there is no concurrent open event.

For the purpose of awarding masterpoints, a restricted event that is two sessions morning and afternoon, is deemed to be totally concurrent with a two-session event that is afternoon and evening. However, if a restricted event is scheduled horizontally (same session on different days), it is not deemed to be totally concurrent with a two-session vertical (same day) event.

At Sectional tournaments, one session events which are unrestricted in any way and are not concurrent with either session of a two-session event shall be credited with all tables in play in concurrent events (as above) for the purpose of computing overall awards, up to a maximum total of 3 times the number of tables in play in the unrestricted event. Any two-session unrestricted event at a Sectional receives table credit from all restricted events held either totally concurrent or concurrent with the first session, as above.

1. SECTIONAL STRATIFLIGHTED EVENTS

A Stratiflighted event is a combination of Flighted and Stratified, where the A Flight is a separate event. Flight A may be stratified into two strats (A & X) provided that the limit of the X strat is at least 500 points higher than the limit of B strat. Masterpoint awards for Strat A are calculated using the General Formula based on the number of tables in play in each strat plus all tables in lower strats to include tables in play at a concurrent Non-Life Master Regional.

Masterpoint awards for Strat X are calculated as follows:

1. If the event meets a threshold of either:
 - a. 20 or more actual tables entered in X
 - b. 40% or more of the A & X field is entered in X;then the first place X award is the greater of 105% of the Flight B awards, or the awards based on X only.
2. If the event does not meet these thresholds, then X receives the greater of:
 - a. $105\% \text{ of Flight B award} \cdot ((X / 0.4) / (A + X))^2$
 - b. $105\% \text{ of Flight B award} \cdot (X / 20)^2$
- c. Award based on X tables only.

Item 181-19: Limited and Invitational Games at STaCs

The ACBL General Conditions of Contest and Guidelines for Sectional Tournaments at Clubs (STaCs) is amended as follows:

SPONSORING UNIT

“3. A Sponsor may schedule morning, afternoon and/or evening sessions. For the purpose of determining in which session a club should participate, use the standard club session designations. The local Sponsor must designate the sessions to be scheduled. As an example: morning games would be those starting prior to 12:00 local time, afternoon games start after 12:00 and prior to 18:00 local time, and evening games start at 18:00 local time and later. Unless they start within [one] hour of each other, morning and afternoon games may not be combined nor may afternoon and evening games be combined.

4. STaC sessions may be scheduled by any participating club for any session during which that club has a regularly sanctioned game. Additional sessions may be scheduled at the option of the sanctioned club for any other time period (morning, afternoon or evening) that it desires. If no other club within 25 miles has a STaC scheduled for that session, the sanctioned club may schedule a separate game during that session or may start its regularly sanctioned game during that session. However, when a scheduling conflict exists, preference for that session shall be granted to the club that holds a regularly scheduled game (within a 25-mile radius) during the time in question. The STaC sponsor has the final decision.

Effective July 1, 2018

Carried Nay: 8, 11, 13

5. Each Sponsor must develop a schedule of games and Conditions of Contest. This schedule and the CoC will be posted on ACBL's website. Open and limited Stratified Pair and Swiss team events may be scheduled. All pair events are single-session events. Team games shall be standalone events at the site played.

6. All masterpoints awarded are silver and STaC rated. While there is no combining results of team events across sites, the overall awards for Open Swiss events do receive credit for limited event tables at the same site. Individual clubs determine their section awards for all Pair events based solely upon the entry at each individual site. The final overall awards for Pair events for each session of the STaC are determined by across the field matchpointing of all Pair events within their respective pools (Open, Limited, Invitational, and non-duplicated games) held during that session as part of the STaC.

7. The use of designated duplicated hands is required for all Pair events during the STaC to participate in the Open, Limited, and Invitational pool for STaC overall awards. Games at sites not using the designated duplicated hands will be entered in a separate pool for ranking and masterpoint awards (65% of STaC rating).

Sections 4 and 5 under the heading “Participating Clubs” are deleted.

Item 181-28: Updated Conflict of Interest Policy

Chapter IV – Board Procedures
A. Administration

Section 8 - Conflict of Interest Policy is revised as follows:

- 8.1 Purpose.

The purpose of these standards is to provide safeguards to members of the Board of Directors of the American Contract Bridge League (the “League”) from: (1) using their Board positions for purposes that are, or give the appearance of being, motivated by a desire for private financial gain for themselves or others such as those with whom they have family, business or other ties; (2) using their Board positions for purposes that are, or give the appearance of being, motivated by a desire to support a non-financial interest for themselves or others such as those with whom they have family, business or other ties; (3) violating their duty to the League by inappropriately disclosing confidential information about the League, and (4) any other acts which may constitute, or may appear to constitute, a conflict of interest. This policy is intended to supplement but not replace the League’s bylaws and applicable state and federal laws governing conflicts of interest.

