19:21:59 From Ellis Feigenbaum to Everyone:

We had someone put duct tape on his partner

19:23:06 From Robert Maier to Everyone:

Greg going to make someone forget their question.

19:23:33 From Alan Hedegard to Everyone:

When I send in F2F results (including the BWS file) to "live", The contract and leads do NOT show. Anyone suspect the cause for that?

19:24:38 From Lynn Chapin to Everyone:

@Alan, please email me and include club # and the date so I can troubleshoot for you.

19:24:55 From Dave Dodgson to Everyone:

We reopened this week for Royal STaC. We require vax and masks.

19:25:11 From Lynn Chapin to Everyone:

@Alan please email to vacb@acbl.org

19:25:21 From Malena McGrath to Everyone:

We stopped F2F right after Christmas because everyone was spending time with family. We started up last Tuesday

19:25:30 From Kay Read to Everyone:

we had a case of covid hit and closed for one month & then went back to F2F. We require proof of vac. but masks are optional+

19:25:50 From Wes Powers to Everyone:

We require vac and masks.

19:26:38 From Brian Jones to Everyone:

We are in Canada, another world I know, but when we reopened the 1st time, think about air circulation and we bought 2 HEPA filters. Can't say it made a huge difference, but before we were shut down AGAIN, no cases occurred. Like said by someone else, vax and masks were required.

19:28:47 From A. Marie Callbeck to Everyone:

In Canada we have provincial Health Authorities that post really good information on the "guidelines" of what to do if you personally have had a diagnosis of Covid or have recently recovered. Might be useful information to be conveyed to club members.

19:29:33 From Marilyn Goldstein to Everyone:

can video be used in casual games on BBO?

19:29:48 From Malena McGrath to Everyone:

How about "Voice" Doesn't work in teaching tables

19:30:04 From Susan Mazzei to Everyone:

I tried it in a casual game yesterday. It worked, but when I turned it off all of my other sounds would not come back on.

19:30:11 From Laurie Levin to Everyone:

I cannot make out the calendar of special games face to face and virtual and also how many club championships we get

19:31:03 From Shelley Fishman to Everyone:

We require vax and masks. They work! One player started showing symptoms the day after a game and no one else caught it.

19:31:37 From Lynn Chapin to Everyone:

@Laurie ... <http://web2.acbl.org/documentLibrary/clubs/SpecialGamesChart2020.pdf>

And please email me and I'll send you the other part. Send to vacb@acbl.org

@Laurie - for virtual the calendar is here:

19:32:07 From Don Freeland to Everyone:

The sound effects should return when you close the video or mute yourself

19:32:34 From Don Freeland to Everyone:

The sound effects won't return if you just minimize the video

19:32:51 From Morris "Mojo" Jones to Everyone:

IF you download a monthly player directory, that's still accurate isn't it?

19:32:57 From Morris "Mojo" Jones to Everyone:

But it's a month behind. I get it.

19:34:56 From suemanning to Everyone:

Again, there is an ability for reporting on games both f2f and online, see the tool in the onboarding doc

19:35:08 From suemanning to Everyone:

19:35:17 From Dave Heron to Everyone:

Can. You talk during play when video chat is on

19:35:43 From Don Freeland to Everyone:

Yes, you can talk with video on if you don't mute yourself

19:36:14 From Phil Benamy to Everyone:

previous years it did not -- at least in district 9

19:36:15 From Dave Heron to Everyone:

So the players can talk during play?

19:36:49 From Phil Benamy to Everyone:

@Dave H -- players can talk during f2f play

19:37:02 From Ramona Doll to Everyone:

In an email from ACBL last night they said club managers could use any of the 8 upgraded club championships that were not able to be used in 2021. We thought clubs could only use one per quarter. Do we get 2 per quarter?

19:37:32 From Phil Benamy to Everyone:

Doesn't the contract with BBO prohibit that ?

19:37:38 From Don Freeland to Everyone:

Yes, the microphones are open, so you can hear the opponents if they are talking

19:38:11 From Tom to Everyone:

Does the director hear ALL the talking?

19:38:40 From Don Freeland to Everyone:

The director can hear all the talking if they are at the table and join the video chat

19:40:24 From Libby to Everyone:

I am very impressed by how stable ACBLscore is. Our only problems have been our problems.

19:40:46 From Kay Read to Everyone:

I like Table History because the director can go to it and review exactly what was said when there is a dispute between players. Will the audio chatter be recorded anywhere?

19:41:26 From Don Freeland to Everyone:

Audio is not recorded due to Privacy issues

19:41:28 From Lynn Chapin to Everyone:

RAMONA email me@!

19:41:35 From Lynn Chapin to Everyone:

19:41:52 From Ellis Feigenbaum to Everyone:

19:42:38 From mark cohen to Everyone:

19:42:41 From Rich Carle to Everyone:

Thanks for an informative session, Greg.

19:43:01 From Lynn Chapin to Everyone:
