

## School Bridge Class Guidelines

ACBL will provide Bidding in the 21st Century textbooks, cards, t-shirts, trophies, and certificates for your youth bridge classes. Stipends are also available for qualifying classes. Guidelines to receive books, cards, t-shirts and trophies for your classes are as follows:

- Students must be under 26 years of age.
- Students who have graduated from high school must be enrolled full-time at a four-year college.
- Teach at least four students (we recommend starting all classes with 12+ students).
- Do not charge the students for your time.

(Note: If you wish to provide a special field trip, meal, or any other kind of event, you may charge the students a nominal fee for this.)

In order to receive a \$350 (US) teaching stipend for your class you must also:

- Register your school bridge classes in advance with the ACBL Education Department. All classes must be registered even if supplies for the class are not needed. **Stipends will not be paid for classes that haven't been registered in advance.**
- Have at least eight students graduate from your class.
- Have taught at least 16 total hours.
- Total amount of teaching stipend and money received from other sources shall not exceed \$500 (US)

*Please note that teachers will be paid for a maximum of five classes per session (spring/summer and fall). If you start a class in the fall and it doesn't finish until spring of the next year, it will be considered a spring/summer class.*

To receive the \$500 Mahaffey Scholarship for teaching a school bridge class **in addition to** the above requirements:
