TDs from Texas

Check this space each day for profiles of Texas-based ACBL Tournament Directors who are working here at the Dallas NABC.

> Bridge clubs and tournaments thrive when players volunteer. Just ask Tom Whitesides of Dallas. "When I started playing duplicate

bridge, I lived in east Texas. There were no clubs, however, and nobody wanted to start one," he said.

So, while still in college, Whitesides took it

upon himself to start a club in east Texas.

After college, Whitesides moved to Dallas where he began a club there, too. As with other directors in this series, however, a twist of fate got him involved in tournament directing.

"In the late Seventies I attended a sectional in Oklahoma City, run by the late National TD Ken Stone and his wife Mary. The turnout was much larger than expected and they desperately needed help, so I pitched in," he said.

Whitesides became more and more involved in the tournament directing scene over the years, where he eventually earned the rank of National Tournament Director. Whitesides — who, in addition to his bridge career, also was a florist for 10 years — became one of ACBL's Field Representatives, the director in charge of other directors in a geographic region. In Whitesides's case, it's District 16 (most of Texas and Mexico) and District 17 (Arizona, Colorado, New Mexico, and parts of Nevada, Utah and Wyoming).

As Field Representative, it's Whitesides's job to assign directors to various tournaments throughout this region, and to write evaluations

Today's Goodwill Message

"Only a few of us will win championships but all of us can win new friends. And, unlike the coveted silver trophies, we keep the friends without

having to win them again and again." The late Dick Frey, editor of The Bridge Bulletin, wrote

these words in 1960, but they are still applicable 40 years later. Aileen Osofsky, Chairman National Goodwill Committee

Upsets abound in Tuesday's Vanderbilt action

Of the sixteen matches in yesterday's Vanderbilt Knockouts, six saw lower-seeded teams defeat their higher-ranked opponents.

The #2 seed led by George Jacobs lost to original #34 seed captained by the similarly named Dan Jacob 114-102.

Also out is the original #4 seed (Weed, npc) led by Jimmy Cayne. They were ousted by the Dutch squad Team Orange (#36 seed), 130-49 in three quarters of play.

Reese Milner (#10) got shown the door by Mike Moss's (#23) team, 156-107.

Rainwater, Jarigese lead Mixed Pairs

Ross Rainwater and Jackie Jarigese of Vancouver WA are narrowly in first place in the Rockwell Mixed Pairs after Tuesday's qualifying round.

Rainwater and Jarigese posted a two-session total of 793.50

In second with 791.14 are Mike Cappelletti Jr., and Bronia Jenkins. Third were Joan Jackson and Norman Beck with 789.21.

296 pairs entered the event, and 156 pairs survived to today's two-session final.

Pickup slips a thing of the past?

At last fall's World Championship in Estoril, Portugal, North American players saw something new in the pair games. Instead of filling out a pickup slip after each round was completed, North entered the contract and result onto a hand-held, wireless device called Bridgemate. East or West pushed a button to confirm the result after checking the entry. Each table had its own device.

"Bridgemate acts like Wi-Fi, except that it has a different radio frequency," said its creator, Ron Bouwland, who was here in Dallas earlier this week. "The results are sent to a central receiver which is connected to a computer that does the

ACBL's past being preserved

Archival of the bridge bridge history is moving into high gear. Plans to create a virtual museum on the ACBL web site are well underway.

"These artifacts are irreplaceable," said Victoria McCullough, archives specialist. The artifacts include pictures, photos, books, videos and movies. "We haven't been preserving them properly. They should be available to future members. We want to have a record of where we were then and where we are now," she added.

McCullough uses a sophisticated software package which helps organize the matter by date or subject. The long-term goal is to have this completed by 2012, the ACBL's 75th anniversary. She hopes to be at a point where new material can be added.

"We plan to have an exhibition at the Chicago NABC this summer," said McCullough. "We will have examples for bridge players to see exactly what we are trying to preserve."

The Goren Club is an offshoot of the project. The ACBL is producing a full season of "Championship Bridge with Charles Goren" on DVD. A booth has been set up near the Landmark Ballroom (Lobby Level) and ACBL members have supported the project with \$10 donations. On Saturday, \$480 was collected and on Sunday, \$780, including a \$500 donation by TD Peter Marcus.

At the Monday evening meeting of the ACBL Goodwill Committee, Goodwill Chair Aileen Osofsky introduced the 2005 Presidential Volunteer Members of the Year: Cindy Kirk of Novato CA and Roni Gitchel Atkins of Pittsburgh PA. With them is District 5 Director Sharon Fairchild.

