The local committee did an outstanding job on entertainment and decoration. Here is what the committee did with balloons in the Intermediate/Novice section of the Reunion Ballroom.

Junior Month proceeds double 1996 mark

Proceeds from ACBL's second Junior Month - February 1996 -- appear likely to be much larger than the amount raised last year.

Figures released by ACBL on Friday show more than \$15,000 was raised in the U.S. and more than \$2,000 (Canadian) in Canada. Final amounts will not be available until the end of this month.

The proceeds will be used for ACBL Junior projects such as the Junior Bridge Camp, scheduled this summer in Italy, and for the Canadian Bridge Federation's Junior Development Fund.

Last year's Junior Month total was \$10,706 (in U.S. funds) which included \$8649 in the U.S. and \$2057 (in U.S. funds -- \$2798 in Canadian funds).

An enviable record

Ron Smith has had a great year in the major NABC team events -- he has been no worse than fourth -- and he has done this with five different partners. He was first in the Grand National Teams partnered by Ralph Buchhalter, second in the Spingold with Steve Robinson, third/fourth in the Vanderbilt with Zia and Seymour Deutsch, and fourth in the Reisinger with Brian Glubok.

3 knockout wins

Tom Zinser of Arlington TX, a financial analyst, is having the tournament of his life -- he has won three knockout titles -- 12 straight victories in KO events. He was first in Bracket 5 of the Spider Harris KOs, Bracket 6 of the Houston event and Bracket 5 of the Fort Worth teams.

His first victory made him a Bronze Life Master -- more than 500 masterpoints.

He had the same teammates in two of the three events -- the Spider Harris and the Fort Worth. His partner was Tim Malone, who has been his regular partner ever since he started playing about six years ago. The other pair were Adrienne Feuer and Mark Zivian. This team has been playing as a unit

for the past year, and they have the enviable record of six firsts and a second in that time.

Teams clustered atop Open Swiss

The top three teams in the Open Swiss Teams are clustered within 1 Victory Point of one another as they head in today's two final sessions.

The leaders are Cameron Doner, Richmond BC; Mike Lucas, Las Vegas; Sidney Brownstein, Santa Monica, and Rick Roeder, Encinitas CA, first with 118 VPs.

Right behind them -- with 117 VPs -- are Sim Therrell, Wylie TX; James Griffin, Austin TX; Tom Clarke, Lake Charles LA, and Alan LeBendig, Los Angeles.

In third place -- with 116 VPs -- are Malcolm Brachman, Dallas; Marc Jacobus and Harold Lilie, Las Vegas; Dennis Clerkin, Bloomington IN, and Jerry Clerkin, North Vernon IN.

The newly-crowned Vanderbilt champions are fourth with 111 VPs. Team members are Richard Schwartz, East Elmhurst NY; Peter Boyd, Silver Spring MD; Mark Lair, Canyon TX; Steve Robinson, Arlington VA; Bobby Goldman, Highland Village TX, and Paul Soloway, Mill Creek WA.

Kratenstein team leads Women's Swiss

The team captained by Rhoda Kratenstein takes a 16-VP lead into today's two final sessions of the Women's Swiss Teams.

Kratenstein, Schenectady NY, is playing with Marinesa Letizia, Louisville KY, and Jacqui Mitchell and Amalya Kearse, both of New York. Their total is 122 VPs.

In second place -- with 106 VPs -- are the winners of the Women's KO Teams, played at the 1996 Summer NABC in Miami Beach: Pam Wittes, Los Alamitos CA; Shawn Quinn, Katy TX; Cheri Bjerkan, Elmhurst IL; Sue Weinstein, Glenview IL; Stasha Cohen, Glen Ridge NJ, and Judy Wadas, Chicago.

In third place are Edith Freilich, Miami Beach; June Deutsch, Williams Island FL, and Susan Wexler and Margie Gwozdzinsky, New York, with 105 VPs.

11,000 looks easy

Attendance in Big D so far is 10,449.5 tables. Only 550.5 to go for 11,000.

'We're cousins!'

Aaron Castner, a Dallas physician who is originally from Montreal, went to the Partnership Desk yesterday afternoon, looking for partner for the Continuous Pairs. He was introduced to a young man named Raymond Gilbert, and they set off for the game.

They got to talking, and Raymond mentioned that he had some relatives named Castner who live in Montreal. Aaron asked for names, and it turned out that Gilbert's mother is Aaron's sister -- Gilbert and Raymond are long-lost cousins!

Dallas -- home of world champions

Dallas is home to six living present and former world champions: Malcolm Brachman, Bobby Goldman, Bob Hamman, Mike Passell, Nancy Passell and Bobby Wolff.

Brachman, Goldman and Mike Passell won the Bermuda Bowl in 1979 "after the most harrowing finish in the 30-year history of Bowl competition," according to the account in the World Championship book.

Goldman also won the Bermuda Bowl in 1970 and 1971, as a member of the Aces, and the World Mixed Teams in 1972.

Hamman and Wolff have won these world championships together: the Bermuda Bowl in 1970, 1971, 1977, 1983, 1985, 1987 and 1995; the World Team Olympiad in 1988 and the World Open Pairs in 1974.

Wolff also won the World Mixed Teams in 1972, the only player to have won world championships in four different categories.

Nancy Passell won the Venice Cup in 1991. She and husband Mike are the only married couple who have both won world titles.

Bart Bramley, left, and Sidney Lazard finished second in the NABC Open Pairs II.

Out for the count

By Barry Rigal

Squeezes without the count are one of the more esoteric available to the sophisticated declarer. I had two such opportunities in the Thursday evening Open Pairs, but strange things happened on both deals.

East-West avoided an accident in spades, but since plenty of pairs escaped for minus 50, there were some possibilities of a reasonable score if I could make my contract. I won the ♠Q opening lead and finessed a club, then played a second spade, ruffed. West got out with a heart, and I foolishly (well, unluckily maybe) tried to run this to the 10. East took his queen and played a third spade. I ruffed and played the ♣K, allowing West to win and make the mistake of cashing his last trump before exiting with a heart. This was the ending:

When I led the last trump, West couldn't pitch a diamond or I would play two rounds of the suit. If he throws a heart away, I can take my top hearts and play a diamond to the 9, endplaying him for the last two tricks.

