Canadians dash to Fast Open title

Nick L'Ecuyer and Robert Lebi, who had never played together before the Summer NABC in Chicago, put together a solid final set to win the Fast Open Pairs by about 11 matchpoints on an 11 top.

Second place went to Doug Doub and Adam

Spingold enters semifinal round

Four teams will face off today in the semifinal round of the Spingold Knockout Teams. The matchups, by captain, will be Robert Hollman versus Charlie Weed (npc), Nick Nickell versus George Jacobs.

Only Hollman had any difficulty making it to the round of four. Their match against the fourman Hemant Lall squad was close most of the day and ended at 165-147 for Hollman.

By contrast, the Rose Meltzer squad withdrew against Jacobs after three quarters, trailing by 100 IMPs. Nickell's match against Tony Kasday also lacked drama as the No. 2 seed pounded their opponents 59-3 in the second quarter on their way to a 121-65 win.

Stern, Morgan in Mini-Spin 5000 final

The last day of the Mini-Spingold 0-5000 KO will feature an all-District 13 final as the squads led by Paul Stern and Jacob Morgan will square off

Stern's team includes Daniel Levin, James O'Neil and Christopher Monsour. Morgan's lineup features James Melville, Will Engel and Marty Harris.

In the semifinal round, Stern defeated the defending champions in the event and the #1 seed led by Gayle Covey. Stern won 112-77.

In the other bracket, Morgan's squad beat the team captained by Kelley Hwang 158-110.

NABC table count: 11895 through Friday evening.

Radin dominates Wagar final

The team led by Judi Radin ran up an 85-IMP lead after three quarters of play in the final of the Wagar Women's Knockouts, prompting the surrender of their opponents captained by Betty Ann Kennedy. Radin won the match 135-53.

Radin played with Sylvia Moss, Pamela Granovetter, Migry Zur-Campanile, Shawn Quinn and Mildred Breed. The Radin squad is on a streak, having also won the Women's Swiss at the Spring NABC in Dallas.

Palmer team tops Mixed BAM

Winners in the Mixed Board-a-Match Teams: seated, Lynn Deas; standing, Rozanne Pollack, Beth Palmer, William Pollack, William Pettis and Julie Pettis, daughter of Pettis and Palmer.

A five-member squad with lots of experience in collecting first place in the event ran away with the Chicago Mixed Board-a-Match Teams.

Winners by more than four boards were Beth Palmer, Lynn Deas, Rozanne Pollack, William Pollack and William Pettis. Each has won the Mixed BAM at least three times.

Second went to a team that rallied from well back in the pack heading into the two final sessions: Richard Schwartz, Margie Gwozdzinsky, Walid Elahmady, Daniela von Arnim, Teri Casen and Drew Casen.

Foran rallies to win Mini-Spin 1500

In the final of the 0-1500 Mini-Spingold Knockouts, Edward Foran's Atlanta-based squad trailed the team captained by Eric Hendrickson by 52 IMPs at the half. A surge by Foran's team in the third quarter, however, tied them with their opponents from Minneapolis. Foran outscored Hendrickson in the last set by 14 IMPs, to win the contest 161-147.

Meltzer aims high, and makes her mark

Rose Meltzer has come along way in her bridge career from her start as a casual high school player in Bronxville NY.

Only last month, the Los Gatos CA resident achieved three firsts – one of them shared – at the World Bridge Championships in Verona, Italy.

When she and fellow team captain Christal Henner-Welland made it to the final of the Rosenblum Cup in

Verona, they became the first women ever to make it to that stage of the open event.

When her team won, Meltzer became the first woman to win the Rosenblum and the first of her gender in the history of the World Bridge Federation to achieve open World Grand Master status.

Goodwill message

Have you said "thank you" to a caddy during this NABC? The caddies pick up slips each round during pair games and move boards during team games — despite players' best efforts to hide the score slips and the boards.

A word of thanks will brighten their day — and yours,

Triple underlead

By Brian Senior

Bridge teachers usually tell us otherwise, but is it okay to underlead a side-suit ace against a trump contract? Take a look at this deal from a bracketed knockout teams.

I did not like my options very much on opening lead against 4♥. It sounded as though East-West might be missing a diamond control or, if they did have one, it might be that there would be a K-J guess in dummy. Accordingly, I led the ◆3, not being particularly happy when this went to the 4, 10 and king.

Declarer was looking for dummy entries to take trump finesses, so he led a low club to my bare king. In tempo, I led a second low diamond to the 8, jack and a ruff. Declarer could see two entries to dummy now, so he crossed to the ♠K to lead a heart to his 9. Now he was in trouble as I scooped in the jack. The only problem was that I was now endplayed. If I exited with a heart or a spade, I would pick up the suit for declarer, while the ♠A would be ruffed, establishing dummy's queen. Declarer could then play the ♥A and ♥Q, losing to the king but taking the rest for 10 tricks.

So I led the ◆9, my third underlead of the ace, and, sure enough, declarer played low from dummy.

Declarer ruffed in hand and tried to cash the $\triangle A$ and $\triangle Q$ – and the roof fell in. North, Paul Hackett, ruffed, gave me a club ruff, overruffed the fourth spade and gave me a second club ruff. The defense never made a diamond trick, but came to five trump tricks and the $\triangle K$ for down three.

I was endplayed at trick one. If I started with the A,what would I lead to trick two? A second diamond gives declarer an entry to finesse in hearts, a club tips declarer off to the club position, and a heart or a spade picks up that suit. Maybe it is okay to underlead a side-suit ace after all?

Late night snack

Tonight's late night snack will feature two items: fortune cookies (with real bridge fortunes in them!) and egg rolls.

Tonight's ethnic entertainment

Local junior bridge players will present an authentic Dragon dance!

The performance will be at 6:45 p.m.

Childcare

Childcare is available at the Chicago NABC. Times are noon-5 p.m. and 7 p.m.-midnight. Kids' bridge lessons are held daily from noon to 12:30 p.m. and 7 to 7:30.

For information, contact Donna Compton in room 1055 in the Hyatt Regency.

Restaurant Bus to Chinatown

Tonight between 5 and 7:30 p.m., there will be buses doing "restaurant runs" back and forth between the Hyatt Regency and Chinatown.