Naked king, flying jack

South was declarer in 4♥ after an auction in which South showed a strong (18-20 HCP), balanced hand.

Gwozdzinsky, West, led the AJ, won by declarer's ace. A heart to dummy's queen was followed by a club to the queen and Gwozdzinky's ace. She exited with a trump to dummy's ace.

Declarer drew the last trump, Gwozdzinsky pitching a club, and continued with a club to dummy's king. The \$10 was called from dummy as Herman, East, pitched a diamond perforce. Declarer ruffed and played the last trump, on which Gwozdzinsky discarded the \$7 in tempo, baring the king.

This was the position:

Declarer cashed the $\bigstar K$, took the spade finesse, cashed the $\bigstar Q$ and played a diamond. Herman alertly flew with jack, trying to make it

appear that his last two cards were the ♦ K J. Declarer pondered this for a moment before finally deciding to take the finesse. Gwozdzinsky claimed the last two tricks.

Holding declarer to 10 tricks was worth 11 out of 13 matchpoints.

Play in a world championship

Your chance to play in a world championship without having to win a trials event is just around the corner — the 8th World Bridge Championships in Verona, Italy, this June.

Play begins June 10 with the Mixed Pairs and continues with a full slate of events, concluding June 24. Besides the Mixed Pairs, there are the Rosenblum and McConnell teams (open and women's respectively), Senior Teams, Open, Women's, Senior and IMP pairs.

All events are transnational — teams or pairs may be made up of players from any countries. There are no quotas or restrictions, but you must register for the tournament before May 8 through your national bridge organization. For players in North America, that would be the ACBL or the Canadian Bridge Federation. If you have questions, you may contact Ann Gudge, World Bridge Federation liaison, at anna@ecats.co.uk.

Verona is one of Italy's top cities, famous internationally as the setting for Shakespeare's Romeo and Juliet. Players who are interested in the rich culture and heritage of the area (Verona is only 68 miles from Venice) will find much to enjoy.

The playing facility is a modern, air conditioned convention center.

JUST FOR NEW PLAYERS

Sweeping out the corners of the bridge mind

By Bruce Greenspan

Well, it's almost time to go. Let's hope a few of the synapses are still firing. Most people don't think of bridge as a physical activity, but several days of intense concentration can be grueling. Many matches are won or lost at the very end of the session. Keep focus, stay in the present and

as the Grateful Dead sang, "Keep on truckin."

Most bridge expressions are totally meaningless. Eight ever, nine never is one that pops to mind. Often, a decision about finessing for a

queen depends on whether there a dangerous opponent (no, not your partner). If you have a nine-card suit, but you can avoid losing the lead to the dangerous opponent by taking a finesse, take the finesse. How can you tell the dangerous opponents? The player in a position to play through an unprotected honor is the dangerous opponent. Look at this layout:

Dummy **♠**K 6 5

In this scenario, your left-hand opponent is the dangerous opponent. If RHO leads spades, you are guaranteed a spade trick. If LHO gets in, the next thing you know a spade comes flying through. If RHO has the ace, your king is dead.

Another meaningless expression: when in doubt, lead a trump. There is usually a clear

indication that a trump is the right lead. For example, if the opponents end up in a secondary suit, lead a trump. Say the opponents bid without competition: 1 — 1NT; 2 — Pass. This screams for a trump lead. Dummy probably has one spade, and declarer is going to crossruff for his contract. Lead trumps early and often. Another occasion that calls for a trump lead is when you are strong in declarer's secondary suit and you think he's going to try to ruff that suit in dummy.

One expression I believe in is "6—5 come alive." If I had a choice between a 18-point flat hand or a minimum opening hand with a six-card suit and a five-card suit, give me the latter every time. Long suits provide tricks.

A couple of defensive tips: when you break a new suit in the middle of the play as a defender, use attitude leads. The lower the card, the more you like the suit. A high card says if you win trick, do something else.

Make the defense easy for partner. Inexperienced players rarely overtake a trick partner is going to win and hope that partner will do the right thing. I often tell my partner, "There is no hope in bridge." If you know what to do, overtake the trick.

Two final notes. I see so many players who turn from Dr. Jekyll into Mr. Hyde as soon as they enter the bridge room. We play the greatest game ever invented, and yet so many take the joy out of it. I know I'm an atypical bridge player, but one time playing in a club game against a lovely woman, her partner bid Blackwood and she responded. Now, her partner bid 5NT and she blurted out, "I don't know what that means." I said that her partner was asking you how many kings she had. She asked me how

to answer and I told her that it was just same as aces. At first, my partner squinted at me, but later she smiled and thought it was a great thing to do.