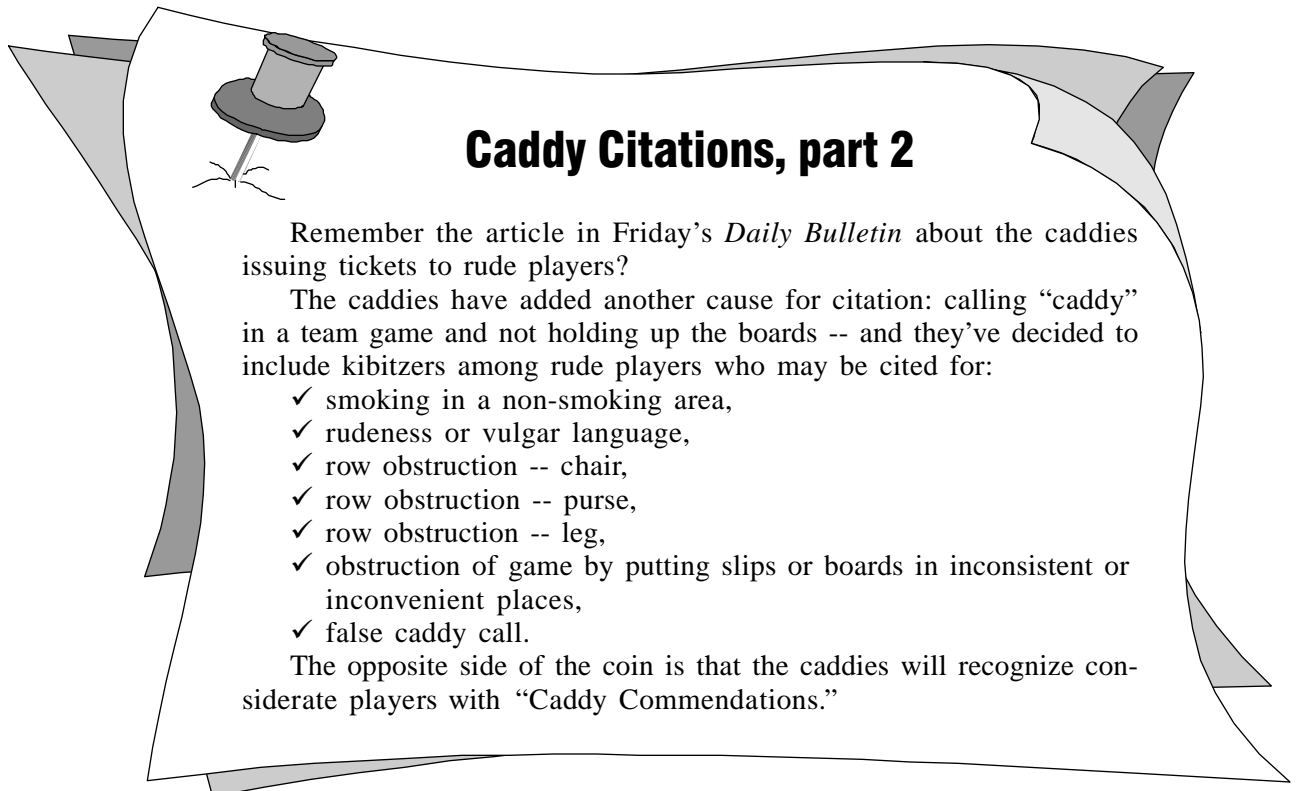

Alas, I missed my chance and went one down.

But I had my chance to recover a few boards later.

Caddy Citations, part 2

Remember the article in Friday's *Daily Bulletin* about the caddies issuing tickets to rude players?

The caddies have added another cause for citation: calling "caddy" in a team game and not holding up the boards -- and they've decided to include kibitzers among rude players who may be cited for:

- ✓ smoking in a non-smoking area,
- ✓ rudeness or vulgar language,
- ✓ row obstruction -- chair,
- ✓ row obstruction -- purse,
- ✓ row obstruction -- leg,
- ✓ obstruction of game by putting slips or boards in inconsistent or inconvenient places,
- ✓ false caddy call.

The opposite side of the coin is that the caddies will recognize considerate players with "Caddy Commendations."

and back came a club. I saw my chance to be a hero again, recovering from my previous error. Win the ♣K unblocking the jack, and play a spade to the jack. East will win and probably return a club. Now I can win and cash the last club. This was the ending:

♥ --		♥ J 9 2
♦ --		♦ --
♣ 9		♣ --

East still has to make a discard. If he throws a spade, you cash the ♠A and exit with the ♥7. East would win and be endplayed at trick 12 again.

If East throws a heart, you set up the hearts for one loser. Either route leads to a valuable overtrick.

But it didn't work out that way. What actually happened when I played a spade to the jack, it was allowed to hold the trick!! Now I had the same squeeze for a second overtrick, enough to recover all the matchpoints I had dropped on the first hand.

Lamprey (East) won the opening diamond lead with his ace. He cashed the ♣A and gave up a heart. He ruffed the diamond return and ruffed a heart.

Now Lamprey played a spade to the ace and ruffed another heart. He ruffed a diamond, as West pitched a heart, and played a club to his king. He ruffed his last diamond, West pitching a spade this time, and ruffed a heart with his last club. (If West ever ruffs with his ♣Q, dummy's spade loser disappears.)

West was left with these cards: ♠Q-10 and ♣Q. He could overruff and lead a spade or he could pitch a spade and Lamprey could cash a spade.

Either way, Lamprey had 11 tricks for plus 400.

Weiming Hu of Portland OR, left, and Alex Lo of Gresham OR, representing District 20, finished second in Flight C (non-Life Masters) of the North American Pairs. Hu is originally from Shanghai and Lo is from Taiwan. They play a Precision system. "Most Chinese players use Precision," said Hu.