Your cost for the bus service is \$2 round trip. Get your bus tickets at the Special Events Desk, or at the time of boarding. You

will be given a m ap of the area restaurants and a coupon to one of the listed establishments when you board.

Spingold final on vugraph

The final of the Spingold Knockout Teams will be presented theater-style in the Columbus Hall (Senior playing space) on Sunday. Guest commentators will include David Berkowitz and George Jacobs.

Several vugraph/BBO operators are still needed. You may indicate your availability and contact information in the Tournament Operations office near the Press/Bullletin office.

LifeSource would like to invite the American Contract Bridge League Tournament players to be a hero and donate!

Everyday, over 1500 units of blood are needed by Chicago area patients, yet only about 1,000 units are collected. To help increase collections, the ACBL has graciously offered to host a blood drive. Each unit of blood collected provides three products: plasma, platelets and red blood cells that can help save the lives of "three" individuals!

To schedule an appointment, please stop by the LifeSource Information table or call:

Tours

The Frank Lloyd Wright/Hemingway House Tour will take you out to Oak Park, one of Chicago's close western suburbs. Join us in visiting two of Chicago-land's favorite sons, Ernest Hemingway and Frank Lloyd Wright. We will take a bus out to Oak Park and tour the birth home of the Pulitzer Prize winning author. The home is a wonderful example of an upper middle class, turn of the century lifestyle and has been lovingly restored. We will then travel a couple of blocks to the Frank Lloyd Wright home and studio. Wright did some of his most important architectural work here and incorporated many of his ideas in to his own home. Perhaps more than any other building, this showcases his genius. We will head back to the Hyatt in time for afternoon bridge. En route we will enjoy box lunches.

The tour will meet at 8:15 a.m. on Saturday, July 22 at the Hyatt West Tower Entrance on Stetson. Your ticket will cover the entire cost of the trip, including lunch and tip to the bus driver. You will return to the hotel approximately 1 p.m.

JUST FOR NEW PLAYERS

Show some attitude!

By Barbara Seagram

Using standard signaling, we discard a high card in a suit to suggest that partner lead that suit or a low card in a suit in which you have no interest. Sometimes, particularly when defending against notrump, you cannot afford to discard a high card or you may be throwing away a winner, . e.g., from AAKQ9. While the 49 may not look so great, if clubs break 4-3-3-3 around the table, against a notrump contract if you discard a club you have thrown away a trick. It is therefore sometimes better to discard a low card to suggest that you don't wish that suit led.

Now let's look at a trump contract where poor West yawns as he picks up a very sad hand.

Dlr: South **↑** 7 6 Vul: None ♥ Q863 ♦ K Q J 5 ***** 864 **▲** J 3 2 **♠** 9 5 **♥** 10 9 5 4 2 **♥** AJ7 **♦** 982 **♦** 763 ♣ J 2 ♣ A K Q 10 7 ♠ A K Q 10 8 4 ♥ K ♦ A 10 4 **4**953 West North East South 1 Pass 1NT All Pass

doubleton club.

When East overcalls 4, West shows respect and leads partner's suit. East concludes that the ♣J cannot be a sequence since East holds the ♣10. Thus West must hold either a singleton or a

Just in case, East overtakes the \$J with the *Q (always win from the bottom but lead from the top). If East had won with the A instead, that would say to partner, "I don't have the ♣K."

East cashes the A and then the K. On the K lead, West discards the 2. This gives East some guidance. He knows that he must not lead a diamond. He now must cash the $\forall A$. West signals with the $\forall 2$. Declarer's ♥K falls under the ace.

Why did West bother to show her attitude about these other suits with such a sorry little hand? The only worthwhile card in the West hand is the AJ. It is a potentially useful card only because dummy's trumps are crummy. West fervently wants his partner to keep leading

East now leads a high club. Poor South. Whatever she does now will be wrong. If she ruffs high on the club return, West will later score the \(\blacksquare \) as it gets promoted. If South instead pitches a diamond, West ruffs immediately with the \(\black{J} \).

Take another look for a moment. Note that if East had led a diamond at trick five, declarer would now win, draw trumps and claim. It was the brutal lead of another club by East that was declarer's downfall. West gave East all the messages along the way that were necessary to guide the defense. It is also important to recognize that East must cash the ♥A before leading that final club, giving partner the trump promotion. If East does not cash the ♥A, then declarer will sluff the ♥K on the fourth round of * and make her contract.

Remember, no facial expressions, no body language at the table. But give your messages the legal way: by the cards that you play.

Thinking bridge By Eddie Kantar

Opening lead: ♦ J (see lead commentary). **Bidding commentary:** North is not quite strong enough to bid 1♦ holding five diamonds along with one or two four-card majors (needs at least 11 HCP). North's leap to 3 may seem conservative (some would leap to 4), but a void in partner's first bid suit is not all it's cracked up to be. If partner's strength is in the void suit, the void is not worth that much. However, when partner is weak in the void suit, the void is worth its weight in gold.

Lead commentary: The ♦J is certainly tempting. Another possibility is a trump lead holding strong clubs, declarer's first bid suit. Though singleton trump leads are normally not on the top of the recommended list of opening leads, nothing is written in stone. As it happens, only a trump lead defeats the contract.

Play commentary: With a void in each hand, a crossruff looms. Declarer can ruff four diamonds in dummy and four clubs in his hand for eight trump tricks, and the $\forall A$ and $\forall K$ make 10. So what's the problem? The problem is that before launching a straight crossruff, one should cash the necessary number of side suit winners first. Declarer should cash the top hearts early. Why? Look at the East hand. If a crossruff is started early, East can discard a heart when a third club is ruffed. Now it is impossible to take two heart tricks. Also, when crossruffing, start by ruffing low in each hand, saving the higher trumps for the later ruffs.

Playing in the IN game on Friday night were Ed Bacher III of Columbus OH and Jin Hu of Johnston IA. Bacher and Hu were second in the 99er pairs.