One of my role models was the late Tom Belle. He was an excellent player, but an even better person. No matter how badly he got fixed or how terrible a mistake his partner made, Tom would always have a smile and quip. You could not have a better partner, and I have resolved to be more like Tom. See you at the table.

Opening lead: ♥9.

Bidding commentary: South's takeout double followed by bidding a suit typically shows 17-18 high-card points with five cards in the bid suit. Given this, North's leap to 4 is reasonable. 3 is also a possibility. Passing is beneath contempt!

Lead commentary: The lead of a high spot card in partner's unsupported suit shows a singleton or doubleton. With three (or four) low ones, the lowest card is the proper lead.

Defensive commentary: East knows from the lead that three hearts are cashing.

Further defensive commentary: On the third heart, West has a choice of discards — a low club or a low diamond. Any difference? West can "see" that the contract will be defeated if East plays a fourth heart, promoting West's ♠J to the setting trick. In order to encourage East to lead a heart, West discards a low club, denying interest in the suit partner will be tempted to lead. East is not about to lead a diamond! Important concept.

Further defensive commentary: When East

sees the discouraging club and glances at the impressive diamonds in dummy, East should play a fourth heart, looking for a trump promotion, ruff-sluff or no ruff-sluff.

Gold Point event

There will be a two-session 0-49er Gold Point event today. Each partnership must play both sessions and must be ACBL members. This is the only Gold point event that will be held in the IN area.

Celebrity lecture series continues

There's no such thing as a free lunch. There are such things as free bridge lessons and they are a great opportunity. Forty-five minutes before the afternoon and evening gametime, celebrity bridge players give talks and answer questions.

Jerry Helms, a regular contributor to the *Bridge Bulletin*, spoke Saturday. "I stay pretty busy for a man without a job," he said, referring to the fact that he is a full-time player and teacher.

Here are some "Jerryisms."

- "What you should bid depends on your preferences and your partner's sense of humor."
- "The only issues are where and how high. Go slow until you know where to go. When you know where to go, get there in a hurry."
 - "I believe in what I call North Carolina

scoring."

The devices are about eight inches by four inches and runs on batteries. Bridgemate sends its signal using encryption. That means the data is encoded for protection. Sending the signal after each hands results in real-time delivery to either the Internet or to Vugraph.

The ACBL is considering using Bridgemates at tournaments and distributing them for units or clubs that may wish to purchase them. Using Bridgemate devices, fewer caddies are needed. Directors can be assigned to other duties. The initial cost, however, is an important issue.

Bouwland comes from a bridge-playing family, but doesn't play bridge himself. Eight years ago, a tournament director in his native Netherlands asked him how to get rid of travelers and an idea was born.

Bouwland's background is business, not computers, so he formed a team that included hardware and software engineers. Beginning in 2000, Bridgemate was used in clubs in the Netherlands. Initially, there were some flaws, but soon these were ironed out. In October 2004, the European Bridge League used Bridgemate in its Champions Cup. Then it was used again in the Open European Championships during the summer of 2005. In two weeks, over 75,000 scores were processed.

Bridgemate is currently used in Australia and the Scandanavian countries. France and Italy are considering it.

Besides tournaments, local clubs can also use the devices. After entering the result, a button can be pushed that allows Bridgemate to show results that look like a traveling scoresheet.

Cell phones

Cell phones, audible pagers or any similar communication equipment may not be operated or operable in the playing area during a session of play at NABCs except for health-related equipment or by permission of the director-in-charge of the tournament or event.

TOURNAMENT APPEALS

In order to keep the bridge public informed of appeals results in a timely fashion, the NABC Daily Bulletin staff publishes write-ups. Every effort is

made to ensure that these reports are accurate and complete. However, before they are published in the NABC Appeals Casebook revisions may be made.

♣ AJ 10 7 5

(1) Strong and artificial.

(2) 8+ high-card points, game forcing.

(3) Transfer to spades.

(4) Break in tempo.

The Facts: 1♣ bid was strong and artificial, showing 16+ HCP if unbalanced. 1NT denied a four-card major or a five-card minor and showed 8+ HCP (game forcing) and a balanced hand. 2♥ was a transfer to spades and was duly alerted. 2. showed exactly a doubleton spade (hence a 2-3-4-4 pattern). There was a break in tempo before South bid 5♣. The final contract was 6♣ making six, on the opening lead of the VA; plus 1370 for N-S.

