

Receiving an Error Message When Logging In:

Go to ACBL website.
www.acbl.org

Click on TourneyTrax

Most of you want to enter your ACBL# and password that you use to access the “Your Member Page” of the main website. This will not work here! If you have not been to the TourneyTrax login screen select the new user function to register.

Fill in all the fields and click on “Sign Up”. You can certainly select the same password that you use at the Member Page at this time.

If you have already registered but have forgotten your password click next to “Forgot Password”. The email address you enter here has to be the one ACBL has on file for you. Click on “Submit” and you should receive a temporary password at that e-mail address almost immediately.