Lights, Camera. A film company will be in

Chicago July 13-23 for an upcoming documentary on professional bridge players. Please extend your courtesy to directorproducer Kimberly Dawson and directors of photography Noah Bean and John Orebaugh. Most filming will be in the GNT and Spingold areas following the Lynch team. The producer is interested in hearing great stories (no hands please!) related to people's obsession with the game and the extreme measures they take to be able to play. Please feel free to e-mail her at bridgedocumentary@yahoo.com.

We will make every effort to ensure that filming does not disturb play. If you have any concerns, speak to a tournament director or contact Linda Granell, director of marketing, in the Daily Bulletin office. Remember that these opportunities help promote our game. You also should be aware that your entry blank includes the statement: "The submission of this entry blank constitutes an agreement binding on all players listed hereon: that this contest is governed by the rules, regulations and procedures of the ACBL..." Among those rules and regulations is the following (adopted by the Board of Directors in 1983): "By participating in any ACBL sanctioned event, each contestant, official, or observer of any such bridge contest agrees that said event, or portions thereof, may be filed, recorded or otherwise documented or publicized at the discretion of the sponsoring organization."

Want to play Mid-Chart conventions? Read this first!

Players who wish to use Mid-Chart methods (in events that permit them) must check the ACBL Defense Database for rules governing their use.

If you choose to play a method permitted by the Mid-Chart, you are required to do the following:

- 1. Pre-Alert the opponents about your method prior to the auction on the first board.
- 2. Have a complete written description of the method available for your opponents.
- 3. For certain methods, you must provide your opponents with an approved defense from the database. Visit the ACBL web site at www.acbl.org for details.

ACBL players: help players from outside North America who wish to use Mid-Chart methods to be aware of these rules.

Open Swiss Teams begins today

The Open Swiss Teams, a national-level contest, will begin today at 1 p.m. It is a four-session event: a two-session qualifying round and a two-session final

The inaugural Open Swiss was held last summer at the Atlanta NABC. The winners were Peter Bertheau, Frederik Nystrom, Christal Henner-Welland, Fulvio Fantoni and Claudio Nunes.

NAP/GNT CONDITIONS OF CONTEST

The NAP/GNT events were created initially with the expectation that players would play in and represent the districtsin which they lived. They were to be "grass roots" events.

Over the past several years, implementation of this original intent has become increasingly difficult. This is especially true in the top flight of the GNT as expert partnerships are established over increasingly large geographical distances. Partnerships in all flights were also affected mostly where districts abut one another.

In an effort to restore the integrity of the original intent to these two great events, the ACBL Board of Directors, after lengthy and extended deliberations over two years, has approved for implementation* the following measures:

*Effective July 1, 2006 for the GNT 2006/2007 event.

Effective April 1, 2007 for the NAP 2007/2008 event.

- GNT: A member's principal physical residence as of Sept. 1 of the year prior to the National Final shall establish the district in which said member is eligible to participate beyond the club qualifying stage, if any.
- NAP: A member's principal residence as of June 1 of the year prior to the National Final shall establish the district in which the member is eligible to participate beyond the club level, if any.
- In order to ensure that each participant at the unit or district level understands that a participant is affirming his or her eligibility, entry forms for unit and district finals should include the following statement: "By entering this event, I hereby certify, subject to penalties provided in the Conditions of Contest for the event and the ACBL Code of Disciplinary Regulations, that I am eligible to play in this event in this district."
- It is expected that there will be virtually no exceptions to the residence requirements for

participants in this event. A player seeking an exception must obtain permission in writing from the ACBL District Director representing the district in which the member has a principal residence and from the ACBL District Director representing the district in which the member wishes to play. Both District Directors must approve the request for the exception to be granted. The player must begin this process by April 1 of the year prior to the National Final for the NAP and by July 1 of the year prior to the National Final for the GNT.

- An ACBL Credentials Committee (CC), composed of ACBL Board members, has been established to clarify in which district a player is allowed to participate when said player's eligibility is in question. When a challenge to one's eligibility from a unit final stage or later stage has been made, the CC may request documentary evidence from the member whose eligibility is in question. If a member is unable to verify to the CC's satisfaction that he or she is playing in the district of principal residence, the CC shall automatically disqualify the member and his or her partner and teammates (if the event is the GNT).
- When a member is disqualified by the CC, the CC may refer the matter to the ACBL President. Upon such referral, the ACBL President may make charges to the ACBL Disciplinary Committee in accordance with section 2.2.3 (d) of the ACBL Code of Disciplinary Regulations.

The ACBL recognizes that implementation of these measures may inconvenience some members who were granted exceptions for previous events. The general consensus, however, is that implementation and strict interpretation of these measures is necessary to restore the initial intention ("grass roots") and, therefore, integrity of application of the conditions of these events.

Bid Box Alerts and Announcements

When using bid boxes, ACBL suggests that players tap the Alert strip and say "Alert" at the same time.

When making an announcement, use the announcement word - such as "transfer" - and tap the Alert strip at the same time.

A player who Alerts or announces a bid should make sure his opponents are aware that an Alert or announcement has been made.

The Warren Buffett Cup

It will be the USA versus Europe in Dublin, Ireland, Sept. 19-22, touted as the bridge event of the year. Please log onto www.buffettcup.com and register to get news of your favorite players before and during the event. It's free, and your registration helps maintain sponsors for the event. Visit the web site to see the head-to-head matches, just like golf's Ryder Cup.

Monitoring

At this and future North American

Championships, ACBL will be monitoring NABC+ events with visible, realtime cameras. The images will be

recorded and will be available for later official inspection and review.

By general monitoring of the session and participants' behavior, ACBL has another source of information that may be useful in determining facts and settling issues arising from some types of ethical and behavioral complaints or actions. Please summon a director if a problem occurs at the table

This procedure is intended to assure everyone that the playing field is level and that misbehavior will not be tolerated.

Convention card reminder

Each player is required to have a convention card filled out legibly and on the table throughout a session. Both cards of a partnership must

be identical and include the first and last names of each member of the partnership.

If a director determines that neither player has a substantially completed card, the partnership may play only the ACBL Yellow Card and may use only standard carding. This restriction may be lifted only at the beginning of a subsequent round after convention cards have been properly prepared and approved by the director. Further, the partnership will receive a 1/6-board matchpoint penalty for each board played, commencing with the next round and continuing until the restriction is lifted. In IMP team games, penalties shall be at the discretion of the director.

