# **TDs from Texas**

Check this space each day for profiles of Texas-based ACBL Tournament Directors that are working here at the Dallas NABC.

> Bob Craig is a part-time director from El Paso, the city on the extreme western edge of the huge state of Texas.

"El Paso is so far away, it's even in a different district from most of the rest of the state," said Craig, who noted that most of Texas is District 16, but that extreme west Texas is part of District 17, which includes New Mexico, Arizona, Colorado and parts of Nevada and Wyoming. (The

panhandle is part of District 15.) Craig has

been a tournament director for 15 years. He and his wife Peggy run all the games in El Paso, where Bob is also a bridge teacher.

Craig learned to direct out of necessity.

"When I was younger I lived in Warren OH,

and the place was struggling for directors. A local TD offered to teach me how to direct, and I decided I needed to do it. I've been a lifelong bridge player, and I believe I have to give back to what bridge has given me."

Now retired from General Motors, for whom he worked for 27 years, Craig devotes his attention to club and tournament directing.

As with all directors, Craig has his share of amusing stories.

"While working by myself at a recent sectional, I received a director call. No hand was raised, so walked to the part of the room I heard the call come from and asked, 'Who called, please?' Still no hand appeared, so I said, 'Would someone please give me a hand?' The entire room broke into applause."

Another trait that Craig shares with his fellow TDs is his love of working with the public.

"I get along with players, and we all have fun.

# Berkowitz, Cohen claim second Silodor Pairs title

Bulletin

David Berkowitz (left) and Larry Cohen won the foursession Silodor Open Pairs on Saturday, reprising their victory from two years ago at the Spring 2004 NABC in Reno NV.

Dallas 2006

The winners posted a 66.25% score in the first final session and paired it with a 63.06% effort in the evening. "We got the

timing right," said

Cohen. "We got all of our gifts today instead of yesterday," he said, referring to Friday's qualifying round in which the duo survived the cut, but were far behind the first-day leaders.

"Yesterday, they were killing us."

In Saturday's two-session final, there were 156 pairs.

This is the 11th NABC victory for the Berkowitz-Cohen partnership, and their 21st each individually. Most recently, they were members of

# A partnership game: AARP and ACBL

ACBL CEO Jay Baum had a dream. The AARP decided to host games for its members at ACBL tournaments, tapping into the organization's resource of 35 million members.

Baum awoke in Dallas, only to find himself introducing Marty Davis, AARP director of campaigns and special promotions, at the ACBL Board of Directors meeting. Together they announced a partnership between the two organizations, featuring five AARP member games at tournaments this year - and the first opportunity to bring the ACBL to the attention of the AARP's 35 *Continued on page 4* 

last year's victorious squad in the Vanderbilt Knockouts. Berkowitz and Cohen were silver medalists in the World Open Pairs at the world championships in Lille, France in 1998.

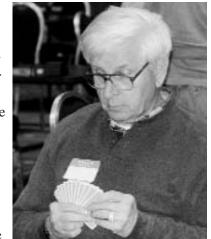

Berkowitz and Cohen, both of Boca Raton FL, earned a two-session total of 2661.05. Top was 77.

In second with 2608.21 were New Yorkers Zia Mahmood and Fred Chang with 2608.21. Third place went to John Kranyak of New York and Ron Smith of San Francisco with 2547.81.

# First new Life Master

The first person to become a new Life Master while playing at the Dallas NABC is Jim Lang of

Corpus Cristi TX. Lang received a 14k gold Life Master pendant in honor of the achievement. The pendant was provided by the Bridge Gold Group, who makes a variety of bridge-related jewelry available at the ACBL Product Store.

major-suit is still best, but if you're deciding between notrump and a minor, play a suit contract if you have a fit and you're in a part score.

Overcall freely. Don't be afraid to make light, lead-directing overcalls at the one-level especially when you're not vulnerable and your opponent opens  $1 \Leftrightarrow$  or  $1 \diamondsuit$ . If you have to go to the two-level to bid your suit, though, be somewhat cautious. For a two-level overcall, you should have a good suit (a strong five-carder or, better, a six-card suit or longer), especially if you're vulnerable.

Raise partner's suit freely. Even if you're light in high-card points, stretch to raise partner if you have a fit for his suit, especially in competitive auctions.

Sacrifice more often. If you have a good fit, sacrifice freely if your opponents are vulnerable and you are not. But be very conservative when you're vulnerable.

Don't "sell out" too low. If the opponents stop

to a partscore you think you could have made, but your opponents bid over it, a double is sometimes necessary for you to get even an average score (be very careful in choosing when to use this tip!).

Use a simplified form of the "Law of Total Tricks (trumps)" for competitive decisions. If your side has hearts, bid 3♥ over their 2, but hesitate to bid 3over their 3 v without a nine-card trump

fit. If this doesn't work out, send Larry Cohen a note.

#### The play

Make "normal" opening leads. Don't try for a top by choosing an unusual lead. Against most contracts, choose a safe, non-deceptive opening lead.

Look for overtricks. Unlike rubber bridge, it's sometimes right to make a fairly risky play trying for the overtrick – especially when you're in a "normal" contract that you think will be bid by other pairs.

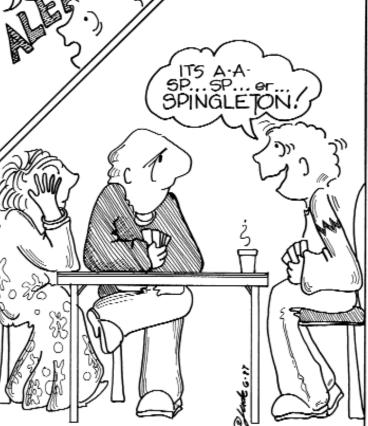

Play it safe if you're in an unusually good contract. Go for the plus score if you're playing or defending a contract that won't be bid at most tables.

Fight for every trick. Don't claim with an obvious loser. Play all your winners out. The defenders may go wrong and make a mistake in

with 4-4 in the majors is less than 3%!

Defensive commentary: East plays three rounds of hearts - attacking either black suit could be risky.

Play commentary: The fate of the contract depends upon finding the AQ, a suit that can be finessed in either direction. South does best to go for a count in the other suits before touching spades. Also, when counting a hand, if one player is known

their discards. Besides, torturing the opposition is one of the two reasons I play bridge (torturing my partner is the other).

Defense wins. You must defend very well, fight for every single trick. This is the difference between winning and losing. You aren't necessarily trying to beat the declarer at all times, just everybody else sitting in the same direction.

Here's a formula for success: take your tops and try for average the rest of the time.

The author, who lives in Danvers MA, is director of bridge services for World Winner Bridge (formerly ACBL

Online). He is an ACBLaccredited teacher and club manager. He is also former president of the Eastern Massachusetts Bridge Association.

Next, the K, A and a club ruff reveals that West has turned up with 11 cards outside of spades and can have at most two in the suit. Translation: East started with at least five spades and is a 5-2 favorite (21/2 times more likely) to have the queen than West. Declarer should play the A and run the jack through East.

When missing a queen in a "two-way suit," go for the count in the other suits. Once you have

Bidding commentary: West puts pressure on the opponents by bidding  $4 \mathbf{v}$  with a potential eight-winner hand. North has little choice but to raise to  $5 \blacklozenge$ . Chances of opener having a short diamond are less than zero! If South has a short diamond, he will be 4-4 in the majors. With North having three hearts and given West's preempt, South cannot have four hearts. Even without the preempt, chances of a short diamond opening

to have a long suit, zero in on that player. After ruffing the third heart, trumps are drawn. Now South knows West started with seven hearts (East showed out on the second heart) and one diamond. the count, assume the player who started with the greater length in the key suit has the missing honor.

#### million members.

The partnership has been developing over the past two years, beginning when the ACBL exhibited at the annual AARP National Meeting in Chicago.

"I was overwhelmed by the response our members had to your booth," Davis said. "In fact, it forced me to stop in the aisle because I couldn't get through the crowd. A year later, it was repeated in Las Vegas with even more intensity. It became apparent to me that we were missing an opportunity."

Coincidentally, the incoming president of the AARP Board of Directors, Erik Olsen, is an avid player and new member of the ACBL.

