

Looking back: Cincinnati 1994

Cincinnati's last spring NABC in 1994 and drew a total attendance of 11,003 tables -- a total predicted only by tournament chair Patty Eber.

Virgil Anderson, 1994 ACBL president, and District 9 director Jayne Thomas won the Silver Ribbon Pairs - the first North American championship won by an ACBL president while in office.

Here are highlights:

Sounds familiar Ron and Linda Smith were playing against Jeff Meckstroth and Eric Rodwell in the Vanderbilt Knockout Teams.Late in the match, Meckstroth opened $2\clubsuit$, showing a diamond preempt or a weak preempt in clubs. Ron overcalled 3♥ and Rodwell bid 4♦, Alerted by Meckstroth.

"OK," said Linda, "what is it?"

"It's a pass-or-correct situation," said Meckstroth.

Replied Linda: "Oh, all my bids are like that."

Mixed signals

Overheard in the Mixed Pairs:

She: "I loved your lead. I told you, I loved your lead."

He: "No, you didn't. You hated my lead. I looked at your face and I could tell you hated my lead."

She: "Next time, look at my card." * * * *

Which course?

Brenda Mehalko asked a friend, who is not a bridge player, for some help in committee work. Hoping her friend could find out about bridge, she bought her a book.

When Mehalko called and asked her friend if she would help by caddying, the reply was swift. "Sure," she said, "which course?"

Background check?

Roy G. Green, ACBL's chief executive officer, met and exchanged gifts with Fan Guangsheng, vice general secretary of the Chinese Bridge Association.

When Green learned that Fan was a martial arts teacher and former national kung fu champion in China before joining the CBA, Green commented: "I was a banker before I took over as chief execu-

No photos today!

Our camera equipment suffered from various maladies last night, and as a result we were unable to process any photos for today's Daily Bulletin. As soon as the camera problems are solved, we will catch up by printing photos of the Charity Fund presentation as well as the winners of the North American Flight A Pairs.

Atlanta players win **North American Pairs**

Longtime partners Patty Tucker and Kevin Collins of Atlanta pride themselves on their steady game and being able to deal with disaster at the bridge table calmly.

Thursday night, they had to deal with a new experience - winning a North American championship for the first time.

Tucker and Collins, representing District 7, put together two strong sessions to win the North American Pairs, Flight A, going away. With a total of 436.25, they were two and a half boards ahead of the runners-up, Victor King of Hartford CT and John Stiefel of Wethersfield CT.

Collins, 45, is a scheduling engineer for Lockwood Greene, an engineering company in the Atlanta area. Tucker owns a used book store.

The two have been playing together for about 10 years. They employ a variable 1NT opener -10-13 non-vulnerable and 15-17 vulnerable – and they strive to play good solid bridge without taking a lot of flyers.

"We like to let the system do the jacking around," Collins said.

Tucker said one of their secrets of success "is the ability to recover from disasters. If we get a bad board, we just kind of go on to the next one. We never argue at the table, and if a hand is too hot we wait a couple of weeks to talk about it."

Last summer, Collins, Tucker and their teammates surprised the seeding committee in the Spingold Knockout Teams at the Summer NABC in San Antonio by pulling off a series of upsets to get to the round of eight.

Tucker thought it was funny that in a writeup in The New York Times about surprise winners in San Antonio, she and Collins were not mentioned as part of the squad that had knocked off the favored George *Continued on page 4*

Milk Fund, Parkinson's receive Charity checks

A Cincinnati institution and the national organization fighting against Parkinson's disease were recipients Thursday night of gifts from the ACBL Charity Foundation.

The American Parkinson Disease Association, named as the Charity of the Year by the ACBL Charity Foundation board of trustees, received a check for \$100,000 in ceremonies prior to the start of the opening-night charity game.

The Babies' Milk Fund (BMF Pediatric Care), selected by the local bridge organization, was awarded a grant of \$5000.

Charity Foundation trustees Virgil Anderson and Jayne Thomas presented the \$100,000 check to actor Raymond Serra, spokesman for the Staten Island-based organization which has been funding research and offering service to people afflicted with the disease since 1961.

Serra lost his brother to Parkinson's disease three years ago, but he was associated with the organization long before Michael J. Serra was even diagnosed.

"In our business," said Serra, "it's great to be successful and make a lot of money, but if you don't give something back it doesn't mean much."

