The D5 GNT Coordinator has the authority and responsibility to enforce the following conditions:

A. Lack of knowledge does not constitute cause for exception to these conditions of contest.

B. No Unit qualification is required. Each team must name a captain and all players before the beginning of play. All players listed in the team roster must play a minimum of 50% of the hands played by that team each day. Furthermore, all players are expected to play all sessions of the District qualifying event for which their team qualifies. Players who do not play in the preliminary session may not play in the semifinal or final. Players who do not play in the semifinal may not play in the final. In addition, a team that cannot maintain four players will be considered to have withdrawn (except in the case of section F).

### **Entry Fees**

Entry fees are 60 dollars per session per team.

### **Conventions**

Permissible conventions are regulated by the ACBL. The charts for C/B/A/Open are Basic+/Basic+/Open/Open+. The link to the convention charts is [www.acbl.org/convention-charts](http://www.acbl.org/convention-charts). Open+ Chart Conventions that require written defenses must have two copies presented to the opponents before play begins, or will not be permitted. All chart-related information can be found [www.acbl.org/convention-charts](http://www.acbl.org/convention-charts).

### **General Conditions**

All players must be members of the ACBL in good standing. All players must be members of District 5 at the District Final.

### **District Final**

District 5 will pay the entry fees for National competition to District Champions per team of four.

District Champions that do not have at least 3 original members who played in the District Finals will be replaced by the next eligible team willing to participate.

The captain of the District Champion Team is responsible for advising the District Coordinator no later than May 30, 2024 of their teams' intention to represent District 5 at NABCs and May 30, 2024 of players to be replaced or augmented. Players may be replaced only with confirmed consent of the replaced player and do not automatically qualify for District subsidy. Any District Champion has the right to augment up to a 6 person team.

In an emergency, substitution may be allowed at the discretion of the DIC so long as the substitute does not substantially improve the team for any individual session.

The District 5 Director and GNT Coordinator are responsible for any modifications and/or clarifications to the GNT event format design. In all events the number of boards will be determined by DIC and District Coordinator unless shown.

D. The following apply to all four flights (Championship, A, B, C):

- 1) A preliminary round of Round Robin or Swiss play will reduce the field to 4 teams who will play on Sunday. If 3 teams enter per Flight, a KO will be held to determine the 2 advancing teams. If 2 teams enter per Flight, a 60-board event will be held on Saturday to determine the victor.
- 2) All RR and Swiss matches will be scored by IMPs and converted to Victory Points using the WBF 20-Point Continuous Victory Point Scale.
- 3) If at the conclusion of the preliminary round a tie exists that determines who qualifies for the final session/day-the tie will be broken by one or more 2-board playoff rounds that will continue until the winner is determined. Playoffs begin immediately once tie is verified.

- 4) After the preliminary round ending 4 team final, the first place team has the option to play the 3<sup>rd</sup> place team or 4<sup>th</sup> place team. The 2<sup>nd</sup> place team has the option to be added to the 1<sup>st</sup> place teams choice if they so wish.
- 5) When fewer than eight teams in a flight compete on the first day, there will be a 100% imp carryover applied to both the semifinal and final matches.
- 6) Tiebreakers: . When the qualifier was a full round robin:
  - a. Head-to-head result between the two teams
  - b. Win/Loss record (win=2, tie=1, loss=0)
  - c. Total Net IMPs during qualifying phase
  - d. Coin flip

When the qualifier was a Swiss:

- a. Win/Loss record (win=2, tie=1, loss=0)
- b. Head-to-head result between the two teams
- c. VPs earned against common opponents
- d. Coin flip

E. One team from each flight, as determined according to the above guidelines, will proceed to the National Finals. The District requests that no members of a team that cannot participate in the National Finals participate in the District Finals. Any team that cannot maintain three of its original members will be considered as withdrawing (except in the case of Section H). If the first-place team is withdrawn, then the second-place team will be offered the qualification. If the second-place team declines, then the third-place team, as determined by imp differential, will be offered the qualification. If the third-place team declines, then the fourth-place team will be offered the qualification. If none of the top four finishers accepts the invitation, then the GNT Coordinator will select a team from all appropriate members of D5 in good standing with the ACBL. This team will be approved by D5 in a vote during a board meeting prior to the ACBL deadline.