An awesome preempt

Tom Franklin credits partner Mike Corker with a preempt that was "just awesome" and that helped propel the pair to the North American Non-Life Master Pairs championship.

The District 21 pair won the event by one board. The "awesome" preempt occurred in the first final session.

Franklin returned the ♠9 -- 10, jack, ace. Declarer pulled two more rounds of clubs, ending in his hand, and led the ♥J. When South showed out, he ducked the trick to North's queen. Franklin then cashed the ♠8 for down two. Plus 300 was worth 13 out of 13 matchpoints.

HAPPY BIRTHDAY, CLAIRE! Claire Jacobs of Plantation FL is having a couple celebration today. It's her birthday AND she earned enough points to become a Silver Life Master (more than 1000 masterpoints).

Jimmy Cayne studies his cards as he competes in the Vanderbilt KO final. His team finished second after losing to the Richard SCHWARTZ team.

Wolff's football blitz

Bobby Wolff doesn't always play bridge. He is a FOOTBALL FAN! In his home there are five television sets all within close proximity -- all connected to satellite dishes. On Sunday afternoons during the season he turns on all five sets and watches five different NFL games simultaneously!

Runners-up in the Flight B North American Pairs were David Green of Sherwood OR, left, and Don Tofte of Portland OR. They represented District 20. Last year they were on the winning team in the North American Teams Flight B in Miami Beach. They are proud of the fact that District 20 pairs and teams have been first or second in many North American events during the past year. Their comment about coming in second: "We want to be first or nowhere at all!"

Mind Sports Olympiad will feature bridge

The First Annual Mind Sports Olympiad, a festival of "thinking" games that will include bridge, is scheduled for Aug. 18-24 at the Royal Festival Hall in London, England.

Other contests on the schedule include such classic, strategic contests as chess, draughts (checkers), backgammon and go.

The event is open to everyone, and the contestants will compete for gold, silver and bronze medals. There will also be a "Pentamind" competition for those adept at five games, as well as a "Decamentathlon" for those wishing to demonstrate their mental prowess at 10 different games.

For those who wish to play bridge only, the event offers plenty. A four-session duplicate pairs game is scheduled, as well as an individual contest, a teams-of-four game and a rubber bridge pairs game, all of which are two-session events.

For entry and fee information, you may write to Mind Sports Olympiad, P.O. Box 13388, London NW3 2ZF, England or visit the web page at <http://www.mindsports.co.uk/olymp4.html>

Submarine squeeze

While a weak two-bid can inhibit the smooth flow of the opponents' bidding, it can, on occasion, goad them into a slam that they might not otherwise bid.

When Eddie Wold jumped to 4♠ Steve Sion brought out Roman Blackwood and bid the slam.

Wold won the heart lead with the king and took four rounds of trumps, East holding back his king until the last round. Wold then made the key play -- he led his ♣2 which West took with his queen. He returned a club, and Wold cashed his other high club, pitching a heart from his hand. Then he cashed the ♥A, and West was finished. His partner was out of clubs, so he had to hold a club. That forced him to come down to three diamonds. So Wold was able to cash his top diamond, then overtake the jack with the queen and cash two more diamonds for his slam.

Leaping Michaels

It happened when Rick Roeder and Harvey Brady were playing against Terry Michaels and Jo Morse. Terry trains seeing-eye dogs for the blind, and Rick sometimes runs a dog for her.

Terry opened 1♠ and Harvey overcalled 2♥. Rick carried on to 4♥, which Harvey duly made. But something strange had happened -- Harvey had five spades as well as five hearts. Rick laughingly suggested that Harvey should have used Michaels since he had both majors.

Just then the dog being trained leaped up into Terry's lap. Said Rick: "Or maybe it should have been Leaping Michaels!"

Only one pass card

By Barry Rigal

The most significant thing about Susan Wexler and Margie Gwozdzinsky, winners of the NABC Women's Pairs, is their unceasing activity as a partnership.

Susan's bidding box contains only one pass card and, as a result, it is rare to find an auction in which she does not participate. It worked to her advantage on Board 21 from the second final session.

