Milton Friedman

Milton Friedman, Nobel prize-winning economist and the father of ACBL member Jan Martel, died Thursday in San Francisco. He was 94.

In more than a dozen books, a column in Newsweek magazine and a show on PBS television, Friedman championed individual freedom in economics and politics.

"Milton's passion for freedom and liberty has influenced more lives than he could ever possibly know," said Gordon St. Angelo, president of the Milton and Rose D. Friedman Foundation in Indianapolis. "His writings and ideas have transformed the minds of U.S. presidents, world leaders, entrepreneurs and freshmen economics majors alike."

Marc Hodler

1918 - 2006

Marc Hodler, who used his role as vice president of the International Olympic Committee to push for the inclusion of bridge in the Games, died Oct. 18 in Bern, Switzerland, three days after suffering a stroke. He was 87.

Outside of bridge, Hodler was best known as the Olympics official who blew the whistle on vote-buying in Salt Lake City's successful bid for the 2002 Winter Games. The revelations resulted in several resignations of IOC officials and reforms in the selection process.

Hodler was a veteran bridge player who was a member of Switzerland's silver medal team in the 1979 European championships. He was also honored for contributions to bridge by the World Bridge Federation. A lawyer by profession, Hodler was a member of the IOC from 1963. He was a member of Switzerland's national ski team as a slalom racer and was coach of the team after a leg injury ended his skiing career.

National pairs events kicking off today

Three nationally rated pairs events start today – the Nail Life Master Open Pairs, the Smith Life Master Women's Pairs and the Miles Non-Life Master Pairs.

The open event is named after the late

Bobby Nail, a member of the ACBL Bridge Hall of Fame, four-time national champion and a runner-up in the Bermuda Bowl.

The defending champions in the LM Open Pairs are Zia Mahmood and Jill Meyers.

The women's event is named after the legendary Helen Sobel Smith, the first woman elected to the Hall of Fame. She is universally

considered the best woman player of all time.

She won 35 North American titles — the Vanderbilt twice, the Spingold five times and the Reisinger four times – and the McKenney Trophy (now the *Barry Crane Top 500*) three times.

Jill Levin and Malle Andrade are the defending champions in the women's pairs.

The non-LM event is named after Rufus L. "Skinny" Miles Jr., former ACBL president. More information on this event can be found on page 5. Defending champions are Mike Develin and John Barth.

It wasn't long before she started a game for newcomers at the club in Memphis, where she was born and reared. At the time, she was working as a group health claims examiner in a two-person insurance office.

Johnson kept learning about directing and running games, and she worked her first tournament in Memphis in 1976. A year later, she was on the floor with other TDs at the Summer NABC in Chicago.

She remembers meeting the late Peter Mollemet, also new to the NABCs, in Chicago. "We were in awe of the whole thing," she says.

Johnson's first marriage ended in 1976, and in 1983, she married national TD Karl Johnson, who she worked for and with at tournaments in the Midwest. They moved to Sebring FL in 1987, and Karl retired a year later. He died last year after a long illness.

Goodwill Message

Welcome to the 2006 Fall North American Bridge Championships in beautiful Honolulu HI.

Tournament Chair Busaba Williams and her committees have lined up a great schedule of bridge events plus tours, celebrity speakers and more.

Please join me in saying "thank you" to our hosts. Aileen Osofsky, Chair National Goodwill Committee

M.A.Lightman Bridge Club in

Memphis to take lessons.

At the time, Johnson knew nothing of the game and didn't foresee herself actually playing bridge. She was engaged to a bridge player, so she thought she would learn a bit about the game so she could relate to her fiance's hobby.

That first step took Johnson much farther in bridge than she ever dreamed. Today she is a national tournament director, ACBL field representative for Florida, Georgia and South Carolina and is tournament coordinator for the state of Florida. She has been running regionals for a decade and has earned a reputation as one of ACBL's best.

After the lessons from Lillian Goodman – "She was a great teacher," Johnsons says— Johnson showed up to play at the club, but there were no newcomer games at the time, so she sat at the front desk and learned about running games. These days, Patty spends a lot of time playing golf and working out at home in Sebring.

Having attended the University of Mississippi at the same time as legendary Ole Miss quarterback Archie Manning, Johnson now follows the exploits of his two sons, Peyton and Eli, in their professional football careers.

Reflecting on her decision to learn bridge all those years ago, Johnson says it was one of the best moves she ever made: "I met Karl through bridge, and bridge lets me travel and make friends – bridge has been fabulous to me."

Important note

In 2007, Marriott hotels will host each of the NABCs, in St. Louis, Nashville and San Francisco. Smoking is not permitted inside any of these hotels, including guest rooms.

Puamana - Tonight at 5:00 p.m.

Puamana is a family musical group whose mother was Irmgard Farden Aluli, a beloved Island composer of more than 300 songs. They are a recognized island treasure, and recipients of numerous honors. Puamana has performed in concert with the Honolulu Symphony and have performed many times on TV. They have received various awards for their contribution to the Hawaiian culture.

Tonight, Mihana and Aima will be sharing their heritage through their mother's music. Singing with them is Iwalani Kahalewai, another beloved traditional Hawaiian singer and ukelele player.

Please come and experience the beautiful music of these beautiful ladies F. Food @ 11 p.m. - No host bar, MacNut cookies.

Lion Dance - Saturday at 5:00 p.m.

Chinese Lion Dancing is an ancient folklore tradition that is used to express the festive celebrating of auspicious occasions such as birthdays, grand openings, weddings, graduations, housewarmings, New Year's celebrations and especially the Chinese New Year. Invigorating energy comes from the dance created by the active movements of the colorful lions and sounds of their musical instruments. The large drum is especially noticeable because it creates the cohesiveness of the Lion and the musical instruments.

It is the task of the players to bring to life what we know as a Muppet. The Chinese Lion Dance is an exciting and happy occasion. Many who know the tradition may be seen coming up to the Lion to "feed" the Lion a dollar or two for their own good fortune for many believe that that is what they will receive in exchange for their participation.

Food @ 11 p.m. - No host bar, Kalua Pig/roll.

Randy Hongo - Sunday at 5:00 p.m.

Randy Hongo is singer, pianist and composer from Honolulu. Six of his recordings have won the Nahoku Hanohano Award for Best Inspirational Album of the Year. An international concert artist, Randy will be touring Nagoya, Japan this Thanksgiving and Vietnam, Cambodia, Thailand, Japan and the U.S. mainland in 2007.

Hongo has performed in Hawaii's finest hotels, including the Hilton Hawaiian Village, the Kahala and the Halekulani Hotel, and has served as talent coach to several Miss Hawaii contestants. Randy is currently recording a CD of piano renditions of favorite Gospel hymns and his original compositions.

Food @ 11 p.m. - No host bar, Malasadas/pineapple turnover.

Whatever your belief is, it is all in good fun, and the dancers spend many hours learning and practicing their skills. To be a Lion Dancer, one must have been training in traditional kung fu for at least a year. We invite you to play with us and feel the energy of the Lion.

By Pat Harrington

Lucky you - in beautiful Hawaii at the NABC! Although your top priority is to play bridge and (we hope) win lots of masterpoints, I urge you to take advantage of the many activities that have been planned to make this tournament special for newcomers and intermediates like you. Check out the sightseeing tours, special parties and entertainment (with goodies). Be sure to take the time to listen to the expert players and teachers in the Celebrity Speaker Program each day. You might even get to put some of their tips to work! No matter how busy you are, don't miss two Bridge Bulletin columnists who are among my all-time favorite speakers - Jerry Helms today at 7:15 p.m. and Larry Cohen on Tuesday at 7:15 p.m. Jerry is also giving a free two-hour lesson on Saturday at 10 a.m.

If this is your first tournament, don't be nervous. You'll find plenty of helpful people in the special playing area designated for IN players. There is also a partnership desk. Get there early if you need a partner. Partners are guaranteed as long as you sign up at least an hour before game time.

There are a few things you should know about playing in a tournament. Each pair should have matching convention cards filled out. Completing a convention card with your partner can help you organize your partnership agreements, so it is helpful for you to comply with this regulation. However, the main reason is so your opponents can see how you play. Your convention cards are there for the opponents to look at if they have a question about the meaning of one of your bids (they can look at their turn to bid or play). You should not look at your own convention card as a memory aid. If you need help completing your card, get there early and speak to someone in New Player Services.

You will be using bidding boxes, which you will really like once you get used to them. The important thing to remember about bidding boxes is not to fiddle with bids while you are thinking about which want you want. Someone might "see" your thoughts. Wait until you have decided on the best bid and then remove that bid and everything behind it from the box. Take a good look on the way down. It can be a nasty surprise to notice a round later in the bidding that you pulled the wrong bid! A wrong pull can be corrected before the auction progresses with no problem. In the old days (when I was a newcomer), bidding boxes were not used regularly in tournaments. I remember the first time I encountered them. I was a bit nervous. My friend, who had attended more tournaments, was so smug. "I love bidding boxes," she proclaimed right before she made her first bid - out loud

This cartoon is from Jude Goodwin's new book, "Go Ahead, Laugh," published by Master Point Press.The book is available from bridge suppliers and major bookstores.

instead of silently with the bidding box.

The directors in the I/N games are a friendly lot. Don't be afraid to call them if anything goes wrong. Their job is to see that the game runs smoothly. And don't be embarrassed if you think you did something dumb. They've seen it all and probably done most of it themselves. Yes, hands have been played with no dummy. And I was once called to the table by a concerned player who had very carefully counted her cards before play. She told me, "I have 13 cards." I said carefully, "Yes, and that is a problem because. . ." We all had a good laugh. Sometimes you are concentrating so hard on bridge that you simply lose it for a moment. As nice as our directors are, you can limit director calls to your table if you count your cards before looking at them and when putting them back in the board. And make the opening lead face-down just in case it isn't really your lead. Enjoy your adventures as a newcomer. It's one of the best times of your bridge life! Good luck and have fun at the tournament.

Opening lead: A7

Bidding commentary: South is not strong enough to open, but is strong enough to accept North's invitational raise. Note: North does not count the ▲J as a point. Unsupported jacks in suits bid by the opponents are usually worthless – unless partner bids notrump.

Defensive commentary: After East cashes three spades, West must find a discard. As West, before discarding, ask yourself which suit you want partner to lead. If you said a diamond, think again. You want a spade! Look at your hearts. If partner leads a spade and declarer discards, your $\forall 8$ drives out the $\forall A$ and the $\forall K$ is the setting trick. If declarer ruffs with an honor (likely), discard, and your K-9-8 becomes a trick! At times you may want partner to give declarer a ruff and a sluff!

So how do you get partner to lead a spade? You make a discouraging discard in the suit partner will be tempted to lead, a diamond. If you discard the \blacklozenge 3, discouraging, it doesn't take an Einstein to figure out you want a spade. After all, how could you want a club?

Slow play, as opposed to careful or thoughtful play, is discourteous to your opponents - and to all other competitors as well. Players and pairs who take more than their allotted time are subject to penalty.

In general, pairs who are rarely late will be warned while pairs who are habitually tardy and/or pay no attention to time limits will be penalized.

NAP/GNT conditions of contest

The North American Pairs and Grand National Teams were created initially with the expectation that players would play in and represent the districts in which they lived. They were to be "grass roots" events.

Over the past several years, implementation of this original intent has become increasingly difficult. This is especially true in the top flight of the GNT as expert partnerships are established over increasingly large geographical distances.

Partnerships in all flights were also affected mostly where districts abut one another.

In an effort to restore the integrity of the original intent to these two great events, the ACBL Board of Directors, after lengthy and extended deliberations over two years, has approved for implementation the following measures:

Effective July 1, 2006 for the GNT 2006/2007 event.

Effective April 1, 2007 for the NAP 2007/2008 event.

GNT: A member's principal physical residence as of Sept. 1 of the year prior to the National Final shall establish the district in which said member is eligible to participate beyond the club qualifying stage, if any.

NAP: A member's principal residence as of June 1 of the year prior to the National Final shall establish the district in which the member is eligible to participate beyond the club level, if any.

In order to ensure that each participant at the unit or district level understands that a participant is affirming his or her eligibility, entry forms for unit and district finals should include the following statement: "By entering this event, I hereby certify, subject to penalties provided in the Conditions of Contest for the event and the ACBL Code of Disciplinary Regulations, that I am eligible to play in this event in this district."

It is expected that there will be virtually no exceptions to the residence requirements for participants in this event. A player seeking an exception must obtain permission in writing from the ACBL District Director representing the district in which the member has a principal residence and from the ACBL District Director representing the district in which the member wishes to play.

Both District Directors must approve the request for the exception to be granted. The player must begin this process by April 1 of the year prior to the National Final for the NAP and by July 1 of the year prior to the National Final for the GNT.

An ACBL Credentials Committee (CC), composed of ACBL Board members, has been established to clarify in which district a player is allowed to participate when said player's eligibility is in question. When a challenge to one's eligibility from a unit final stage or later stage has been made, the CC may request documentary evidence from the member whose eligibility is in question. If a member is unable to verify to the CC's satisfaction that he or she is playing in the district of principal residence, the

CC shall automatically disqualify the member and his or her partner and teammates (if the event is the GNT).

When a member is disqualified by the CC, the CC may refer the matter to the ACBL President. Upon such referral, the ACBL President may make charges to the ACBL Disciplinary Committee in accordance with section 2.2.3 (d) of the ACBL Code of Disciplinary Regulations.

The ACBL recognizes that implementation of these measures may inconvenience some members who were granted exceptions for previous events. The general consensus, however, is that implementation and strict interpretation of these measures is necessary to restore the initial intention ("grass roots") and, therefore, integrity of application of the conditions of these events.

Non-Life Master Pairs compete for Miles Trophy

Play begins today in the Rufus L. "Skinny" Miles Jr. Non-Life Master Pairs.

Mike Develin of Berkeley CA and John Barth of Santa Cruz CA were the 2005 winners of the contest.

The Non-Life Master Pairs features two qualifying sessions, followed by a two-session final. (Note: this event may be two sessions only, depending on number of entries.)

