

STAC Conditions of Contest

IMPORTANT

Club Managers must pre-register at the ACBL website prior to conducting a STaC Game. The website will only accept the ACBL number of the club manager.

A. Types of Games Allowed

- 1. Stratified Open Pairs** — combined for overall awards (see masterpoint limits below).
- 2. Stratified Swiss Teams** — Swiss Team overall awards are based only on the entry at each individual site.
- 3. Novice, 99er, 199er or 299er Games** or any Intermediate Novice Game.
- 4. Invitational Games** – use same limits as for open pairs, will be combined for overall ranking.

B. Participating Club Rules

- 1.** Any club within District 7 and Unit 219 may hold a STAC game in lieu of its regularly scheduled club game. Additional games may be held as allowed by ACBL club regulations and STaC conditions of contest.
- 2.** The ACBL General Convention Chart will be used. Conventions and systems not allowed by the General Convention Chart will not be allowed.
- 3.** Invitational games will be scored and ranked as sectionally-rated Championship events with 1 restriction (20% reduction) unless these games are opened to all players and advertised as such in advance.
- 4.** Limited masterpoint games will be scored and ranked alone unless a like limited masterpoint game is held at one or more other STAC sites. In this case, these games will be scored together for overall rankings and masterpoint awards.
- 5.** Non-playing directors are encouraged but not required for games with no more than one section of 17 tables or less. Non-playing directors are required in games larger than 17 tables or with two or more sections. **(New) If a director does play in a one section game with 17.0 tables or less, the director and partner will only be eligible for session, not overall, awards.**
- 6. (New) If a game for which you have registered is not held, please be sure to notify the ACBL director as soon as possible. Delaying notification will also delay processing the overalls for all other clubs.**
- 7.** Only games of 5.0 tables (10 pairs) or more will be combined for overalls in the championship event. Smaller games will be combined in a separate, fully sectional-rated open pair game.
- 8.** This is a “shuffle-and-play” STaC. **Handrecords will not be provided** for this STaC. Each club should prepare hands as they do for their regular games (shuffle, handrecords for just the club, etc.)

IMPORTANT: Each club must report its results to the DIC **within 24** hours from the end of the game (12 hours for the final session). Club games not reported within the 24 hour time limit will be scored, ranked, and issued masterpoints as a sectionally rated side game and will not be included in the Overall Awards. Any game not reported within 12 hours of the final session will be returned to the club to be rescored as a club game. **If you have a problem submitting your gamefile, contact the ACBL director immediately.**

A club must post a copy of the recap for inspection at the end of each session.

Reporting will be by e-mail attachment of the **ACBLscore game file** to the ACBL director, **Peter Marcus**, at **marcus@att.net**. In unusual circumstances, arrangements may be made with the DIC to report results another way. Using ACBLSCOR, copy or backup your gamefile to a disk or flash drive (stick) and email the gamefile by paper clipping the file to your email to the director.

Only send ACM, ACA, or ACE files.

No LZH, TXT, BWS or HTM files, please.

Include your club number in the subject line of your email message.