(1) Transfer to spades.

Susan (West) doubled 4♥, a move that persuaded Margie to lead that suit rather than a club. Susan won the ace and returned a club to the jack, queen and king.

Now declarer played two rounds of spades and, unable to reach dummy to draw the last trump, led the ♣A. Susan ruffed and returned a heart. Declarer had to lose a diamond in the end to score plus 620 -- good for 19.5 out of 25 matchpoints for Wexler-Gwozdzinsky, since many pairs scored plus 650 on a club lead.

Declarer could have recovered by running the first club to the king and leading a second club. It does Susan no good to ruff, and now declarer can win the ♣A, cash the top trumps and ruff a club high to dummy. After drawing the last trump, she can play diamonds for only one loser.

Straight from the textbooks

By Barry Rigal

In the semifinal match between Richard Schwartz and Jeff Wolfson, a classic declarer play problem arose. In fact this is so like a textbook hand that devotees of the puzzle format should have no problem with it.

♠ Q J 10 9
 ♥ Q 9 5 3
 ♦ A Q
 ♣ A K J

Both tables reached 3NT. Peter Boyd led a top heart and shifted to spades. That beat the contract trivially.

But Soloway got a low heart lead and won it in hand. Since the auction 1♣ - double - 3♣ - pass; 3NT had indicated hearts were 4-4, the right play looks to be to win the heart and lead the ♦Q. If West wins this and does not play the ♠K, you have nine easy tricks. If West wins and actually does lead the ♠K, you take the club finesse for your ninth winner.

But the defense ducks and you play your ♣A followed by the jack. Again if the defense wins this and returns a spade, you have your nine tricks.

So East has to duck the ♣J. Then you simply play the ♠A and clear the spades. You wind up with five minor suit winners, one heart and three spades -- again nine tricks.

Barbara Sion, left, and Suzi Burger were runners-up in the NABC Women's Pairs. They just missed making it two women's titles in a row -- they won the Life Master Women's Pairs in San Francisco last fall.

Aggressive bidding, accurate defense

Susan Wexler and Margie Gwozdzinsky, second in the same event a year ago, combined aggressive bidding with accurate defense to win the NABC Women's Pairs by almost three boards.

Wexler and Gwozdzinsky are longtime friends and Gwozdzinsky is "Aunt Margie" to Sara, 13, and Adam, 16.

This was the first NABC victory for Wexler, a legal administrator in New York who took an 18-year vacation from bridge before coming back to the game about 2 1/2 years ago. Since that time, she's been second (with Gwozdzinsky) in the Women's Pairs and in the Women's Knockout Teams.

Gwozdzinsky, a bridge teacher and professional player, won her fourth NABC title. She was a member of the winning Venice Cup team in Perth, Australia, in 1989.

The two had a 66.69% game in the second final session. "The key is that we've been working on our game," said Gwozdzinsky.

The work paid off on this deal from the second final session.

NA Open Swiss Teams features Jacoby Trophy

The North American Open Swiss Teams -- formerly the North American Men's Swiss Teams -- will finish today, with the Jacoby Trophy going to the winners.

The trophy is named for Oswald and Jim Jacoby -- one of the premier father-son pairs in ACBL history -- the first father-son combination to win a national championship and the first father-son combination to be elected to the ACBL Bridge Hall of Fame.

The senior Jacoby (1902-1984) won his first major title -- the National Team Championship of the American Whist League -- in 1929 and his last major title -- the Reisinger Board-a-Match Teams -- in 1983.

In between, he won the *McKenney Trophy* (now the *Barry Crane Top 500*) four times. He was the first player to win 1000 points in a single year and the first player to earn 10,000 points.

Ozzie won seven Spingolds, seven Vanderbilts, two Reisingers and more than a dozen other major titles. He was named to the ACBL Bridge Hall of Fame in 1965.

He and son Jim are co-authors of Jacoby Transfer Bids, Jacoby 2NT and other bidding ideas. They won the Reisinger in 1955 -- when Jim was 22 -- and the Vanderbilt in 1965.