- 8.2. Financial Interests

- 8.2.1. No member of the Board of Directors of the League may participate in the selection, award or administration of a contract or other transaction in which he or his immediate family has a direct or indirect financial interest or with whom he is negotiating or has any arrangement concerning prospective employment unless the contract or transaction is determined by the Audit Committee to be fair, reasonable and in the ACBL’s best interests. “Immediate family” of any Board member means (1) his or her spouse or domestic partner, (2) his or her ancestors, brothers and sisters (whether

whole or half-blood), children (whether natural or adopted), grandchildren, great-grandchildren, or (3) the spouse or domestic partner of his or her brothers, sisters, children, grandchildren, and great-grandchildren.

8.2.2 No member of the Board of Directors may vote on any matter which may directly or indirectly result in financial gain to that individual member or his immediate family which may conflict with that member's obligations to another organization or to his employer, it being understood that Board members may vote on matters which have a financial effect applying equally to all Board members.

8.2.3 The following items are not considered to create a “financial interest” or a “financial gain” under sections 8.2.1 or 8.2.2:

1. Payment of expenses (either through direct reimbursement, substitute allowances such as per diems or mileage expenses, or provision of free lodging) incurred in connection with attendance at meetings or tournaments where the Director is providing volunteer service;
2. Meals provided in conjunction with meetings and League, District and Unit events;
3. Free entries to League sanctioned competitions;
4. Souvenirs or commemorative gifts from meetings or competitions;
5. Small gifts of appreciation for service with an aggregate value of less than \$250 per year.

8.3 Non-Financial Interest. A “Non-Financial Interest” shall be defined as an interest, not involving financial gain, which might lead an independent observer reasonably to question whether a Board member’s actions or decisions in connection with the League are influenced by considerations of such outside interest. Non-Financial Interests include, but are not limited to, personal (direct or indirect through relatives and friends), bridge related and professional interests

A Non-Financial Interest shall not exist in connection with a member of the Board of Directors of the League serving as an officer or director of a League District, Unit or Conference. Nor shall a Non-Financial Interest be created by a Board Member’s service (whether by appointment or election) on behalf of, or as a representative of, the League to any other entity or organization, or as a board member or officer of League-related foundation such as the Charity Foundation, the Education Foundation and the Foundation for the Preservation of Bridge.

8.4 Annual Statement.

8.4.1 Board members shall annually complete, sign and submit a conflict of interest (COI) statement to the secretary of the League (or its Compliance Officer) identifying any contracts or transactions in which they have an actual or potential financial or non-financial interest that constitutes, or gives the appearance of constituting, a conflict of interest. Any such contract or transaction that arises after the submission of the COI statement must be brought by the Board member to the attention of chair of the Audit

Committee, as it arises, and the Audit Committee shall address the documentation and resolution as set forth in section 8.5.2 below.

8.4.2 Newly elected directors shall provide this COI statement prior to assuming their seat on the Board.

8.4.3 A contract or transaction is not required to be disclosed if (1) the contract or transaction or the Board member or a related party's financial interest in the contract or transaction is *de minimus*, (2) the contract or transaction (a) would not customarily be reviewed by the League Board (or boards of organizations similar to the League) in the ordinary course of business and (b) is available to others on the same or similar terms, or (3) the contract or transaction constitutes a benefit provided to a Board member or a related party that is the same benefit provided to all League members. A "related party" means Board member's immediate family or any entity in which a Board member or his immediate family has a thirty-five percent or greater ownership or beneficial interest or, in the case of a partnership or professional corporation, a direct or indirect ownership interest of five percent or more.

8.5 Review of Annual Statements.

8.5.1 The secretary of the League (or its Compliance Officer) must provide a copy of all completed COI statements to the chair of the Audit Committee or, if there is no Audit Committee, to the President. The Compliance Officer will review the COI statements and determine whether any Board member has a financial or non-financial interest, or possible financial or non-financial interest, that constitutes, or gives the appearance of constituting, a conflict of interest and report the results of such review to the Audit Committee in writing.

8.5.2 If a financial or non-financial interest is determined to exist, the Compliance Officer will discuss it with the Audit Committee and the Audit Committee will document the existence and resolution of the conflict in the minutes of the meeting in which such conflict was discussed or voted upon.

8.6 A person with a financial or non-financial interest as defined herein may not be present or participate in Board or committee deliberation or vote on the matter giving rise to such conflict. However, at the request of a majority of the Board, they may be invited to make a brief presentation to the Board or to answer questions for the Board.

8.7 A person with a financial or non-financial interest as defined herein may not make any attempt to influence improperly the deliberation or voting on the matter giving rise to such conflict.
