

STAC Conditions of Contest, Setup and Reporting Instructions
District 5 Winter STaC
December 3 – 9, 2012

IMPORTANT

Club Managers must pre-register at the ACBL website prior to conducting a STaC Game. The website will only accept the ACBL number of the ACBL-registered club manager.

All events in the STaC will be stratified by **average masterpoints**. For limited masterpoint games, both players must have fewer points than the masterpoint limit, and their strat within the event will be determined by average masterpoints.

A reminder: STaC games must play a minimum of 20 boards (assuming no sit outs). That and previous changes are on the District 5 STaC website:
<http://www.d5bridge.com/STaCnp.htm>

A summary of the conditions follows. Please also review the Conditions of Contest at <http://www.d5bridge.com/STaCCoCs.pdf>

A. Types of Games Allowed

1. **Stratified Open Pairs** — combined for overall awards (see masterpoint limits below).
2. **Stratified Swiss Teams** — Swiss Team overall awards are based only on the entry at each individual site.
3. **Novice, 99er, 199er or 299er Games** or any Intermediate/Novice game or other game with an upper masterpoint limit. For these games, strata can be set at club discretion.
4. **Invitational Games** – use same limits as for open pairs, will be combined for overall ranking.

B. Participating Club Rules

1. Any club within District 5 may hold a STAC game in lieu of its regularly scheduled club game. Additional games may be held subject to the rules for additional games as documented in the general STaC conditions of contest.
2. The ACBL General Convention Chart will be used. Conventions and systems not allowed by the General Convention Chart will not be allowed.
3. Invitational games will be scored and ranked as sectionally rated Championship events with 1 restriction unless these games are opened to all players and advertised as such.
4. Limited masterpoint games will be scored and ranked alone unless a like limited masterpoint game is held at one or more other STAC sites. In this case, these games will

be scored together for overall rankings and masterpoint awards.

5. Non-playing directors are encouraged but not required for games with no more than one section of 17 tables or less. **Non-playing directors are required in games larger than 17 tables or with two or more sections.**

6. District 5 is not using hand records.

7. Each club must report its results to the DIC, **within 24 hours** from the end of the game (12 hours for the final session). Send results to results1212@d5bridge.com. You are encouraged to send results as soon as possible to allow time to solve problems. You will receive a confirmation email from Mary by early evening for results sent during the day, or by noon for results sent at night. ***Please do NOT send results directly to Mary or they may not be properly recorded.***

A club must post a copy of the recap for inspection at the end of each session. The correction period is 24 hours, the same as the limit for reporting results.

Reporting will be by e-mail attachment of the game file. Results will not be received by voice or by postal mail. Reporting procedures are as follows:

From ACBLSCOR, copy your gamefile to a disk or flash drive (stick) and email your results by attaching the file to your email.

Only send ACM, ACA, or ACE files.

No LZH, TXT, BWS or HTM files please.

Include your club number in the subject line

[see note 4, below, if you have problems or need troubleshooting help]