F. During the D5 finals, a replacement to a roster is permissible due to a verified sickness, injury, death, or Force Majeure. Only one such replacement is allowed. All replacements must be approved by the District 5 GNT Coordinator in consultation with the DIC of the event. The replacement must not substantially increase or decrease the overall strength of the team. The condition allows for an exception to the participation guidelines above for one session. Any player who misses more than one session will be removed from the team's roster. If a replacement plays for more than one session, then the replacement's name and ACBL number will be added permanently to the team roster and is considered an original member for the requirement in section E. Only one replacement is allowed per this condition, and any team that utilizes this condition and does not maintain the participation requirements as outlined in this condition is deemed to withdraw.

G. After the District Finals and before May 31 a team may decide to reduce its roster to a minimum of four players. Similarly, the winning team may augment the roster to a maximum of six players. Any team using this condition must coordinate with the D5 GNT Coordinator. District 5 encourages all flights to field the strongest team possible. Players removed from a team will not be removed from its roster until the GNT Coordinator receives written confirmation from said player.

H. After the District Finals, a team may permanently replace a player due to a verified sickness, injury, death, or Force Majeure. Any team using this condition must coordinate with the D5 GNT Coordinator. Under these conditions, a team may not substitute for more than one player.

I. For disputes regarding decisions made by the D5 GNT Coordinator an appeal must be filed by May 31. The GNT Coordinator will select three voting members of the D5 board to serve on a

special committee. These three members may not be selected from the Unit of the appealing team. In addition, if there is any team that will gain a substantive advantage from the outcome of the appeal, then members of the committee will also not be selected from that unit. In the case of a lack of eligible committee members, any D5 member in good standing may be asked to serve.

After hearing from all parties, the committee will hold secret deliberations and vote. The results of the vote and a majority opinion will be given to both the GNT Coordinator and the team without insight into the private workings of the committee. If the appeal is denied, the committee will then consider if the appeal was frivolous. Due to the costs and resources required to hold and appeals committee, if an appeal is deemed to be frivolous, then the entire appealing team will be suspended from participating in any D5 GNT contest for the following two years.

J. If the ACBL moves the roster deadline earlier than June 10<sup>th</sup>, district deadline may be adjusted by the D5 GNT Coordinator to allow two weeks before the new ACBL deadline. This change must be communicated to all winning teams in a timely manner.

Your team must report to the district treasurer for reimbursement of entry fees upon return from the NABC finals.

### **D5 Online Conditions of Contest Appendix**

In the event that the D5 finals are moved to online instead of face to face:

A. Pre-registration and payment is required by the Wednesday, May 1 5pm deadline to participate.

B. Teams must provide the following information when registering: full roster with player names, ACBL numbers, email addresses, and BBO user names.

C. Shortly after registration closes the GNT coordinator will release a schedule and match assignments for the Round Robin/Swiss qualifying phase.

D. The Round Robin/Swiss qualifying will be self-directed in BBO. At least one player per team should have experience creating team matches. Training will be provided on the D5 website.

E. Each flight will play on a specified Saturday with the possibility of roll over into Sunday as needed. Teams will play up to eight rounds depending on entries.

F. Pairs are required to have completed convention cards and should provide full disclosure of their methods using some combination of the BBO chat and alert system. Penalties will be issued for a failure to comply with these requirements.

G. The GNT Coordinator will handle any disputes regarding irregularities. Teams are expected to make every attempt to conduct matches in a timely fashion and resolve irregularities fairly.

H. In cases where matches are not played and no fault can be determined both teams will receive zero victory points.

I. Security measures such as audio/visual connections between screenmates are highly encouraged during the qualifying phase. These measures are required for the KO phase.

J. If a player wins in multiple flights they must represent D5 in the high of the two flights. As a reminder, winning teams are still subject to the conditions of contest requirement in Section E after this rule is applied.