The Ruling: The directors consulted with three (unnamed) world-class players, each of whom said he would not pass because his hand was so good. The directors decided that pass was not a logical alternative and allowed the table

result to stand.

The Appeal: There was no dispute that there was a break in tempo. E-W argued that North, by bidding 4♣, had shown significant extra values and was "bid out." With a weaker hand and a weak red suit, she could have bid her other red suit, else bid 3NT. The hesitation made it likely that South had the needed red-suit controls.

The Decision: The committee partially agreed with EW's assertion about the 4. bid, but thought 4. would also be bid with certain prime minimums, e.g.,

♦K x ♥x x x ♦x x x x **♣**K Q x x, $A \times X \quad \forall A \times X \quad \Rightarrow X \times X \times \quad A \times Q \times X.$

They noted that South would not have shown clubs with 5-2-2-4 shape unless interested in slam; if not, she would have just bid 3NT. Therefore, when South bid 5*, she was marked with extra distribution and a minimum for her previous auction. The finite, but small possibility that South had two losing hearts, did not make pass a logical alternative; on all other hands, slam should be laydown. (A slam that is cold 75% of the time, and has no play the other 25%, is still a good slam, although not in the familiar sense. For this hand.a 75% estimate is conservative.)

The only hand presented to show that 64 had any danger was:

♦AQJxx ♥Jx ♦K ♣AJxxx

Accordingly, the committee decided that there was no logical alternative to bidding 6♣ and it ruled that the table result was to stand. (The possibility that South's slow 5. call did not demonstrably suggest slam interest as opposed to doubt about strain was also considered in passing but not pursued since the first argument was persuasive.)

E-W, experienced players, should have recognized that North with four super cards opposite a black two-suiter in the 16+ HCP range, had a slam drive, even without the matchpoint considerations. The possibility that slam might go down opposite a particularly poor and carefully chosen South hand, does not make pass a logical alternative for North. Having tried and failed once with the director, E-W should have known to give up their pursuit. Therefore, the committee gave the EW pair an Appeal Without Merit Warning.

The Committee: Bart Bramley, chair; Ed Lazarus, Bruce Rogoff, Michael Huston and John Solodar

Silver lining

Lew Finkel and Gaylor Kasle won the Leventritt Silver Ribbon Pairs that ended Monday evening by the healthy margin of two boards. Here are two deals (rotated) that helped them to victory.

Finkel led the VJ, overtaken by Kasle with the king. He immediately switched to a trump. Declarer tried a second round of hearts hoping to be able to ruff a third round later in dummy, but Kasle won the ace and played a second trump.

This defense held declarer to exactly eight tricks, earning the winners 53-1/2 out of 65 matchpoints.

The very last deal they played on Monday featured Finkel in action as declarer:

3NT was "gambling," promising a long, strong minor suit with little else on the outside.

4. asked the preempter to pass or correct. East, of course, bid diamonds, and only now did Finkel enter the auction with 4.

West began with the two top clubs and then gave his partner a club ruff. East then tried the • A, but Finkel ruffed and took stock.

Since East likely had an eight-card diamond suit for the preempt and had exactly two clubs, Finkel knew that East had three major-suit cards. At trick five, therefore, he played a spade toward dummy and called for the 10 when West played low. When this worked, he cashed the •K, noting that East followed. A likely pattern for his right-hand opponent, therefore, was 2=1=8=2.

Finkel figured he couldn't return to his hand via a diamond ruff since West would overruff, so

he played dummy's good *Q and ruffed it instead. The last trump was then extracted from West.

Finkel realized it would do him no good to take the heart finesse, since even if it worked, he would still be left with a heart loser. The only layout that would allow him to avoid a loser in the suit was when East began with a singleton king. So Finkel took his only chance by dutifully leading a low heart to the ace, dropping the singleton honor, and claimed.

Plus 620 was worth 59-1/2 out of 65 matchpoints.

Second in the Silver Ribbon Pairs were Marla Chaikin and Bill Esberg.

Perhaps a	low trump	lead by	West stands or

Perhaps a low trump lead by West stands out, but it's not clear that dummy will be able to ruff a heart.

On the \$J lead passed around to the queen, declarer quite naturally led a diamond to the ace. Now a heart to the king and ace produced the belated trump shift. Dummy's \$10 scored and a second heart was played.

It looks natural to win the $\bigvee Q$ to play a spade. I thought my partner (Eric Leong) did well as East to put in the $\bigvee 7$. This might have persuaded declarer not to put up the jack if he had started with K-J-x-x.

