

UNIT 174 STAC
OCTOBER 7-13, 2013
SANCTION NO. ST1310148
STaC Conditions of Contest
IMPORTANT

Club Managers must pre-register at the ACBL website prior to conducting a STaC game. The website will only accept the ACBL number of the club manager.

A. Types of Games Allowed

- 1. Statified Open Pairs**—combined for overall awards (see masterpoint limits below)
- 2. Stratified Swiss Teams**—Swiss Team overall awards are based only on the entry at each individual site.
- 3. Novice, 99er, 199er, 299er** or any intermediate novice game.
- 4. Invitational Games**—use same limits as for open pairs, will be combined for overall ranking.

B. Participating Club Rules

1. Any club within Unit 174 may hold a STaC in lieu of its regularly scheduled club game. Additional games may be held as allowed by ACBL club regulations and STaC Conditions of Contest.
2. The ACBL General Convention Chart will be used. Conventions and systems not allowed by the General Convention Chart will not be allowed.
3. Invitational games will be scored and ranked as sectionally-rated Championship events with 1 restriction (20% reduction) unless these games are open to all players and advertised as such in advance.
4. Limited masterpoint games will be scored and ranked alone unless a like limited masterpoint game is held at one or more other STaC sites.
5. Non-playing directors are encouraged but not required for games with no more than one section of 17 tables or less. Non-playing directors are required in games larger than 17 tables with two or more sections. If a director does play in a one-section game with 17.0 tables or less, the director and partner will be eligible for session, not overall, awards.
6. If a game for which you have registered is not held, please be sure to notify the ACBL director as soon as possible. Delaying notification will also delay processing the overalls for other clubs.
7. Hand records must be downloaded from the ACBL website link for the STaC and used for all pair games.
8. Only game of 5 tables (10 pairs) or more will be combined for overalls in the championship event. Smaller games will be combined in a separate, fully sectionally-rated open pair game.

IMPORTANT: Each club must report its results to the DIC **within 24 hours** from the end of the game (12 hours for the final session). Club games not reported within the 24-hour time limit will be scored, ranked and issued masterpoints as a sectionally-rated side game and will not be included in the overall awards. Any game not reported within the 12 hours of the final session will be returned to the club and rescored as a club game. **If you have a problem submitting your gamefile, contact the DIC immediately.**

Each club must post a copy of the recap for inspection at the end of each session.

Reporting must be via email attachment of the gamefile. In unusual circumstances, arrangements may be made with the DIC to report results in another way. Using ACBLSCOR, copy or back up your gamefile to a disk or flash drive (stick) and email the gamefile to the DIC by attaching the file to your email.

**Only send ACM, ACA or ACE files.
No LZH, TXT, BWS or HTM files please.**

Include your club number in the subject message of your email message.

2013
General Conditions of Contest and Guidelines for
Sectional Tournaments at Clubs (STaCs)

Sectional Tournaments at Clubs (STaCs) provide bridge players with the opportunity to win Silver Points at their local clubs. All of the ACBL's rules, regulations and guidelines for running a Sectional tournament apply to the organization and management of a STaC. ACBL's current STaC guidelines and fees will apply.

Sponsoring organizations may, with ACBL approval only, amend these conditions for a specific event. Such amendments should appear in all printed tournament schedules and be posted prior to the start of the event.

The Director in Charge shall make the final decision on any item in these conditions. Furthermore, the Director in Charge will resolve any issue not specifically covered.

SPONSORING UNIT

1. A STaC may be scheduled for up to seven consecutive days, but may include only one weekend—however, Management may grant an exception to the weekend requirement for cause. A sanction application must be sent to the appropriate District Tournament Coordinator at least 12 months prior to the scheduled tournament date. The ACBL may sanction a STaC when it receives the sanction application with fewer than 12 months advance notice if there are no scheduling conflicts and the STaC can be advertised in "The Bulletin" calendar schedule at least one month prior.

2. While only Units may apply for a sanction to hold a STaC there is no objection to a Unit nominating a District or Districts to conduct the tournament. In District-wide STaCs all clubs within the District(s) must be offered the opportunity to participate. Participation is at the club level when sponsored by a District. If a Unit outside of the sponsoring District wants to participate, all clubs within that Unit must be invited to participate (The unit must receive approval from its district coordinator).

3. A sponsor may schedule morning, afternoon and/or evening sessions. For the purpose of determining in which session a club should participate use the standard club session designations. The local sponsor must designate the sessions to be scheduled. As an example: Morning games would be those starting prior to 12:00 local time, afternoon games start prior to 18:00 local time and evening games 18:00 and later. Morning and afternoon games may not be combined as day games nor may afternoon and evening games be combined.

4. STaC sessions may be scheduled at any participating club for any session that the club has a regularly sanctioned game at that club. Additional games may be held at the option of the sanctioned club. However, when a scheduling conflict exists, preference shall be granted to the club that holds a regularly scheduled game (within a 25 mile radius) at the time in question. The STaC sponsor has the final decision.

5. Each Sponsor must develop a schedule of games and Conditions of Contest (CoC). This schedule and the CoC will be posted on ACBL's web site. Open and limited Stratified pair and Swiss team events may be scheduled. All pair events are single-session events. Team games shall be stand-alone events at the site played.

6. All masterpoints awarded are silver and sectionally-rated. Overall awards are based on the total entry in each event except that Swiss Team overall awards are based only on the entry at each individual site. Open events do not receive credit for other concurrent events.

7. The use of hand records is encouraged but not required. For a STaC using hand records, games at the sites not using hand records will be entered as a side game for ranking and masterpoint awards (65% of sectional rating).

8. Masterpoint levels and strat limits will be set by the STaC sponsor. The strat levels will be the same for all open pair games and for like limited pair games. Swiss team events are at club option.

9. The sponsor is responsible for notifying all club managers to register for the upcoming STaC. An email blast may be requested for those managers with an address on file. Snail mail notification will need to note that they must register on line and submit results by email to participate.

10. The organization receiving the sanction (sponsoring organization—SO) is responsible for the collection of any fees due from a participating ACBL sanctioned game. Each participating club is responsible for submitting all fees to the sponsoring organization in a timely manner. The SO is also responsible for ensuring that all fees due the ACBL are remitted in a timely manner. Should a participating club owe a debt to a unit, district, conference or ACBL, the SO may ask Management for assistance in collection as permitted by ACBL regulations.

PARTICIPATING CLUBS

1. Any club within the area of the participating Unit may hold a STaC game in lieu of its regularly scheduled club game. Additional games may be held, as noted above.
2. The ACBL General Convention Chart will be used unless the sponsor specifies and advertises otherwise.
3. A minimum section size of 10 pairs is needed to be included in the Championship session. Sections with fewer than 10 pairs may be reported, combined and included as a separate Sectionally-rated Championship event. This restriction may be modified or waived, prior to the start of the tournament, at sponsor option.
4. Invitational (not masterpoint limited) games will be scored and ranked as stand alone sectionally rated Championship event with 1 restriction (80% sectional rating) unless these games are opened to all players and advertised as such. Invitational clubs will use the same limits as the open event and will be combined for overall ranking.
5. Limited masterpoint games will be scored and ranked alone unless a like-limited masterpoint game is held at one or more other STaC sites. In this case, these games will be scored together for overall rankings and masterpoints awards.
6. Playing directors may not duplicate the boards in games using hand records. The club director of such a game may play only with the consent, in advance, of the DIC of the STaC.
7. Non-playing directors are encouraged but not required for games with no more than one section of 17 tables or fewer. Non-playing directors are required in games larger than 17 tables or with two or more sections. Club Directors who are eligible to play will receive masterpoints.
8. Each club must report its results to the DIC within the designated time limit. The time limit is 24 hours from the end of its game unless the sponsor specifies an earlier time limit. In no case may this time limit be less than 12 hours from the end of the game. Club games not reported within the time limit will be scored ranked and issued masterpoints as a sectionally-rated side game if received prior the final reporting period.
9. Reporting will be by email attachment of the gamefile. At sponsor option, special reporting arrangements may be made for games with fewer than 17 tables. Reporting procedures will be posted with the sponsor's STaC CoC.
10. The final reported period for the STaC ends 12 hours after the last event ends. Later reports will be returned to the club, to be reported as a regularly scheduled club session.

11. The correction period at each club is the same as the reporting time limit. A Club must post a copy of the recap for inspection at the end of each session.

12. The club manager must register for all sessions to be held using the registration proves available on ACBL's web site at least two days prior to the start date of the STaC. Late registrations are at the discretion of the DIC.

13. The club must notify the STaC DIC of any scheduled session that is canceled within one hour of the start time for the session.

14. The STaC sponsor may require clubs to download hand record files from ACBL's web site.

15. In order to be eligible for overall awards in a STaC or any event that is scored across more than one club, the minimum number of boards played is set at 20.

Director-in Charge

1. The DIC of a STaC must be an ACBL Tournament Director or higher rank.

2. The DIC of a STaC and the sponsor will develop reporting guidelines and specific CoC to be posted on ACBL's web site at least six weeks prior to the start of the STaC.

3. The DIC of a STaC will label hand records when used.

4. The DIC will organize and provide results to participating clubs for each session after the deadline for reporting the game results.

5. The DIC will create reports at the end of the STaC as requested by the sponsor.

6. The DIC will provide standard Sectional tournament reports.

7. In addition to the expected functions of a DIC, the DIC may be asked to perform a variety of additional tasks. Typical tasks may include distribution of hand record printouts, pre-tournament advertising or a post-tournament bulleting. The DIC and the sponsor will determine the time and fees for these tasks.