Joel Gerstel, executive director of the association, said Serra has been a godsend to the organization. "He is always there for us," said Gerstel. "When I call him now, before I even complete my sentence, he says, 'Where?'"

Serra, who has played just about every famous gangster in numerous films, interrupted a busy schedule in New York to make a special trip to Cincinnati for the presentation.

Welcome to Cincinnati from the Chairman

offers huge tops

Ever had a top in six figures? You'll have your chances in June and August.

Two pairs events organized by the World Bridge Federation will give players a chance to compare scores around the world — with tops that could take six figures to record.

The World Simultaneous Pairs — set for June 2 and 3 -will be the first to give players a shot at hundreds of thousands of matchpoints on each deal.

That will be followed by the Worldwide Bridge Contest — Aug. 22 and 23 — a joint venture of the WBF and the Mind Sports Organization to be played during the annual Mind Sports Olympiad.

The scores for both these exciting events will be matchpointed across the entire field — literally across the world — using the Internet. Imagine the excitement of a top, the banking of thousands of matchpoints (let us not speak of the horror of a bottom). The eventual winners will indeed have something special to remember.

On behalf of the Cincinnati Bridge Association, I would like to welcome you to Cincinnati for the first NABC of this century.

Many of you were here for the 1994 NABC that we hosted. As you may know, it is highly unusual for the ACBL to return to a Nationals site in just six years. However, because the 1994 Cincinnati NABC was so successful, the ACBL was eager to return. And because so many of us vividly remembered the glow we felt from a job well done, we agreed to host the Spring NABC in the year 2000.

I am happy to report that once again we have an outstanding group of committee chairs and hundreds of local volunteers from the CBA and from District 11 working on this tournament. Because of their dedication and hard work, I am confident that we will again put on a great NABC for you.

We have great entertainment planned, wonderful registration gifts, terrific morning tours, an exciting newcomer program, a first-class information desk and very competent partnership desks at all playing sites, just to mention a few of the things in store for you over the next ten days. And be sure to take advantage of the many diverse and excellent restaurants that are within walking distance of the playing site. All these restaurants are described in our informative and clever Restaurant Guide.

If you need any help with anything, please ask any of our CBA members. They will be happy to assist you in any way they can.

Enjoy your stay and have a great tournament!

Slicing and dicing

Geoff Hampson and Jill Levin won the Mixed Pairs by more than a board. They looked like a long-practiced partnership on this deal, scoring nine tricks on defense against a 3 contract.

Levin led the ♥4 and Hampson cooperated by putting up the queen instead of inserting the 9. The club switch was ruffed by Levin, who cashed the ♦A. Hampson discarded a heart and ruffed the diamond continuation. Levin, back in with a second club ruff, cashed the ♥A and gave Hampson a heart uff. When Hampson played a third round of clubs, declarer could have saved a trick by ruffing with the ♠K and playing trumps immediately, crashing the ♠A and Q. Declarer, however, ruffed with the ♠8 and Levin scored her ♠Q. The defenders had taken the first eight tricks and still had the ♠A to come. Plus 500 was worth 31.5 out of 38 matchpoints.

Addressing the crowd, he said, "For those of you who have seen me in movies and know my name, I thank you. To those of you who don't know me, my name is Tom Cruise."

On the set of a film about mob figure John Gotti, Serra and several other character actors formed the Gangsters Actors Guild, which now has a membership of 10.

The other check was presented to Tina Roberts, executive director of the Babies Milk Fund.

The BMF was founded in Cincinnati in 1909 simply to provide quality milk products to needy families. By 1912, however, the organization had already hired a pediatrician to provide a wider range of services.

Today, BMF operates four pediatric prenatal health centers, whose mission is to see that all children have access to quality health care. "Many of our families are the working uninsured," Roberts said.

Families are offered health care on a sliding scale according to their income. This year, Roberts said, BMF will service 8000 children and handle 24,000 patient visits.

"If you want to know who our teammates were," Tucker joked, "you should read *The New York Times.*"

The victory in the NAP was achieved by Tucker and Collins the first time they had qualified for the national final. "It's just wonderful," she said.

Play in the North American Open Pairs Flight A -- a grassroots event that began last summer at the local club level -- began Wednesday before the start of the Spring NABC in Cincinnati.

Qualifiers at the club level advanced to unit competition and those qualifiers advanced to district finals. Three pairs from each district -- more, depending upon attendance -- qualified for the North American final.