"This is one of the greatest opportunities we have had to reach out to the 50-plus audience," said Baum. "We know there are millions of bridge players in North America and in the AARP. We're going to show them just how much fun bridge can be."

AARP will promote the games as the Bridge to Anaheim, with winners qualifying for a final event at the 2006 National Meeting in Anaheim Oct. 26-28. These events draw up to 30,000 participants, with entertainers such as this year's Elton John. AARP also will provide space for bridge lectures and social games.

Tournaments selected for the games are regionals in Alexandria, Phoenix, Seattle (Puget Sound) and Atlanta and the Chicago NABC. Schedules will be posted in ACBL and AARP publications and web sites.

Regional games will be limited to AARP members with 0-5 masterpoints. Membership in the organization will be available at the sites for \$12.50.

### **New Life Masters**

**Sue Kimbree**, of Houston, earned her gold card in the Bracketed KO on Friday. Her teammates are: Darlene Moody, Donna Maddox and Jodie Fetzer, all of Houston. She needed .25 gold points.

**Jan Hart** also made Life Master on Friday playing in the Bracketed Knockout. Her teammates are Mary Adams, Richard Cunningham and David Pennington. All four are from Temple TX.

Joy Humphreys, Wayne NJ, became a Gold Life Master earlier this tournament. She had some slight difficulty when her husband, Burrell, opened 1♠ and she bid 4♥ intending it as a splinter bid. Burrell had other ideas and passed. Luckily hearts split well — 6–5. The Daily Bulletin staff congratulates Humphreys, who passed the Gold Life Master plateau with a smile.

## **Disclosing Agreements**

Law 40C tells the director that if he believes that a side has been damaged through their opponent's failure to fully explain the full meaning of a call or a play, he may award an adjusted score.

This law creates responsibilities and obligations for both sides at the bridge table. The side making a bid or play must follow the Laws and the Regulations to ensure that their opponents are as aware of the meanings of such actions as they are. The opponents also must take pains to ensure that they are aware of what is going on. It is a two-way street.

What that means is that it is incumbent on the bidder's side to ensure that their opponents are aware that an Alert or Announcement has been given. ACBL regulations require that a player making an Alert or Announcement should both display the Alert Card or tap the Alert Strip and make a verbal announcement. If a player doesn't

# Great play on a bad board

do both, and an opponent does not hear the Alert, the bidding side will be held responsible.

The side that is being Alerted is responsible to clarify the situation if they are in any doubt about what an opponent's bid means. This is accomplished by asking when it is one's turn to bid or to play. If you are not sure about the meaning of any call or if you suspect that the opponents may be having a misunderstanding but do not clarify the situation, you may lose your rights to an adjusted score. Many experienced players do not like to ask when they think that something is going on for fear that their opponents will be able to recover if they ask, but it is helpful to remember that any information that arises from something other than the calls made in the auction and the cards played is extraneous and may be unauthorized. What that means that if you ask, and it turns out that the opponents are having a misunderstanding, the director will protect your side if they use the unauthorized information arising from the question to straighten out their misunderstanding. If you don't ask, and it turns out that your opponents were having a misunderstanding, you may not be able to claim damage as a direct result of the misinformation.

Thus, if a pair fails to Alert a conventional call about which they have an agreement, such as Flannery, they have committed an irregularity for which there could be a penalty if the opponents are damaged as a direct result. However, if this occurs against an experienced pair who may reasonably be expected to know that 2 ◆ may be Flannery or who may expect that to be the case, but do nothing to clarify the situation, they may not get any relief even though there has been an infraction.

#### By Barry Rigal

This deal occurred in the first qualifying session of the Silodor Open Pairs. I was playing with Eric Leong (East).

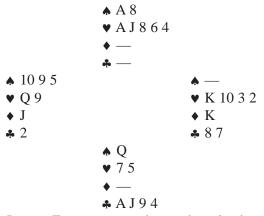

North-South can make 3NT since diamonds are 4–4, but our opponents stopped in 3.

On the  $\diamond Q$  lead, ducked all round, West shifted to a spade hoping that partner could ruff.

