

## HOW TO: Request a media list

---

Can't figure out who the best person to contact at your local newspaper, radio station or television station is? The ACBL's marketing department is here to help by providing you a localized media list that includes names, job titles, contact information, etc., of media contacts in your area.

To request a customized media list for your upcoming event, complete the [media list request form](#). Please provide as much information as possible and ACBL marketing will compile a list for you within 3-5 business days.

Your media list will include contact information for relevant reporters and editors at news outlets, including the contact's email address, phone number and social media handles, if available. If you require additional information (address, beats, etc.) please include that in the notes section of your form.
