Turn 'em off

Cell phones, audible pagers or any similar communication equipment may not be operated or operable in the playing area during a session of play at NABCs except for health-related equipment or by permission of the director-in-charge of the tournament or event.

Monitoring

At this and future North American Championships, ACBL will be monitoring NABC+ events with visible, real-time cameras. The images will be recorded and will be available for later official inspection and review.

By general monitoring of the session and participants' behavior, ACBL has another source of information that may be useful in determining facts and settling issues arising from some types of ethical and behavioral complaints or actions. Please summon a director if a problem occurs at the table.

This procedure is intended to assure everyone that the playing field is level and that misbehavior will not be tolerated.

Slow Play

Slow play, as opposed to careful or thoughtful play, is discourteous to your opponents – and to all other competitors as well. Players and pairs who take more than their allotted time are subject to penalty.

In general, pairs who are rarely late will be warned while pairs who are often tardy and/or pay no attention to time limits will be penalized.

Entries

All North American championships with no upper masterpoint limitation \$18

Other North American championships \$16.50

Note: only ACBL members are eligible to play in the above events.

Regional championships
for ACBL members \$15.50
for all others \$17.50

All other events
for ACBL members \$14.50
for all others \$16.50

Convention card reminders

- Each player must have an ACBL convention card filled out and on the table. Please note that other types of convention cards, such as the WBF convention card or homemade cards that do not sufficiently resemble the ACBL convention card, are not acceptable substitutes.

- Each player is required to have a convention card filled out legibly and on the table throughout a session. Both cards of a partnership must be identical and include the first and last names of each member of the partnership.

If a director determines that neither player has a substantially completed card, the partnership may play only ACBL Yellow Card conventions and may use only standard carding. This restriction may be lifted only at the beginning of a subsequent round after convention cards have been properly prepared and approved by the director. Further, the partnership will receive a 1/6-board matchpoint penalty for each board played, commencing with the next round and continuing until the restriction is lifted. In IMP team games, penalties shall be at the discretion of the director.

If the director determines the partnership has at least one substantially completed convention card but has not fully complied with ACBL regulations, the director may give warnings or assign such penalties as he deems to be appropriate under the circumstances.

The objective of these warnings and penalties is the encouragement of full compliance with ACBL regulations.

Notice to players who live outside North America

Participation in the von Zedtwitz, Bruce or Young Life Master Pairs is limited to those ACBL members who have achieved the rank of Life Master. Players who reside outside of North America and who do not meet this criteria, but feel they are otherwise eligible to participate, must receive a waiver in writing prior to the commencement of the contest. Please contact ACBL Chief Tournament Director Rick Beye.

Please note that players who have been waived into Life Master events previously do not have to re-apply.
