

ACBL Competition & Conventions Committee Agenda

Date: November 28, 2011

Day: Monday

Time: 10:30 AM

Hotel: Sheraton Hotel

Room: Kirkland Room

1. Meeting called to order.
2. Approval of Toronto 2011 minutes.
3. Report of Seeding Subcommittee regarding seeding the Senior Knockouts. Should shuffling & subjective seeding be added to the seeding method for the Senior Knockouts.
4. The Alert Chart indicates that an alert is required for a weak jump shift by advancer of an overcall. This seems to contradict the convention card and general rule that weak jump shifts in competition are not alertable.
5. As recommended by the Battlefield Tactics Subcommittee, modification of the ACBL Superchart to remove item #5: "Opening one bids which by partnership agreement could show fewer than 8 HCP (Not applicable to a psych)."
6. Discussion of Item deferred from Toronto: Are 5 team Round-Robins with two survivors preferable to 3 team Round-Robins with one survivor.
7. Old Business
8. New Business