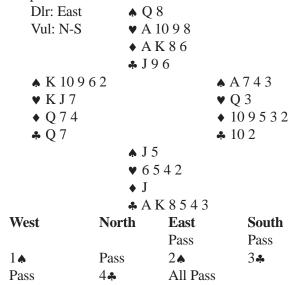

At the table, South put in the $\Psi 8$, letting West win the ΨJ to play a second trump to defeat $2 \spadesuit$ in the fullness of time.

Vandy dandy

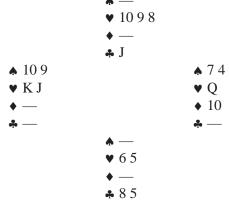

By Barry Rigal

We left our Vanderbilt round of 64 sufficiently early that maybe I should forget about it and move on to the next event. Nonetheless there were a couple of neat defenses.

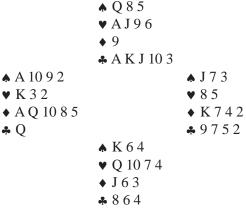

Stretching for points we overreached to 4. Hemant Lall led a spade to the ace, won the spade continuation and shifted to a trump.

Declarer won in hand and advanced the \blacklozenge J: queen, ace low. The \blacklozenge K was next followed by a diamond ruff, a high club to draw the remaining trumps, a heart to the ace and a diamond ruff to reach this ending:

When South led the \checkmark 6 from his hand, Lall "crocodiled" his partner's queen by rising with the king, allowing him to cash the \checkmark J for down one.

On the next deal, both sides declared 4♥.

On the lead of the •Q, East signaled with the 9 ("obvious shift" meaning "please play a diamond, our suit"). Declarer led a diamond from dummy and East hopped up with the •K to give a club ruff.

Wet ruffed and exited with a top diamond, letting dummy ruff.

Now declarer had to find a way back to his hand. He played the $\triangle Q$, tempting a cover, but West declined and declarer's goose was cooked. He had to play the $\blacktriangledown A$, hoping for a miracle, but when the $\blacktriangledown K$ failed to drop he was down one.

Fall classic double-header

October is World Series time, but the Mid-Atlantic has its own version of a fall classic.

And this year, it's a double-header.

Columbia, SC — Oct. 16-22, at the Radisson (803) 731-0300, just off I-20, I-77 and I-26. Hotel upgraded and fully renovated in the past year. Chair: Elizabeth Beckwith (803) 754-0400, elizbeck@usit.net

Ocean City, MD — Oct. 23-29, great off-season dates and rates at the Princess Royale (410) 524-7777. Chair: Jean McKinney (410) 749-5178, dpgamckenney@cs.com.

Entry fee still just \$10 a session. Fliers on information tables, and please bookmark www.mabcbridge.org, the Internet gateway to all tournament bridge news.

Who will win the 2006 **Mott-Smith Trophy?**

Eddie Wold was the 2005 winner of the Mott-Smith Trophy, given to the player who earns the

most masterpoints at the Spring NABC. Wold won 282.05 points, narrowly edging out partners Steve Weinstein and Robert Levin who tied for second with 271.11 points.

Wold earned 130 masterpoints for his victory in the Silodor Open Pairs with partner Bob Morris, 125 points for

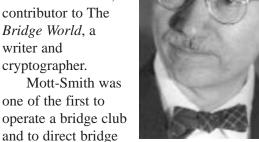

making it to the semifinal round of the Vanderbilt Knockout Teams as part of the squad led by Peter Schneider and 27.05 points for finishing tied for 13th in the Jacoby Open Swiss Teams.

The trophy

The trophy was donated by friends in memory of Geoffrey Mott-Smith in 1961 and made retroactive to 1958 to include all the winners.

Mott-Smith (1902—1960) was co-chairman of the **ACBL Laws** Commission, editor of the ACBL Bridge Bulletin 1935-36, a contributor to The Bridge World, a writer and cryptographer.

tournaments. He was the director of the annual intercollegiate tournaments and other "par" bridge events.

During World War II, Mott-Smith served as chief instructor for the OSS in the training of cryptographers and cryptanalysts.

He authored or co-authored more than 29 books on games and served as games consultant for the Association of American Playing Card Manufacturers.