Winners in flights A and B will have their names inscribed on the Baldwin Memorial Trophy and will also receive certificates of recognition.

The trophy is presented in memory of Col. Russell J. Baldwin (1889-1969), U.S. Army officer and expert on tournament procedure who was ACBL *Honorary Member of the Year* in 1943.

Baldwin was active as a tournament director from 1927 until 1941. After service in World War II, he was ACBL business manager from 1946 until 1951.

He was recalled to military serve at the outbreak of the Korean War and retired from the U. S. Army in 1957. He rejoined ACBL in 1958 and was in charge of tournament scheduling until his retirement in 1963.

Non-playing captains sought for Juniors

ACBL is currently accepting applications for non-playing captains for the two Junior teams who will represent the United States in the 2001 World Junior Team Championships.

Resumes should be sent before July 1 to Charlotte Blaiss at 2990 Airways Blvd., Memphis, TN, 38116-3847. "We're looking for a good bridge player who can share his knowledge," said Blaiss. "We need a combination bridge champion, psychologist, coach, diplomat and leader."

Non-playing captain is a volunteer (non-paying) position and volunteers must be willing to commit to a year-long training program for the team and agree to attend the 2001 World Junior Team Championships.

Bid Box Alerts and Announcements

When using bid boxes, ACBL requires that players tap the Alert strip and say "Alert" at the same time. When making an announcement, use the announcement word -- such as "transfer" -- and tap the Alert strip at the same time. A player who Alerts or Announces a bid should make sure his opponents are aware that an Alert or Announcement has been made.

Names of those who volunteer will be submitted to the ACBL Board of Directors for approval.

Immediately after the Junior Team Trials in August, the two qualifying teams will be presented a list of NPCs approved by the Board and will make their selection from that list.

Glossary of bridge terms

New members of ACBL are often confused by the array of terms they hear: knockout teams, red points, rookie. Here's a list of terms and their meanings:

Knockout Teams: an event in which a team (of four, five or six players -- with four playing at a time) plays another team. The losers are eliminated or "knocked out" while the winners play other winners until only one winning team remains. The length of a KO match may vary from a single session to a full day (the Vanderbilt and Spingold) to a multi-day event (the Bermuda Bowl).

Bracketed Knockout Teams: a KO event in which teams are divided into groups -- usually of 8, 16 or 32 teams -- based on their masterpoint holdings. The top group -- Bracket I -- and all other groups compete in a separate event with their own set of winners.

Compact Knockout Teams: a shorter version of Bracketed KO teams.

Swiss Teams: an event in which a team (of four, five or six players -- with four playing at a time) plays other teams in seven-, eight- or nine-board matches. Team A sits North-South at Table 1 and East-West at Table 2 while Team B sits East-West at Table 1 and North-South at Table 2. The results are compared and scored by International Match Points (IMPs).

Pairings for the first round are random. Pairings for succeeding rounds are determined by a team's win-loss record or Victory Point total.

International Match Points (IMPs): the most common method of scoring Swiss Team matches. If Team A scores plus 620 for bidding and making 4♠ on Board 4 and Team B scores only plus 170 (they didn't bid the game), the difference is 450 -- which converts to 10 IMPs. The IMP chart is shown on the inside of your convention card.

Victory Points (VPs): a method of scoring Swiss Team matches. After the scores are compared and converted to IMPs, the IMP total is converted to Victory Points. A team's VP total may be used to determine its next opponents and its final standing.

Continuous/Side Pairs: single-session pair games that pay red points. The Morning Continuous/Side Pairs, for example, will be played at 9 a.m. the first Friday, Saturday and Sunday of the Boston NABC. Pairs may play in one, two or three sessions. Only pairs who play in at least two sessions are eligible for overall gold points.

Flighted pairs: When flighting is used, the field is divided by expertise or experience or both into several separate games. Flight A -- "unlimited masterpoints" -- will be open to all players while the remaining flights will be limited. Flight B might

be 0-500 MPs or 0-1000 MPs while Flight C might be 0-300 or 0-500.

Each flight is scored individually, and masterpoint awards are made for each flight.

The masterpoint holdings of the players determine their flight. If one player is quite an expert while his partner is new to the game, the pair must compete in Flight A.

