Subject: Get Ready for New Club Results Emails

Dear Member,

Soon you'll have a summary of how you played at the club delivered directly to your inbox! We're using a new program called ACBL Live for Clubs, and it sends results emails just like ACBL Live does for tournaments.

If you're already subscribed to ACBL emails, you don't need to do anything to start getting these emails. However, if you aren't subscribed to ACBL emails yet, you will need to change your privacy settings via your [MyACBL](#) portal.

Don't want to receive these special notifications? Just click the "unsubscribe" link in any of the ACBL Live for Clubs emails. Don't worry — it won't affect any of your other email settings.

You can also see your club results online at acbl.org/liveforclubs. You'll find breakdowns of the games and can also see how your friends did.

I hope you enjoy using ACBL Live for Clubs! Let me know if you have any questions.