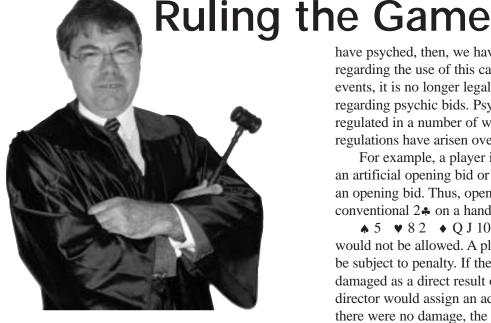

Mott-Smith was regarded as a great player, brilliant theorist and one of the soundest and most lucid of the early writers on contract bridge.

Winners of the trophy:

Partnership Understandings

Law 40A states that a player may make any call or play, including an intentionally misleading one such as a psychic bid or one that departs from commonly accepted or previously announced use of a convention without prior announcement, provided that such a call is not based on a partnership understanding.

Law 40B says that a player may not make a call or play based on a special partnership understanding unless an opposing pair may reasonably be expected to understand its meaning, or unless his side discloses the use of such call or play in accordance with the regulations of the sponsoring organization.

What exactly does the foregoing mean?

Basically, our obligation as bridge players is to ensure that our opponents know as much about our agreements as we do. We have a further obligation to be aware of and to follow the regulations of the organization sponsoring the bridge tournament in which we play.

Within that framework, we are allowed to do as we please. Thus, it is okay to make a psychic bid as long as our partner is just as surprised as the opponents. When the use of a psychic bid comes to be expected by partner or when partner begins to make calls that allow for the possibility that we

166

Allan Stauber

1981

have psyched, then, we have an agreement regarding the use of this call. In ACBL-sanctioned events, it is no longer legal to have an agreement regarding psychic bids. Psychs are actually regulated in a number of ways, and these regulations have arisen over a number of years.

For example, a player is not permitted to psych an artificial opening bid or an artificial response to an opening bid. Thus, opening a strong conventional 2. on a hand such as

♦ 5 ♥ 8 2 ♦ Q J 10 9 8 7 6 5 **♣** K 3 2 would not be allowed. A player who did this would be subject to penalty. If the opponents were damaged as a direct result of this action, the director would assign an adjusted score. Even if there were no damage, the director would assign a procedural penalty to a player who was knowledgeable enough to know that his action was

Not all such actions would result in a penalty. For example, if a player opens 2♦ with a hand such

♦ 64 ♥ K 32 ♦ K Q 10 9 5 3 **♣** 9 4 2, and it turns out that his partnership agreement was that 2♦ was Flannery, most likely this action would not be treated as a psychic bid since his hand seems to indicate that it is more likely that he forgot what he was playing rather than that he desired to mislead his opposition. In order for a call to be considered a psychic bid, there must be intent to mislead the opponents on the part of the bidder.

Another agreement that is illegal in ACBLsanctioned tournaments is the agreement to open 1NT with a singleton or void unless the opening is by agreement strong, forcing, and artificial. A player may choose to open 1NT with a hand like

∧ K ♥ A 10 4 2 ◆ K J 3 **♣** A 9 7 6 5.

As long as his partner is as surprised as the opponents by that singleton spade, there has been no violation of law and there will be no penalty. As soon as partner comes to expect the possibility and possibly make allowances for it, then an agreement exists and the ACBL regulations forbid that agreement.

There are a number of other regulations that affect our actions as bridge players in ACBLsanctioned tournaments. They will be the subject of further articles.

Restaurant/ **Transportation** Information

There are many restaurants in the West End including Landry's Seafood House, On the Border, Spaghetti Warehouse and The Butcher Shop. The West End is a few minutes from the Hyatt on the DART light rail system. DART rail passes can be purchased from the ticket vending machines on the platform at Union Station. Single-trip tickets are \$1.25 and are valid for 90 minutes. Day passes are \$2.50. Fares for seniors 65 and older are .50 for a single trip ticket and \$1 for a day pass.

Bid Box Alerts and **Announcements**

When using bid boxes, ACBL requires that players tap the Alert strip and say "Alert" at the same time.

When making an Announcement, use the Announcement word — such as "transfer" — and tap the Alert strip at the same time.

A player who Alerts or Announces a bid should make sure his opponents are aware that an Alert or Announcement has been made.

Clubbed in the auction

By Barry Rigal

One of the most unlikely results you will ever see came up in the Round of 32 Vanderbilt Knockout match between the Meltzer and Hollman teams.