If the director determines the partnership has at least one substantially completed convention card but has not fully complied with ACBL regulations, the director may give warnings or assign such penalties as he deems to be appropriate under the circumstances.

The objective of these warnings and penalties is the encouragement of full compliance with ACBL regulations.

Risk tolerance

Mark Itabashi reported the following deal from the second qualifying session of the NABC+ Fast Pairs. The theme of this declarer play problem will be a familiar one, especially to matchpoint aficionados: should you risk going down multiple tricks in an effort to make your contract, or should you settle for a "safe" down one?

Try this problem as South:

♠ A	K 4 3	
v 9	8 2	
♦ A	K Q 10 9	
. 8		
^ 1	0	
♥ K	X J 10 7

West leads the A (East playing a non-descript 3, attitude), and you play the jack. West continues with the 2, so you discard a low spade from dummy as you win the king. Now what?

West, the opening bidder, is a heavy favorite to hold the $\forall A$ Q, so crossing to dummy to take a trump finesse is probably pointless. Therefore, you elect to play a low trump toward dummy: 7, 6, 2, 5. Since that was such a success, you next play the $\forall 10$ to the queen, 8 and 4.

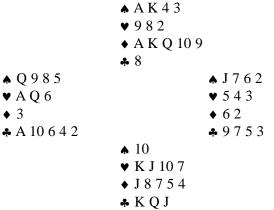

West plays a third club (East following) and

you win the queen.

Decision time: were trumps 3-3 or 4-2 originally? If they were 3-3, you can simply knock out the ♥A, ruff the club return and claim. If they were 4-2, however, another trump play will be very costly. West will win the ace, and play another club, tapping you out of your last trump. You'll go down two or three depending on whether West started with five or six clubs.

Another option, of course, is simply to run the diamonds, allowing the defense to score the remaining low trump which will defeat the contract one, but only one, trick. It allows you to keep control.

So what'll it be? Down one, or risk down two or three for a chance to make it? Here's the full deal:

Fortune favors the greedy: trumps were indeed 3-3, but Itabashi's opponent (declarer on this deal) took the safe approach for down one after Itabashi's repeated club leads.

Morris becomes Grand LM

Bob Morris of Houston TX has joined the ranks of Grand Life Masters by surpassing 10,000 masterpoints at the Chicago NABC.

Morris, a fulltime player, has two NABC titles. The first is the 1998 Jacoby Open Swiss Teams and the second is the 2005 Silodor Open Pairs which he won with his life partner and fellow Grand LM, Eddie Wold.

Then and now

By Phillip Alder

My first NABC was the 1971 Summer in Chicago, at the Palmer House. I was a lad of 19 over from England with my bridge partner. We stayed at the YMCA, and to pay my share of the bill, I got up every morning at six to help collate and staple the Daily Bulletins. How times change, in more ways than one.

I remember two things clearly from that tournament. I played a one-day team event with two different partners. On one deal with the person I did not know beforehand, I was waiting for my left-hand opponent to bid. I said to myself that if he bid 4♥ and my partner doubled, I would pass and lead a club. Almost immediately, it went, "Skip bid – four hearts."

Waiting nearer a tenth of a second than 10 seconds, my partner doubled. Lefty boomed for the director, who told us to play on. I passed and led a club, which was the only start to defeat the contract. Back came the director and neither opponent would believe that I had decided what to do even before LHO jumped to 4♥. They claimed I had been influenced by my partner's fast double, but the TD did not buy it.

Then there was this auction when I was playing with an esteemed player. We were vulnerable and the opponents were not.

West	North	East	South

3♥	3 ^	5♥	6♠
7♥	9		

I did not have a first-round heart control, so I doubled. The penalty was paltry compared to plus 2210 in $7 \clubsuit$. My partner said that it was my fault because if I had passed, he would have bid $7 \spadesuit$. Even when I pointed out to my partner that he had denied first-round heart control by failing to bid $6 \heartsuit$ instead of $6 \spadesuit$, it was still my fault!

Back then, I played all the time; now I am busy writing newspaper columns. But I did play in three events, starting with the Sunday evening one-session board-a-match teams. My partner was Eddie Kantar and our teammates were Ann-Marie Crabbe and Yvonne Snyder (Eddie's wife).

This was my first hand of the evening:

♠ K Q J 7 5 2 ♥ Q ♠ Q 8 7 5 3 2 ♣ — Only our side was vulnerable. My partner passed and my right-hand opponent opened 3♣, showing six clubs and a four-card major. I decided to settle for three spades and was promptly

doubled on my left. After two passes, would you sit or run to 4.

The next day, Dennis Goldston of Colorado Springs came into the Daily Bulletin room with a story about this deal. Since I was holding the fort, I took down the details. This was the full layout, rotated for convenience:

Dlr: West	• 9	6 4 3	
Vul: E-W	v 9	6 5	
	\rightarrow -	_	
	♣ K	398765	
▲ 10			∧ K Q J 7 5 2

	♦ K	J 4	
	. Q	J 2	
West	North	East	South
			Goldston
Pass	Pass	3 ♠	Dbl
Pass	4♣	Pass	4♥
All Pass			

East's actions would not meet with universal approval, but if he had bid $4 \spadesuit$ over $4 \clubsuit$, we would not have heard this story.

Against 4♥ West led the ▲10, taken by declarer's ace. A diamond ruff on the board was followed by a trump to the queen and king. The ◆J was ruffed and a club played to the queen, West ducking his ace. West ducked the ♣J, too, took the third club, and cashed the ◆A to give this end-position:

At this point West should have led the \checkmark 10. South may win and play two more rounds of hearts, but West has an exit card in his \checkmark 10, and declarer loses a spade at the end for down one.

However, West continued with the ◆10 immediately. South ruffed and played three rounds of trumps, throwing in West as his stepping stone to dummy's ♣K, which took the last trick. In the IMP Pairs, making 4♥ was worth 8 IMPs.

Returning to my table, you can see that 3 doubled would have made unless South found a diamond lead. If he does, North can ruff, put his partner back in with a heart, get a second ruff, and then await a third diamond ruff when South gets in with his A.