Jim Jacoby (1933-1991), elected to the Hall of Fame this year, won the Bermuda Bowl in 1970 and 1971, the World Mixed Teams in 1972 and the World Team Olympiad in 1988. He won more than 14 NABC titles and captured the *Barry Crane Top 500* in 1988 -- the same year he won the Olympiad title.

He is one of only three players to win the masterpoint title and a world championship in the same year -- Charles Goren won the Bermuda Bowl and the *McKenney* in 1950 while Barry Crane won the World Mixed Pairs and the *McKenney* in 1978.

The Facts: 3NT made four, plus 430 for N/S. The Director was called after the opening lead of the ♠6, but waved away. The Director was again called at the end of the hand. The 2NT bid had not been Alerted and was intended to show the minors. South did not advise the opponents before the opening lead that he had intended his bid to show the minors. North did not believe they had an agreement. The Director ruled there had been no damage and allowed the result to stand because West had led fourth best from the suit he had opened and his partner had supported.

The Appeal: E/W appealed the Director's ruling. West stated that if he had been properly informed about the N/S agreement the defense might have been different. N/S had only one completed convention card and their agreement was not on it.

The Committee Decision: The Committee decided N/S had the agreement that 2NT showed the minors since South had stated he thought 2NT showed the minors. Therefore, South had the responsibility to inform his opponents that there had been a failure to Alert before the opening lead. The Committee decided that, in compliance with Law12C2, the most unfavorable result that was at all probable for N/S was to take nine tricks on the lead of the ♠K and East ducking the first round of hearts. The most favorable result that was likely for E/W had the irregularity not occurred was that N/S would take ten tricks. The Committee changed the contract to 3NT made three, plus 400 for N/S and 3NT made four, minus 430 for E/W. In addition, N/S was assessed a one-quarter board procedural penalty.

(1) Announced; forcing.
(2) Break in tempo.

The Facts: 4NT made five, plus 460 for E/W. The Director was called because there was a break in tempo before East bid 4NT. The Director ruled that there had been no use of unauthorized information and allowed the result to stand.

The Appeal: N/S appealed the Director's ruling. There was an agreed break in tempo before the 4NT bid. E/W have been playing together for about 20 years. This sequence had not occurred previously in their partnership. They play no special agreement for the forcing 1NT bid. Rarely does a 1NT bid have game-forcing values. 2NT over one of a major would be forcing and balanced and 3NT would be 15 to 16 balanced. 2NT after the reverse was forcing.

N/S contended that the break in tempo suggested bidding over 4NT was a logical alternative for West. N/S suggested the contract should be 5♥ down one, plus 50 for N/S.

The Committee Decision: The Committee decided that the break in tempo did not suggest one action over another. Even if bidding was a logical alternative, the Committee agreed that pass was clear. The Committee allowed the table result, 4NT made five, plus 460 for E/W to stand.

The Committee found the appeal lacked substantial merit and thought the appeal was egregious. The Committee retained the \$50 deposit and assessed a 5.5 matchpoint procedural penalty against N/S for abuse of the appeals process.

GIB about to be BIG

By Barry Rigal

Those of you who have seen the occasional bridge player wearing a badge with GIB on it may have been puzzled by it, but it stands for GOREN IN A BOX. This is the latest generation of computer programs to play bridge. Matt Ginsberg, who is in charge of the project along with Fred Gitelman, will be having a challenge match with Bridge Baron on June 14.

Matt is no mean player himself -- those of you with a long memory will recall that he was one of the devisers of the Ultimate Club along with Ronnie Rubin, Mike Becker and Matt Granovetter. He played with Gitelman in the Open Pairs and was confronted with a problem that would have kept GIB busy for a while!

The lead of the ♥K set Matt a tough problem in percentages. He played off one top spade, then the top clubs (throwing a heart) and a club ruff. When the ♣Q did not drop he followed the restricted choice indicated in the spade suit by leading to the ♠7 and ruffing another club. Now a spade to the 10 allowed him to discard his last heart on the fifth club and he lost just one diamond trick for plus 980.

Women's Swiss Team champs have a new look

The defending champions in the North American Women's Swiss Teams will be going for their third consecutive victory -- a rare "three-peat" -- here at the Spring NABC in Dallas.

Kathie Wei-Sender, Sue Sachs, Juanita Chambers and Beth Palmer will be defending the title they won at the 1996 Spring NABC in Philadelphia. Betty Ann Kennedy has replaced the ailing Lynn Deas.

The same squad -- minus Chambers but with Carol Sanders -- won the 1995 competition in Phoenix. Sanders and Kennedy announced their retirement after the same team won the Women's Board-a-Match Teams at the 1995 Fall NABC in Atlanta, but Kennedy is back.

Wei-Sender had planned to play four-handed after the Belles' retirement but added three-time world champion Chambers for the Philadelphia NABC.

The winning team in the Women's Swiss Teams, if eligible, will automatically qualify for the Women's Team Trials in June.

Two teams from that event will qualify to represent ACBL in the Venice Cup competition in Tunisia in October.

Venice Cup

The last three ACBL winners of the Venice Cup have also won the Women's Swiss Teams:

· 1987 -- Cheri Bjerkan, Juanita Chambers, Lynn Deas and Beth Palmer won the Women's Swiss Teams and added Kathie Wei-Sender and Judi Radin -- and Carol Sanders as non-playing captain -- to their Venice Cup team. Their victory came in Ochos Rios, Jamaica.

· 1989 -- Kerri Sanborn, Karen McCallum, Kitty Munson and Margie Gwozdinsky won the Women's Swiss Teams. They added Lynn Deas and Beth Palmer -- and Dorothy Truscott as npc -- to their squad and won the Venice Cup in Perth, Australia.

· 1993 -- Kay Schulle, Jill Meyers, Kerri Sanborn and Karen McCallum won the Women's Swiss Teams. They added Sharon Osberg and Sue Picus -- and Jo Morse as npc -- to their squad which won the Venice Cup in Santiago, Chile.

Machlin Trophy

The Women's Swiss Teams will compete for the Machlin Trophy, donated by the Machlin family in memory of Sadie Machlin, longtime ACBL employee. She was the sister of ACBL chief tournament director Al Sobel and the mother of Jerry Machlin, retired national tournament director.

The Women's Swiss Teams has two qualifying and two final sessions with Victory Point scoring.

Final standings in Ace of Clubs contests

The Ace of Clubs competition was created in 1984 to recognize achievement at the club level. As with winners in the Mini-McKenney races, the Ace of Clubs champions are recognized at the unit level as well as ACBL-wide.

Points won only at the club level -- excluding the North American Open Pairs and the Grand National Teams -- are counted in these races.

A top for Tofte

At first glance it looks as if declarer can take 10 tricks on this 3NT hand -- eight top tricks, a spade finesse and a 3-3 heart break. But Don Tofte, West, runnerup with David Green in Flight B of the North American Pairs, wound up with 12 tricks.

Bd: 19 ♠ 10 7 6 4
 Dlr: South ♥ Q 10 3
 Vul:E-W ♦ J 7 6 2
 ♣ K 5

♠ A J 2 ♠ K 9 5 3
 ♥ K 9 6 4 ♥ A 8 7
 ♦ K 3 ♦ A Q 9 8
 ♣ A 9 8 7 ♣ J 4

♠ Q 8
 ♥ J 5 2
 ♦ 10 5 4
 ♣ Q 10 6 3 2

The good luck started with the opening lead -- a diamond. This went to the 10 and ace, and Tofte immediately led a second diamond, finessing the 9. Next came a successful spade finesse. Tofte then ducked a heart, won by South, and the ♣3 came back. He rose with the ace and cashed the ♠A -- and down came the queen. But of course that could have been a falsecard from queen-10-x. Next he cashed all his red winners, and South discarded a revealing ♣2 -- this indicated that South probably started with five clubs. Since he already had shown up with six red cards, the ♠Q was a true card. Tofte of course took a finesse to the ♠9 and claimed 12 tricks.