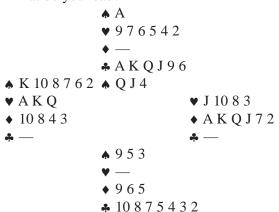

With both vulnerable, you hold the East cards:

♠ QJ4	♦J 10 8 3	♦AKQ	J72 ♣ —-
Here's th	e auction:		
West	North	East	South
1 ^	1NT	Dbl	2NT
Pass	3♣	4♣	Pass
4♥	Pass	4♠	Pass
Pass	5 .	5♦	Pass
6♦	6NT	Dbl	Pass
Pass	7 .	Dbl	All Pass
	_		

2NT is a run-out showing a weak hand with clubs.

You elect to double 1NT then drive toward slam. You are happy to get cooperation from partner, but rightly decide not to try for the grand slam.

North, however, has his own ideas and bids 7♣. What do you lead?

It doesn't matter what you lead! 7♣ is cold! Yes, the 1NT bid may be a little off center, but we've come to expect that sort of thing from Bruce Ferguson, the North player in this case, who was playing with Bob Hollman.

Not to worry —- in the other room, Larsen-Meltzer also reached 7♣ doubled by a more traditional route. No swing!

Overcoming bad breaks

By Barry Rigal

The father-son pair of Hemant and Justin Lall was in action on this deal from the Vanderbilt Knockouts, Round 2:

4♠ doubled is a pretty fair spot, but with diamonds and spades not breaking, bringing home 10 tricks looks tough.

Hemant found the right route on the ♥K lead. He won the ♥A, crossed to the ♣A and finessed in spades. Then he played the ♦K from his hand, ducked, and led another diamond. East cashed his two diamonds and exited with a club, but after declarer ruffed, East was then thrown in with his trump to give declarer a ruff and discard, so the heart loser went away.

On a diamond lead, the play looks rather harder. But say declarer ducks the first trick in dummy and wins the $\bigstar K$.

He can cross to the ♣A and finesse in spades, then cash the ♥A and the play transposes. Even if East wins the ♦ A and returns a diamond for the ruff, the best West can do is exit with a club. Declarer wins the AA, finesses in spades to find the bad news, then goes to the $\diamond Q$ to eliminate clubs.

Now he cashes the A, the A and runs diamonds. Even if East refuses to ruff, he gets thrown in with the **AK** for the ruff-sluff.

Handling it just right

Diana Schuld, playing with Ruth Stober, found herself in a ticklish slam Monday evening in the Compact KO Teams. She found the line of play to bring home her contract on this deal (rotated).

At the other table Schuld's teammates, Buddy Marsh and Marianne Spannier, were allowed to play 5♦ doubled, making for a score of plus 550. Players sometimes complain about computer-dealt hands, but this one was hand dealt.

Schuld ruffed the ♦ A opening lead and played the *K and a low club to the 10. When West showed out, Schuld switched gears and led the ♠ Q covered and won by the ace. Declarerer led another spade to the 9 in dummy, ducked by East. Schuld led yet another spade, won by East.

East now switched to a heart, but Schuld was in control. She won the ace, drew the last trump and claimed. Making six was an 18-IMP pickup.

Looking back: Dallas, 1997

Dallas last hosted the North American Bridge Championships in the spring of 1997. Yesterday we began a review of what happened and some interesting deals. Here are some more.

Three toughies

These next three hands posed a series of problems — one in the bidding, one in declarer play and one in defense.

First a bidding problem.

♠ 98 **♥** A K 9 6 ♦ K 5 3 2 ♣ K Q 10

Vulnerable against not, you open a 15–17 point 1NT. You hear 3♣ on your left, double by partner showing values. Passing would be an option at other vulnerabilities, but is it right here? And if not, what should you do?

Dlr: South **▲** AJ43 Vul: N-S **♥** 10 8 4 2 ♦ AJ9 **4** 97 **♦** 9K 7 ♠ Q 10 6 5 2 **♥** J 7 5 3 ♥ Q **♦** 10 7 6 ♦ Q84 ♣ AJ65432 ***** 8 **♠** 98 ♥ A K 9 6 ♦ K 5 3 2 ♣ K O 10

The winning action at the table was to bid 3NT. If you bid $3 \heartsuit$, you get raised to $4 \heartsuit$ and will have to guess well to succeed, but 3NT on a small club lead was easy. You cash the ♥A and take a diamond finesse. The defense can't prevent you from taking a second-round heart finesse and you come home with 10 tricks for plus 630 for 10 matchpoints out of 12. Plus 620 was worth only 5 matchpoints.

On the next deal, you reach 4♥ on the lead of the \blacklozenge 6, the unbid suit. Plan the play.