Believing that South knew I was in the wrong contract, I ran to $4 \spadesuit$. South happily doubled this too, but he took only one spade, one heart and one diamond. Plus 710 was a win.

If I may be permitted one more good board, this was my favorite from the Wednesday Daylight Swiss Teams that my squad of Lew Finkel, David Becher and Alan Watson squeaked out. With neither side vulnerable, you pick up:

★ K 10 9 7 ★ K J 7 ★ K 10 ★ K 9 8 4

Your right-hand opponent deals and opens

1♥. What would you do, if anything?

The traditional answer is to pass because you have only two diamonds. But I decided to hope that if my partner, Finkel, insisted on bidding that suit, he would have at least five. So I doubled. It went pass on my left, 3♦ from partner, and pass on my right. What now?

Again, pass is the "sane" action, but my heart holding was looking like two stoppers, and I had such wonderful intermediate cards. So I rebid 3NT, which was passed out.

This was the full deal:

```
Vul: None ♥ 64
         ♦ AQ543
         ♣ QJ75
▲ A J 6 5
               ♠ Q 4 2
♥ 9 3 2
               ♥ A Q 10 8 5
♦ J976
               ♦ 8 2
♣ 62
               ♣ A 10 3
         ∧ K 10 9 7
         ♥ KJ7
         ♦ K 10
         ♣ K 9 8 4
```

West had made her first mistake in passing over my double. If I had passed, surely she would have raised to $2 \checkmark$, so she should have done the same now. True, if North becomes the declarer, East might make a costly heart lead, but you cannot afford to worry about these things. It is more important to tell partner about your support and modest values. Then, when my partner bid $3 \diamondsuit$, I would not have been confident that he had so many high cards, and I surely would have passed it out. And you will note that $3 \diamondsuit$ will not make, losing two spades, one heart, one diamond and one club.

Against 3NT, West made her second mistake by leading the ♥9. When leading from three low cards in partner's suit, lead high only if you have supported, so that he knows you have length there. When you have not supported, lead the lowest one.

To defeat 3NT, East had to duck this heart. Then, if I play a club, he can win and lead a low heart, keeping communication with his partner.

As it was, he won with his ♥A and returned a heart to my jack. (Yes, a spade shift is feasible, but would not defeat me as long as I did not rise with my ♠K.) I continued with a club, East winning and playing a third heart. Now I tested the diamonds, learning that West had started with four to the jack. I cashed my clubs ending on the board, then threw West in with her ◆J. At trick 12, she could cash the ♠A, but I took the last trick with my ♠K for plus 400 and 11 IMPs.

Gatlinburg: The beat goes on ...

It was déjà vu in the Smokeys this spring: Gatlinburg shattered ACBL all-time attendance records for the sixth consecutive year.

Some quick facts and figures from this past April: 9,565 tables, with 3,943 participants. Every state but one represented (hello, Wyoming?). Gold point knockouts: 207 brackets. Fifty-nine players with more than 100 masterpoints for the week. You get the idea. If you haven't been, join us April 9-15, 2007, to see what it's all about. If you have been, you already know, and probably have made reservations for next spring.

(1) After a break in tempo. **Final contract:** 4♥ by South.

Table Result: North-South plus 620.

Director Ruling: 4♥ by South, North-South plus

Committee Ruling: 4♥ by South, North-South plus 620. **The Facts:** There was a break in tempo (BIT)

before South bid $3 \vee -$ all players agreed to it. Since a 2* bid would have shown a stronger hand with heart support, North's 2♥ bid limited the top side of her values. North-South do not play "maximal" doubles. If, instead of bidding 3♥, South had bid $3 \blacklozenge$, it would have shown diamonds and been a game try. According to the testimony of both North and South, the 3♥ bid was forward going.

The Ruling: The director determined that the BIT did not "demonstrably suggest" a line of action. Since it did not, there was no basis for an adjustment (in accordance with Law 16), and the table result was allowed to stand.

The Appeal: East-West contended that both 3♦ and double were available to South as game tries. Therefore, the BIT was the only suggestion that South was making an invitational bid, i.e., the bid itself does not suggest that North reconsider her values for game purposes, but the BIT did. North-South said that they do not play any conventional calls in this sequence; double would be penalty oriented, and 3♦ would have shown a forward-going hand with diamond values. North said that if South was willing to compete, or invite, she evaluated her hand as having extra values. She felt that bidding the game was called for at IMPs.

Upon questioning by the Committee, North-South revealed that a redouble of 1♥ by North would have shown a stronger high-card hand but probably only three hearts. North said she could not remember the last time she redoubled in such a sequence.

The Decision: In order for a BIT to lead to an adjustment, it must "demonstrably suggest" a line of action. In this case, with a pair playing relatively few conventions, the BIT could have been because South was considering passing, doubling, bidding 3♥, bidding 4♥, or bidding 3♦. In her methods, South took one of the aggressive calls available to her (considering that 3♦ was not appropriate). This is not a case in which South was considering a more aggressive action than she took. The committee found that the BIT did not demonstrably suggest to North that she bid 4♥ any more than South's 3♥ call itself did. The decision might be different in cases where the North-South pair were playing that 3♦ would be a generic game try which would make South's 3♥ call merely competitive.

Dissenting Opinion by Mark Bartusek: North-South claimed that 3♥ was "forward-going" and that 3♦ would have been natural and gameinvitational in their partnership of a couple of years. A double of 3. was undiscussed and presumably would have been for penalty since they do not play maximal game-try doubles. South held precisely what I would expect for a BIT over 34, a game-try without diamond length (and North can figure this out after the negative double and the 3* rebid). The North-South pair's statement about 3♥ being "forward-going" was not backed-up by any system notes and must be treated as self-serving by the committee. I find it hard to believe that a pair cannot bid three of a major in competition without inviting game (this would seem to result in a lot of part-score swings against them). The contract should be rolled back to 3♥.

The Committee: Mark Bartusek (chairperson), Jerry Gaer, Robb Gordon, Dr. E. Kales, and Mike Kovacich.

L'Ecuyer, who lives in Montreal, and Lebi, of Toronto, have been adversaries many times in Canadian team events but never partners before Chicago.

