

Convention Charts Change Log

This document will document the major changes between versions as they are developed. It is possible that there are minor corrections that are not listed in this log.

New in version 0.2.1 (15 September 2017)

1. Rename the 4 charts:
 - a. White → Basic
 - b. Green → Basic+
 - c. Yellow → Open
 - d. Red → Open+
2. Reorder the appearance of the charts:
Basic → Basic+ → Open → Open+
3. Introduction Section
 - a. *** Notation explained and added throughout document.
4. Chart Usage
 - a. Modification of MP limits to be more in line with limits common to ACBL events.
 - b. Use of “average” vs “total” for KO determination for clarity.
 - c. Formatting.
 - d. Removed references to “open events”, replaced with “events with no masterpoint limits”. (Mostly to avoid the name collision with the new chart names.)
5. Pre-Alerts and Written Defenses
 - a. Section rewritten for clarity.
 - b. Process for defenses more clearly defined.
 - c. Recommendation for Public disclosure for comment added.
6. Definitions
 - a. *** added to various definitions which have examples for clarity.
 - b. “Length” and “Takeout” added.
 - c. “Psych” definition split into definition and example.
7. Basic Chart
 - a. Carding rules (governing all charts) moved here, since it appears first. Rules that appeared here in 0.1 were a mistake, and removed.
8. Basic+ Chart
 - a. Overcalls and Competitive Bids, Rule 13 updated to include doubles.
 - b. Defenses to 2C and higher added.
9. Open Chart
 - a. Formatting.
 - b. Some wording tweaked based on feedback and additional examples added.
 - c. Rule Exceptions subsection added.
10. Open+ Chart
 - a. Formatting.

- b. Some wording tweaked based on feedback and additional examples added.
- c. Rule Exceptions subsection added.

11. Examples

- a. Updated reference numbers throughout
- b. New examples added, more clarifying text around existing examples