Dlr: East **∧** A Q 4 2 Vul: N-S ♥ K87 ♦ A87 **4** 7 5 4 **▲** J 9 7 5 ♠ K 10 8 6 3 ♥ Q 4 2 **v** 10 3 **♦** 65 ♦ QJ32 ♣ K 10 9 2 **♣** J 3 ♥ AJ965 ♦ K 10 9 4 ♣ A Q 8 6

The best line is to take the ♦K and play two more rounds of diamonds at once. East wins and probably exits with a club. You put in the queen and it loses to the king. Back comes a club to your ace.

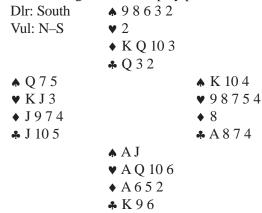

Now you lead the ♦10 and it is up to West to defend well by nonchalantly ruffing with the ♥2, a difficult play since it seems to be giving up a sure trump trick. If West does this, you will have to guess the trump position to make your contract.

But note that if West does not ruff, the consequences are catastrophic. Declarer can infer that West's failure to ruff marks him with the ♥O. He can pitch a club from dummy on the ♥10, run the ♥J from hand, draw a second round of trumps, ruff one club and pitch a second club on the A for an overtrick.

The key to the hand as declarer is not to touch

trumps at all. If you draw trumps by taking the trump finesse, the defense can exit with a third trump, leaving you with no chance.

And finally, your defensive problem, which also involves come good declarer play problems.

When South played in 3NT, he got the lead of the \$J. Declarer makes his first good move when he runs this to his king and crosses to a top diamond to play a spade to the jack. This play holds your spade losers to two tricks when East has the 10 doubleton. South wins his \mathbf{AQ} and plays the \mathbf{AO} . North wins, now what?

Well, South's play of the \$10 denies the 9, so playing a third club will set up a winner — but that is not enough to beat the hand. Play the ♥9 and declarer is caught on the horns of a dilemma. If he puts up the 10 or queen, South wins cheaply and reverts to clubs to establish the defense's fifth trick. If declarer plays the ace of hearts and clears spades, East wins the third round and plays a heart, enabling South to cash two hearts for one down.

How do you play this suit?

You hold $A \times 9$ in your hand and $Q \times Q \times 763$ in the dummy. How do you play this combination? No, it's not a trick question, but a problem Larry Cohen faced playing with Arleen Lehman.

Cohen was put on the spot by that $4 \blacktriangle$ bid. But he had more than his share of high cards, his partner was marked with spade shortness and he knew he'd find at least five hearts opposite, so he bid 5♥ which West promptly doubled.

The opening spade lead went to the ace and Cohen led a heart to the queen and ace. West shot back the 49 to East's ace. At this point, East could have defeated the contract by returning a diamond, and considering the Michaels bid, there was a good case for doing exactly that. But he tried the AJ,

Cohen drew the rest of the trumps and took stock of the diamond situation. There would be no problem with a 3-2 or a 4-1 break — the only holding he had to worry about was a 5-0 split.

He already knew West started with five spades (from his bid) and four hearts (from the play). But East had opened the bidding and had showed up with only 7 HCP so far. So the \$9 had to be third best from the king-queen.

Cohen decided that West was likely 5-4-0-4, so he lead a diamond from dummy and put in the 9! That's right – a first round finesse for the 10!!And he was right, so he wrapped up a top by making his doubled contract.

Good card play wins events

Eric Greco and Geoff Hampson won their first (as partners) of many NABCs, capturing the Open Pairs I title. Greco was a senior at the University of Virginia at the time. This hand was from the final session.

West led the ♥6 to East's ace and East returned the ♥2 as Greco won his queen and discarded a low spade from dummy.

Five rounds of diamonds followed. East followed to one round and discarded the \$2, \$7 and two hearts.

Now Greco cashed the ♣A and exited with his ♥J. East could cash two hearts and the ♠A but was forced to lead into dummy's &K J. Plus 150 was good for 62 of 77 matchpoints.

The pair also earned top marks on defense.

Stay tuned for more hands from the 1997 Dallas NABC.

New Life Master

Joe Gill, Richardson TX, earned his gold card Saturday evening when he won 16 masterpoints playing in the Bracketed KO Teams. He was playing with Tom Pearce, Jeff Dater, Kevin Pheiffer, all of Dallas.

Notice to players

Each player must have an ACBL convention card filled out and on the table. Please note that other types of convention cards, such as the WBF convention card or homemade cards that do not sufficiently resemble the ACBL convention card, are not acceptable substitutes.