L'Ecuyer is marketing director for a private portfolio management firm, Giverny Capital Co. Lebi just retired in February as a systems analyst for the IT department of the largest brokerage company in Canada.

Neither professes to be especially fast in the play (in the national Fast Open, rounds are 11 minutes long and slow play penalties are vigorously enforced), but they managed.

"We survived," said L'Ecuyer, who was winning his first North American championship.

"We got only one slow play penalty," said Lebi, who won his second major title. He and Mark Molson won the Blue Ribbon Pairs in Lancaster PA in 1989.

The two played a 2/1 game forcing system with 12-14 1NT openers.

June Deutsch earns **Grand LM title**

June Deutsch of Aventura FL has attained the rank of Grand Life Master. Deutsch has won six NABC titles including each of the five major national women's titles at least once, and she has now collected her 10,000th masterpoint at the Chicago NABC.

Deutsch, who needed just a fraction of a point to go over, blasted over the top with a victory in a regional compact KO.

Her other significant first came in Paris in 2001, when she became the first woman to win the Bermuda Bowl.

She credits two other women players - Rita Shugart and Lou Ann O'Rourke – with pushing her to play in open events rather than just women's events. She met Shugart in the late Seventies in New York before both of them moved to California. Meltzer moved with her husband, Cliff, a senior executive with Cisco Systems.

The first time it was suggested to her – by Shugart – that she try open events, Meltzer wasn't keen on the idea. But Shugart kept pushing and eventually introduced Meltzer to Peter Weichsel, who was her mentor for some time before leaving the team.

The other key to her success, Meltzer says, was her introduction to Kyle Larsen, her regular partner. "That was the biggest break of my life," she says. "There is no better partner on earth than Kyle." The two have played together for eight

Meltzer is candid in saying she thought she had reached the pinnacle in Paris in 2001. "When we won the Bermuda Bowl," she says, "I thought that was it."

As it happened, there was much more to come, and she eagerly awaits future challenges. "I'm loving it," she says. "This is my passion."

Life Master news

Joan Siavelis of Arlington Heights IL was on the winning squad in the Thursday 299er Swiss Teams. With that win she earned her gold card as a Life Master. She didn't say who her partner was, but the rest of the team was Jeannette Chase, Lake Barrington IL; Linda Rough, Lake Zurich IL, and Penny Carduff, also of Arlington Heights.

The knockout teams produced big Life Master news as **Nancy Hanley** of Terre Haute IN earned her gold card and became a Bronze LM at the same time. One of her teammates, **Tana Holt** of Clinton IN became a Life Master in the same event. They were playing with two other women from Clinton: Diane Scott and Noreen Bryant.

Another player became a Life Master and Bronze LM at the same time: **Dorri Goldgehn** of Chicago, playing with her husband, Mickey, in the Wednesday Compact KO, Bracket 8. Their teammates were Myrna and Art Weiner of Marina del Rey CA.

David Hudson of Mount Prospect IL became a Gold Life Master (2500 masterpoints) in the Bob Hirsch Knockout Teams, Bracket 4. His partner was Paul Hills of Evanston IL. Their teammates were Dan Spindler and Jim Phillips of Park Ridge IL.

Earlier in this tournament, **Nick Cordell** of Yorkville IL appeared on these pages for becoming a Life Master. Now he is a Bronze Life Master, thanks to his team's performance in the Bob Hirsch Memorial KO, Bracket 6. He was playing with Dave Booth of Aurora IL. Their teammates were Dan Driggett of Glendale Heights IL and Elaine Bowers of University Park FL.

Jane McCoy of Pleasanton CA is now a Bronze Life Master, topping 500 masterpoints at the Summer NABC playing with Ernie Scosseria of Berkeley CA in knockout. Their teammates were Chris Galbraith of Antioch CA and Ken Dye of Raleigh NC.

Foran, Hammond and Hassett were second in the same event last year. (New team member Callaham jokingly took credit for the squad's improvement this year.)

Hendrickson's roster included partner Richard Lawson and teammates Matthew Bribitzer-Stull and Jason Bribitzer-Stull. The Bribitzer-Stull's were also second in the Young Life Master Pairs earlier this week.

Fishbein Trophy to top MP winner in Chicago

The player who earns the most number of masterpoints at the Summer NABC is declared the winner of the Fishbein Trophy, given in recognition of the accomplishment. Last year, the best performance at the Summer NABC in Atlanta was turned in by Geoff Hampson who nabbed 348.09 points.

Fishbein

Hampson won 250 masterpoints for his win the Spingold Knockout Teams, 50 points for making it to the semifinal round of the Grand National Teams, Championship Flight and 48.09 points for a second-place finish in the top bracket of a regional rated knockout event.

The Fishbein Trophy was donated by ACBL in memory of Sally Fishbein and in recognition of the untiring efforts of Harry Fishbein, who served as ACBL Treasurer and refused to accept the customary compensation.

Ruling the Game

By Mike Flader Associate National Tournament Director

Assigning an adjusted Score - Part 3

In this article, we will consider situations where there has been an irregularity and possibly damage to a non-offending pair.

In order for the director to award an adjusted score, there must both be a violation and damage as a direct result of the violation. Thus, if a player forgets that he is playing Flannery and opens 2♦ with a good six -card suit and 8 HCP, as long as the agreement to play Flannery is clearly marked on both his and his partner's card and his partner has Alerted and given an accurate explanation of the agreement, there has been no violation as it is not illegal to make a mistaken bid. Because there is no violation, there can be no

Say that the partnership is actually playing weak two-bids, but the partner, when 2 • is opened, Alerts and states that the agreement is Flannery. Here, there has been a violation, but if the offending side as a result of this misunderstanding goes down 1100 against a partscore, then, once again, there is no adjustment because although there has been an infraction, there has been no damage.

Say that the opening bid of 2♦ is Alerted as Flannery, but the partnership has agreed to play weak two-bids. As a result of this misunderstanding, the partnership gets to a ridiculous contract that gets doubled by the opponents. However, the opponents defend egregiously, letting them escape for minus 300 when they should have gotten 1100. Let's say further that the non-offending side can make a vulnerable game. In this case, there is both an infraction and damage, but, the director might well rule that the damage was not the direct result of the infraction since the non-offenders defended the hand badly. Once again, the director might not adjust the score.