OKbridge team wins KO

A team that met on OKbridge was saying, "Thank you, Matt Clegg!" after they won the Austin Unit 207 Morning KO Teams, Bracket C yesterday.

"We all knew we were coming to Dallas, so we got a team together -- and we won. Thank you, Matt Clegg," said Judith Inker of Wellesley Hills MA, whose OKbridge handle is "Jilos."

Other team members are Ronnie Frank, St. Louis, "Trixi"; Roger Walton, Kirkland WA, "Jammer"; Paul Heffington, Altamonte Springs FL, "PMH," and Jan Mirmelstein, Midlothian VA, "Mirm1."

What a coincidence!

David Weisman, in 7NT, looked at dummy and claimed 14 tricks. He had only 12 sure tricks, so the director ruled down one -- even though a simple diamond finesse would have brought home 13 tricks. But you can't suddenly decide to take a finesse after you discover you've made a bad claim.

When checking the scores later, David discovered he had received half a point on the board. He wondered how this was possible, so he checked the sheets. He found minus 100 in another ballroom, and he looked to see who it was.

It was Judy Weisman, his wife! She had claimed 13 tricks and the director made the same ruling -- down one.

A different record

Yesterday's *Daily Bulletin* related the story of a 25% improvement in score from one session to another -- Irina Levitina and Ken Barbour had a 39% game in the afternoon and improved to a 64% game in the second session in the evening.

Gary Helman of Long Island NY has a similar story. He played with a pick-up partner (but can't remember his name) in a side game at the 1981 Boston NABC and they had a horrendous 32% game -- 102 with 156 average.

Between sessions, they went to a talk by Kathie Wei-Sender and Ron Andersen. Books on bridge were given to the pair who had traveled furthest, who had the low score, etc.

Helman and his partner had no trouble collecting a book each for low score. Each read his book that night.

They played again in the side game the next afternoon and recorded quite an improvement: a 71.5% game -- 223 with 156 average.

Second place in the side game went to Wei-Sender and Andersen, who had a 202!

New Life Masters

Dell Berg of Puyallup WA became a Life Master when he placed seventh overall in the North American Non-Life Master Pairs. He and partner Michael Hughes III of Seattle represented District 19.

Pete Hudson of Corvallis OR earned his gold card when his team finished in a 1-2 tie in Strat B of the Midnight Swiss Teams. His partner was Terrance Hill, also of Corvallis, and their teammates were Berg and Hughes.

Nancy Peterson of Irving TX, the Novice Partnership Chairman at the NABC, took time off to play in the *Congratulations, Bobby Wolff* Bracketed Knockout Teams, Bracket 4, and became a Life Master when her team advanced to the semifinal. She was playing with regular partner Neal Shores of Fort Worth and teammates Gary Neisler of North Richland Hills and William Morris Jr. of Arlington.

Scoreless tie

It happened in the Women's Swiss. When the teams compared, the calls were "Push, push, push, push, push, push, push." That's right -- a scoreless tie.

Jeri Baraf, Kay Beck, Mimi Bieber and Arleen Lehman played the match against Juanita Chambers, Kathie Wei-Sender, Beth Palmer and Betty Ann Kennedy.

Goodwill Message

Treat each new player with respect and kindness -- some day that player could become your club manager.

It happened in Florida: Eleanor Bengyak played in the novice game at the Vero Beach Duplicate Bridge Club. She took the director's exam "and there I was with 19-plus masterpoints directing my first game."

Eleanor is now the club's manager and a Regional Master.

Aileen Osofsky

Chairman, Goodwill Committee

Winners of Travelers umbrellas are Edith Sanders of Sherman TX, Pauline Hicks of Jefferson City and Lois Goodman of Austin.

Please claim your prizes this morning.

Reminder: it's not too late to fill out a card and request information on ACBL members' discount on Travelers long-term care insurance.

**The Alert strip**

It is ACBL policy to have players tap the Alert strip and say Alert out loud at the same time. When an announcement is made, once again the player should tap the Alert strip.

When using spoken bidding, players are required to announce and Alert aloud.

If there is some reluctance about complying, players should summon a tournament director rather than get into a hassle with an opponent.