Declarer won in hand, played the A, ruffed a diamond, then passed the Q to West's king.

The defense took their spade ruff, leading to this position:

Leong, East, now saw the need to play hearts — if he does not, declarer makes 10 tricks. What's more, Leong found the  $\forall K$  play, an attempted Deschapelles coup. If declarer takes the  $\forall A$ , then West gets in with the  $\forall Q$  to give East a second spade ruff.

Declarer Bud Biswas, however, was not born yesterday. He ducked the  $\mathbf{\Psi}$ K, won the next heart, ruffed a heart high back to hand and drew trumps for plus 110.

# Leventritt Silver Ribbon Pairs

The Leventritt Silver Ribbon Pairs — open only to players who are at least 55 years old and who have pre-qualified by placing first or second in a regional- or national-rated senior event — gets underway today. The Silver Ribbon

Pairs consists of two qualifying and two final sessions. The winners will have their names inscribed on the Leventritt Trophy and will receive a certificate of recognition.

Last year's winners were the New Jerseybased pair of Bill Esberg and Marla Chaikin, the first national championship for either player.

The trophy honors Peter Leventritt of New York, ACBL president in 1954 and assistant treasurer 1945–46. He served as president of the Greater New York Bridge Association and the Card School of New York, which he co-founded.

Leventritt (1916–1997) pioneered the use of the Schenken System in partnership with its inventor, Howard Schenken. He represented North America in the Bermuda Bowl and placed second in 1957, 1961, 1963 and 1965.

### Points of interest By Mark Horton

This deal (rotated for convenience) from the first qualifying session of the Silodor Open Pairs contained a number of interesting points. As is so often the case, they revolve around the quest for an all-important overtrick.

North-South usually had no problem reaching 4♠ and West had no difficulty with the opening lead, the ♥K being an obvious selection.

Declarer wins in hand and although there is a choice of plays in the diamond suit it looks best to try for the ruffing finesse. Accordingly, declarer crosses to the  $\diamond A$  and advances the queen. If East plays low (covering with the king simplifies matters for the defense) declarer discards his losing heart and then plays a club.

If East plays low declarer puts in the 10 and West wins with the king. Declarer ruffs the heart return, ruffs a club, ruffs a heart, ruffs a club, cashes the ♠K, ruffs a heart, and can then cash the ♠A and the ♣Q for no less than 11 tricks. (Phillip Alder was one of the few to achieve this number.) Let's go back to the point where declarer played the ♣2 from dummy. If West takes the trick with the ace these cards will remain:

On the lead of the  $\diamond$ K, Becker ducked. He won the diamond continuation and led a club to the king. Then he led his third diamond. If he ruffed this in the dummy, East would be able to overruff, so Becker countered by pitching the heart from dummy, as did East.

West shifted to a low heart. Becker ruffed and led a club, ruffing in hand. He cashed the A, ruffed another heart in dummy and cashed the A. When West could not ruff, he knew this was the position:

# The Vanderbilt Knoc

The premier event of the Spring North American Championships is the Vanderbilt Knockout Teams, which gets underway today. The history of the prestigious contest stretches back to 1928 when the man who invented contract bridge, Harold S. Vanderbilt, put the trophy bearing his name into play.

The winners list is a who's who of bridge, a parade of the titans of the game. As part of the ACBL's ongoing archiving project, photos of some of the winners and runners-up (some of which have never appeared in print before) are included with this history.

#### The Vanderbilt Trophy

The Vanderbilt Trophy for the Vanderbilt Knockout Teams was donated in 1928 by Harold S. Vanderbilt, who won the event in 1932 and 1940.

The Vanderbilt was contested annually in New York — as a separate championship — until 1958 when it became part of the Spring North American Championships.

Vanderbilt winners receive replicas of the trophy — a practice initiated by Vanderbilt from the first running of the event and perpetuated by a \$100,000 trust fund administered by ACBL under the terms of Vanderbilt's will.

On display at ACBL Headquarters in Memphis are replicas donated by the families of Caroline Taylor, who won the Vanderbilt in 1928, and Helen Sobel Smith, a Vanderbilt winner in 1944 and 1945.