From the foregoing, you might well surmise that directors don't like to give adjusted scores. That is a reasonable assumption. Whenever possible, we like to get a table result on which to base the outcome of the tournament. An adjusted score is an estimate of what might have happened had an irregularity not occurred. It is not as good as a real result.

Nevertheless, it is sometimes necessary to adjust a score. There is both an irregularity and damage as a direct result of the irregularity. How does the director determine what score to assign?

He uses the guidelines given to him by

Law 12C2 to help him. What that law says is that when he needs to assign an adjusted score, he is to assign to the non-offending side the most favorable result that was likely had the irregularity not occurred. For the offenders, they are to get the most unfavorable result that was at all probable had the infraction not occurred. As the law implies, the director does not have to assign the same score to both parties.

Let's take a look at some examples.

1. West holds

♦KJ32 **♥**AQ97 **♦**32 **♣**AK4.

North, on his right, opens 2♦, which is Alerted and explained as Flannery. It goes Pass-Pass to him, and he decides to balance by bidding 2NT. (No laughing at the bidding. Everyone knows that directors cannot play). His partner raises to 3NT with

AAQ97 **∀**K42 **♦**876 **♣**Q32,

and the defense rattles off the first six diamond tricks since the real agreement was that 2♦ was weak. Director!

The director finds that both convention cards for the opposition are marked weak two-bids, so there is clearly misinformation. It is also clear that the auction might have gone differently had West the correct information about the opening. He would probably have doubled 2♦, and his side would have bid to $4 \clubsuit$, which would make five. That is the score the director should assign as it is certainly the most favorable result that East-West can achieve as well as the least favorable result that was at all probable for North-South. In this case, it seems very sure to happen, but, even if it is not obvious, the non-offending side tends to get the benefit of the doubt.

2. West holds

♦A 4 2 **♦**5 **♦**K Q 10 8 6 4 **♣**9 3 2.

He is dealer and opens with 2♦. His partner Alerts and in response to a question says that the agreement is that 2♦ is Flannery. North passes, and East responds 2♠. South passes. West decides to pass, and the opponents call the director when the dummy is faced.

The possibility of several infractions here exists. First, if the agreement was that 2♦ was weak, then, East gave North-South misinformation when he Alerted and said it was Flannery. Additionally, if West said nothing to correct his partner's misinformation, he has committed an irregularity as well. If the opponents have been damaged as a direct result of this misinformation, the director should assign an adjusted score. Thus, if the opponents could make a heart contract and it is reasonable to believe that they might be able to get there with the correct information, the director should assign an adjusted score.

What if the agreement was Flannery? Now, West has probably made a call based on an inference drawn from unauthorized information when he passes 2. He is obligated to continue the auction as though his partner had explained his call as a weak two and had then bid 2. If that is the case, then, unless the partnership agreement regarding a new suit response is that it is nonforcing, West probably should have chosen to raise his partner's response instead of passing. Perhaps he should even bid 4. If the director finds that to be the case, it is reasonable to adjust the contract to some higher number of spades if the director believes that there has been damage as a result of West's action (or lack thereof).

- 3. South reaches $4 \blacktriangle$. West leads the $\checkmark 2$, and East wins the ace and king and then leads a third round of the suit, which South ruffs and West overruffs. South now discovers that East-West have an agreement to lead low from a doubleton. ACBL regulations require that such agreements be disclosed to the opponents at the beginning of each round, and East-West failed to do so. Thus, they are guilty of misinformation. If south could have ruffed higher had he the correct information, the director should consider an adjusted score if there is damage. However, if West holds the J-x-x of trumps and he was going to be able to make a trick with the jack whether South ruffed high or low, then there should be no adjustment since there has been no damage. The director might still decide to penalize East-West for their failure to fully disclose their agreements, but that is another issue.
- 4. In order for the director to adjust the score, there must be damage and it must be the direct result of an opponent's infraction. Say that North-South reach 4♠ after a Drury auction. Drury is not Alerted and after what would have been a signoff by his partner, the player who bid Drury bids game anyway. This is most likely an infraction since passing his partner's signoff was probably an infraction. At any rate, 4 is successful. If it was always going to make, the director should adjust the score since the damage to the non-offending side was the direct result of one of the offender's taking advantage of unauthorized information. However, if the defenders defended in a manner so horrible as to allow an impossible contract to make, that may sever the link between the infraction and the damage. Thus, the director may choose to allow the table result to stand for the nonoffending side, although he may also choose to adjust the contract for the offenders or assign a procedural penalty.

There are many more examples that come to mind, but the idea for the director is to restore equity when there is damage as a direct result of an infraction.

Chicago 1998: A look back

Talk about wild hands!

Ralph Cohen made a simple 2 response to Robb Gordon's Michaels bid and a few seconds later found himself playing a grand slam in spades. Just look at Gordon's hand (North) — have you ever held one like that? The deal was played in the Spingold, so you can't blame the wildness on the computer.

Dlr:West **▲** A K J 10 9 7 Vul: E-W ♣ A K Q J 6 4 2 **♠** Q **♠** 62 ♥ A K 8 7 6 4 2 **♥** 10 9 5 3 ◆ A Q 10 8 2 ♦ J764 ♣ 9 5 3 **♦** 8 5 4 3 ♥ Q J ♦ K953 **4** 10 8 7 West South North East Gordon Cohen Pass 1 🗸 **2**♥(1) 2**^** 3♦ 7♠ All Pass

(1) Spades and a minor.

Because of the Michaels bid, it worked out that the slam was played from the impregnable side. If Gordon had bid spades first, North could set the hand by leading a club for partner to ruff. But there was no way to stop the grand when played from Cohen's side.

This was the bidding at the other table:

West	North	East	South
1♥	Dbl	Pass	1 ♠
2 ^	4 🖍	Pass	Pass
5♦	5 A	6♥	All Pas

We have no idea what the thinking was at this table, but it sure didn't work out well for North-South. The Gordon-Cohen team scored up plus 1510 in the Open Room and plus 1430 in the Closed for plus 2940. Even Cohen had to consult his IMP table to learn the result — a gain of 21 IMPs.

