

ACBL District 20 Conditions of Contest for the 2019/2020 North American Pairs

General

- A. National Conditions of Contest: The 2019-2020 North American Pairs (hereafter, NAP) Conditions of Contest as published by the American Contract Bridge League (ACBL) govern this competition: <http://web2.acbl.org/documentLibrary/play/NAP/CoC.pdf>
- B. Participation: To advance beyond the club level in this event, a player must be a member in good standing of both the ACBL and its geographical division of District 20 (D20).
- C. District Coordinator: The D20's coordinator for the ACBL-wide North American events is currently Hal Montgomery (hereafter "Coordinator"), 736 SE 30th Avenue, Portland, Oregon 97214; e-mail: dewitt@imaginata.com; telephone number (503) 583-3717.
- D. Unit Responsibilities: Each Unit in D20 is responsible for promoting the NAP qualifiers at clubs and must sanction a qualifying session if no clubs in their own Unit do so.

Club Stage

Club qualifying games will be conducted in June, July and August of 2019 as detailed in the ACBL National Conditions of Contest. Club managers must submit ACBLScore game files via email to the Coordinator for verification. The files must be in the .ACx format. Please refer to the help section of ACBL Score if you need help using the .ACx extension. The following is from the help section: "Once you OK setting up a new game, the game file (which has an ACx extension—where x is M, A, E, or L) is automatically created (in the Directory shown on the 1st line of the window above) and opened.

Unit Level

The Unit Stage of the NAP competition will not be conducted in D20. Players who qualify in club qualifying games advance directly to the D20 Finals. However, if no clubs in their jurisdiction schedule club qualifying games during the Club Stage, Units are required to sponsor such games. Players that qualify in a Unit sponsored qualifying game advance to the D20 Finals in the flight(s) for which they are eligible.

District Finals Conditions of Play

1. Entry Fees: The entry fee of the District Finals for all Flights will be \$60 per pair.
2. Bidding Boxes/Screens: Since the competition is on-line, no boxes or screens are needed.
3. Seeding: It is intended that pairs play against the other pairs in as equitable a movement as possible. The DIC will try to balance the field if necessary by taking into account the players' Masterpoint holdings and recent accomplishments. The national conditions of contest call for each session to be at least 24 but not more than 30 boards long.
4. Slow Play: A maximum of 7.0 minutes per board is permitted in each segment of play, unless play is delayed for a technical difficulty. The DIC will monitor play and may warn and/or assess penalties for excessive slow play as set out in ACBL regulations. Players may appeal such penalties to the D20's Appeals Chairman, who may convene a conduct committee to consider merits of the appeal. The DIC may use hospitality breaks to lessen effects of slow play on other pairs.
5. Kibitzing: Online as well as in-person Kibitzers will be permitted and shall comport themselves appropriately. Each partnership has the right to bar one kibitzer without assigning cause, or an unlimited number for cause. The DIC may bar any kibitzer for cause.
6. Scoring: The contestants within each flight will be scored via match point scoring with every other competitor within their flight to determine the overall rankings.
7. Ties: Ties for advancement positions in any flight Finals will be broken as follows. The boards played in common will be scored board-a-match versus average, with 1 point for above average, ½ point for average, and no points for below average.