At stake is the trophy named for Rufus L. "Skinny" Miles Jr. (1907–1984) of Virginia Beach VA, ACBL president in 1950 and 1956. He was named ACBL Honorary Member in 1952.

Miles, an investment executive, was a member of many ACBL administrative committees for nearly two decades. He served as president of the Mid-Atlantic Bridge Conference and as non-playing captain of the North American Bermuda Bowl team in 1957 and of the U.S. team in the World Team Olympiad in 1960.

Making a difference

Friday, November 17, 11:30 p.m.

Coral Ballroom

single

There are many people who make a difference in this game we enjoy. This section of your Daily Bulletin recognizes individuals who have contributed time, talent and other resources for positive change. Although space constraints limit what can be communicated about each person's contributions, we are sure that you will agree that each individual has made a lasting impact on this wonderful activity called bridge.

Dr. Joanne Clark (In Memory)

Joanne changed the face of the Bridge Club in Kona, Hawaii. She was not only instrumental in the design of plans for the facility that houses the games, she also expanded the membership through education for adults and students in schools. She brought community awareness to the club through publicity and potluck gatherings that provided opportunities for attendees to enjoy a positive experience with bridge. Joanne's energy and commitment within the bridge club were boundless. Each time we play in the beautiful facility overlooking the ocean we remember Joanne and the legacy she gave to the Kona Bridge Club.

Jim and Joe wish all NABC attendees a warm Aloha and Good Luck!

Margaret "Peg" Slocum (In Memory)

Peg became a certified director before she had any recorded masterpoints. She went on to own two bridge clubs, manage several others, teach bridge to countless others and provided enormous support to Unit 461 and District 20. Peg was famous for starting all her classes with a joke. She served as President of Unit 461 for two years and was Area Representative of the District 20 Board of Directors for four years. During those four years she served as Vice President and President of District 20. Jeff Taylor, District 20 Director, says, "It was a sincere pleasure to work with Peg Slocum on the district board. She was always the voice of reason during serious discussions. We will miss her wonderful sense of humor."

Robert Blaine Thomas, Ph.D. (In Memory)

enjoys a passion for bridge. Ray wishes all attending this event a fond aloha and best of luck at the tables.

\$12/team/match

Hal Good (In Memory)

Hal was born and raised on Oahu, Hawaii. He enjoyed a reputation in bridge circles as one of the nicest and best bridge partners anyone could ever hope to have. When invited, he had been known to travel to Kona for one of his many friends and bridge partners. Hal represented the "standard" by which others should judge their behavior at the table. Hal would have encouraged all of us to, "Enjoy the tournament but most importantly, 'Live Aloha' while you are in Hawaii and take as much home with you as you can carry."

Aloha 199/299ers

A special thank you to those who help encourage the "newer" bridge players. We sincerely hope you enjoy the North American Bridge Championships (NABC) and take full advantage of the many opportunities to play and learn during this tournament. Anonymous donors have contributed to this event in an effort to specifically advance the interest of 199/299ers. Good Luck!

Jim O'Hearn and Joe Cunningham

Jim and Joe are pleased to sponsor the first Compact Bracketed Knockout Teams on Friday and Saturday. Jim was born in Fall River MA and lived throughout Asia. He has traveled to many interesting international locations. As a retiree living in Honolulu, Jim has set the lofty goal of improving his bridge game sufficient to one day outplay his wife, Sabrina. Jim concedes this is probably more a dream than a goal.

Joe Cunningham is an excellent bridge player who understands that discipline and focus are essential to success at bridge. He is not only a good father to his children but also a positive role model and mentor.

Blaine was a director at the Kona Bridge Club and a major financial contributor in funding the construction of the bridge facility in Kailua Kona. Blaine managed and directed the Waikoloa and Mauna Lani Bridge Clubs. Blaine gave private lessons to select friends, and it was considered an "honor" to be invited to be a student in one of his sessions. Blaine returned to Beaumont TX in 2004. Shortly after this move he was diagnosed with an illness. Blaine passed away in 2006. His friends in Hawaii, Texas, Asia and elsewhere will always remember his love for the game of bridge and his many contributions

Raymond Lo

Ray was the first person to commit as a sponsor for the 2006 Fall NABC. He is a successful restaurant owner/operator, a world-class photographer, pianist and a wonderful bridge player and partner. Ray is a strong competitor who

Dr. John S. Spangler

Aloha and welcome everyone to Hawaii and the NABC. We hope you will enjoy the tournament and the many attractions Honolulu and Hawaii have to offer. We know you traveled a great distance to play bridge. We want to encourage each of you to enjoy each game, play to your potential, be patient of others and have fun. Too often, the fun part of bridge gets pushed aside in our other pursuits. When you return to your homes, we wish you fond memories of the NABC and our wonderful state. Aloha.