West led the A and was no doubt disappointed to discover the trump ace in dummy. He switched to a low club, which went to the queen and ace.

When Hampson tried a low heart to the dummy, North put in the jack which was taken by dummy's ace. Declarer now cashed the $\bigstar K$, discarding the $\bigstar J$, and continued with the $\bigstar 10$, East refusing to cover. Hampson won the $\bigstar A$, cashed the $\bigstar K$ and ruffed a diamond, establishing the suit. A low club was ruffed in the closed hand

and declarer played a diamond. North had no answer to this and, so, conceded. Plus 590 for Greco and Hampson, was a good score, but not a top since this result, with almost identical play, was reported by several other pairs.

"I innocently opened the bidding in fourth position with 1♦," sighed Senior. "The next thing I know, the opponents are in slam."

6. made seven, and a stunned Senior recorded minus 1390 on his scorecard.

Senior explained that South thought he had opened 1 \(\blacktriangle \), and intended his jump to 4 \(\blacktriangle \) to show a strong black two-suiter.

"We lost 12 IMPs on the board, since our teammates made 4 \(\ \ \) at the other table," said Senior.

"By opening the bidding, I effectively lost 24 IMPs for our team."

Two lines of play

Marshall Miles reported a hand that was well played against him by Michael Rosenberg. Miles carefully pointed out that he could have made a play that would have set the contract, but once he missed the play, Rosenberg took full advantage. Further analysis indicated that Rosenberg could have avoided giving the defenders a chance to bet him. The deal comes from the Life Master Pairs.

Declarer ruffed, cashed the ace of trumps and began cashing diamonds. There was no way he could be prevented from pitching two clubs from dummy, so he scored up his game.

But Rosenberg might have done better not to

touch clubs at all. After winning the second diamond, he could cash the ace of trumps and then continue with diamonds. Declarer could get rid of two clubs, no matter how West defended.

Think first!

It pays to think a bit before playing to the first trick. Look at this hand from one of the pair games.

Declarer won the opening diamond lead with the ace, led a spade to the ace and ruffed a spade with the queen. After trumps were drawn, however, there was no way to get rid of the losing spades because the heart suit didn't set up.

The declarer at another table at first was going to win the opening trick with the ace, but then he paused. Finally he saw the solution. He ducked in dummy and ruffed. He cashed the high spade and ruffed a second spade with the queen. After drawing trumps, he cashed the ♥K and finessed the ♥10, not really caring whether it won or lost. South won with the queen, but was down to all red cards and had to put declarer back in dummy. The remaining spades were discarded on red cards — 6♣ bid and made.

You lead the ◆A and it goes 4-5-8. Partner's 5 is consistent with Q-10-5 or 10-5 or Q-5. Over to you!

Since to beat the contract you need to find partner with a club honor, and since the jack is much more likely than the queen, you need to worry about a minor suit squeeze declarer may execute against you. You could try three rounds of diamonds, but declarer is far more likely to have the doubleton (and you'll set up the ϕ J).

Berkowitz played a low diamond at trick 2. Cohen won with the queen and played a third diamond. Later Berkowitz got in with the A to lead the fourth diamond.

A little nudge

By Barry Harper

Sometimes a good declarer just needs a small push to take the wrong path.

Bulgarian national team players Rumen Trendafilov and Kalin Karaivanov arrived in 5♦ on these two hands from a knockout teams.

West led the $\triangle A$ and continued with the $\triangle Q$, ruffed by South. The $\triangle A$ was cashed, West contributing the 10. Take over for declarer. What do you do next?

The precious \$10 can be used once. If diamonds are 4-1 and you finesse in hearts, the spade force kills you. Karaivanov decided to play diamonds. He could pick up four to the queen and not need the heart finesse. If a diamond finesse lost to the queen from a doubleton Q-10, a spade ruff could be followed by the ruff of a third club in dummy for the heart finesse.

Accordingly, Karaivanov went to dummy with the \$10 and ran the \$9. One problem with that plan: John Kranyak won the \$Q from three to the queen and returned a diamond. Karaivanov, down to \$A K J, had to win in hand and could not take the heart finesse. Down one − and the \$\varphi K\$ was onside all along. The deceptive play allowed the Melanie Tucker team to advance in their knockout match by 7 IMPs. The full deal:

aBRIDGEd

By Maureen Hiron

ACBL President Harriette Buckman has offered this endorsement for my new game:

"It is a brilliant pre-bridge game that could only have been invited by a bridge player. The family will love it."

My sincere thanks to all of you who, with the interests of the future of bridge at heart, have bought sets of aBRIDGEd – and not for your own benefit, but to give to friends and family so that they too can experience the pleasures of playing our great game.

After its launch at this tournament, aBRIDGEd will go on general release to stores, where it will retail at \$15. At the Summer NABC, you can purchase sets for \$12 each.

Out of the Box, the company that has world license for the game, have also brought along a few of their other games, including their best-seller, Apples to Apples. There is also Mix-Up, my latest creation.

Sponsorship

Life Source is holding a Chicago blood drive in front of the Hyatt East Tower today between 8 a.m. and 2 p.m. Players willing to donate blood need to have identification. Appointments may be scheduled at the Life Source information desk. It is recommended that you eat before donating and drink plenty of fluids.

Windy City Limousine Day

Windy City Limousine is the official limousine company of the 2006 Chicago Summer North American Bridge Championships. Among its donations to this tournament, Windy City Limousine has provided us with subsidized bus service for tours, restaurant excursions and shuttle service to and from the suburbs. Windy City is a new venture formed by well-known bridge personality and limousine entrepreneur, George Jacobs, and a number of business associates and bridge-playing friends. This exciting new business is the official limousine company of our World Champion Chicago White Sox.

Windy City provides a broad range of limousine and bus transportation throughout Chicago and the suburbs. Call 1-866-94WINDY to arrange your airport transportation or for any other limousine needs you may incur while visiting our fair city. You can relax knowing that Windy City will get you to your destination in comfort and on time.

See you at the Fall NABC in Hawaii!