In flighted events, you may play up but not down. That means you may play in Flight A or Flight B even if your masterpoint holding qualifies you for Flight C. Conversely, you may not play in Flight B or Flight C if you are a Flight A player.

Stratified Pairs: The idea is to compete against everyone but to be ranked only with your peers.

Each pair is assigned a stratum or "strat" based on the masterpoint holding of the partner with more masterpoints.

Example: A = 1000+ masterpoints; B = 300-1000 MPs; C = 0-300 MPs.

Thus, the most experienced players are placed in Strat A, intermediate players in Strat B and less experienced players in Strat C. Masterpoints are awarded for placings in all strats but gold points are awarded only in A and B.

The game proceeds normally -- the difference comes when the scores are tabulated and ranked.

In a three-strat game, the scores are ranked three times. The first ranking is done as in a regular open game. These are the Strat A results.

If a B or C pair does well in this ranking, they receive full credit for that performance. It is not all that uncommon for a Strat C pair to place first overall, and they receive the full masterpoint award for that game.

Note: A pair is eligible for only one set of masterpoint awards and automatically receives the highest award.

The second ranking compares the scores of only the B and C pairs -- the scores of the Strat A pairs are eliminated. Once again, if a C pair does well, they receive points for their finishing position in the Strat B results.

The third and final ranking compares the scores of only the C pairs -- all the scores of the Strat A and B pairs are eliminated.

Strati-flighted Pairs: The top group plays in a game of their own -- Flight A. The rest of the field in divided into strats and plays as in a regular stratified pairs.

A recent innovation has been stratifying within Flight A. Flight A-1 may be listed as 3000+ MPs while Flight A-2 (or Flight X) may be listed as 0-3000 MPs.

Junior coupons

Junior players (25 and younger) may compete

for only \$6 per player per session – with a Junior coupon for each player and session. The green coupons are available at the ACBL Information Desk, at the Intermediate-Newcomer selling station or from

Worldwide

Continued from page 1

Although the scores at each venue will be computed in normal fashion, the club rankings won't have anything to do with the worldwide comparisons, which will be a direct reflection of how all the pairs holding the same cards fared in that session. Results will be updated and made available at all times. It will be possible for players to verify their scores against frequency charts. It will also be possible to see how certain experts handled the deals.

Check your local club for participation in the events.

Each club running a heat will receive an "organizer pack" containing a computer CD with a very simple scoring program that will be used for the event. The CD will also have the program necessary for uploading these scores directly to the server in England. Alternatively, the club may copy the scores to a diskette and send them to the NCBO or directly to headquarters by snail or email.

As club results are received they will be scored exactly as they are scored locally and then displayed on the server. Simultaneously, the scores will be matchpointed across the whole world and the overall results will be shown. By clicking on their names in the club results, a pair will be able to see their ranking in the world.

Prizes will be awarded to the winners at all levels: the club, the country, the zone, and the world.

WBF masterpoints will be awarded. Although the scale has not yet been determined, the information will be passed as soon as it is available. ACBL masterpoints will be issued in accordance with normal ACBL regulations.

College Championship on OKbridge

The international flavor of last year's Worldwide Junior Collegiate Bridge Team Championship is expected to continue with the 2000 contest, sponsored by ACBL and scheduled on OKbridge April 8–9.

The 1999 competition, won by the Tritons of the University of California at San Diego, featured eight teams from the United States, two teams from Australia and one from Austria.

The team event is open to all Juniors (under age 26) who are currently enrolled at a college or university. Teams must consist of four or six players and at least two of its members must attend the same school.

To enter a team, register via email with Tony Reus (<u>Tuna@OKbridge.com</u>) before April 5.

Complete conditions of contest for this event may be found at the ACBL website (www.acbl.org) under the "Juniors" link.

The guide offers critiques of restaurants ranging from the five-star Maisonette to the home cook-

ing at Tucker's. Locations range from downtown to Mount Adams, an old artsy-craftsy community, to the west side of town to "across the not-so-blue Ohio River" in Covington and Newport KY.

Charlotte Blaiss, ACBL Director of Junior programs. The coupons are available only to Juniors who have not yet celebrated their 26th birthday and whose membership dues or Life Master service fee is current.

Child care is available daily through the second Sunday of the NABC in the Buckeye Room on the fourth floor of the Regal Hotel. The charge is \$20 to \$25 per session depending on the number of children.

The child care room opens at 12:30 p.m. and 7:30 p.m. daily.
