19:08:36 From Edward Scanlon to Everyone:

Greg what about District 4 for these upgraded games

19:09:15 From Edward Scanlon to Everyone:

are being told only in August for us

19:09:23 From Coach Diana to Everyone:

so you need to select upgrade club champ for back to club in ACBL score

19:09:39 From Arline to Everyone:

what do we put in for back to club?

19:10:04 From Lynn Chapin to Everyone:

@Arline - just rate it for Upgraded CC.

19:10:05 From Linda Green to Everyone:

I saw week 10th July Week 7th Nov. and week 20th Nov are also upgraded CC? For the whole of those weeks?

19:10:21 From Lynn Chapin to Everyone:

@Linda - June 27-July 10 and November 7-20

19:11:24 From Boardman to Everyone:

Terrible deal for Monday games. One is NAp because we are running TLD and the other is July 4 when we don't have a game.

19:12:57 From Lynn Chapin to Everyone:

@PC - please email club@acbl.org and ask them. They'll be happy to help you with this.

19:13:45 From Joe Grill to Everyone:

"Virtual Club Visitor Policy

The Virtual Club Visitor Policy has been updated here. The only change is that ACBL will no longer be enforcing the policy for VACB clubs running fewer than 50 tables per week. This was introduced to allow small clubs to grow their online games, and it will go into effect on June 1, 2022."

19:13:56 From Bob Shuken to Everyone:

19:14:32 From Angie Strainic to Everyone:

19:14:43 From Marie to Everyone:

We should be so lucky!

19:14:48 From Rob Williams to Everyone:

Does it apply to BBO ACBL games?

19:15:45 From Joe Grill to Everyone:

Great question, Rob.

19:15:49 From Edward Scanlon to Everyone:

since BBO is a club are their masterpoints being lowered as well

19:18:02 From Angie Strainic to Everyone:

How do we convince our players of that?

19:19:49 From Joe Grill to Everyone:

19:19:52 From Lynn Chapin to Everyone:

19:20:13 From Joe Grill to Everyone:

Yes.

19:22:25 From Lynn Chapin to Everyone:

TDDon is baaaaaaaaaack. Get those hard BBO questions warmed up for him. :)

19:23:28 From Kevin O'Brien to Everyone:

BBO has no \$\$ benefit from fixing that glitch -- so they won't unless ACBL has some leverage with them ...

19:23:29 From Edward Scanlon to Everyone:

19:39:39 From Joe Grill to Everyone:

Do you know how long it would take to earn 20 MP in a beginner game? :)

19:40:17 From Tom to Everyone:

Some pro will play with the beginner and it will take no time at all

19:41:02 From Joe Grill to Everyone:

If a beginner is hiring a pro, they'll spend the \$50 and join the ACBL.

19:41:27 From Robert Maier to Everyone:

Does that include NAP?

19:48:35 From Arline to Everyone:

I agree with Sherrie.... I have had player NOT play in our club but went to BBO/ACBL

19:48:46 From Dave Heron to Everyone:

I agree with Sherrie. I dont think the online games will go away

19:49:00 From suemanning to Everyone:

does BBO/ACBL pay up to 4.)?

19:49:01 From Lynn Chapin to Everyone:

@Sherrie ... that is NOT us ... it's BBO.

They are not "OUR" games. They are BBO's games.

19:49:05 From suemanning to Everyone:

4.5?

19:49:09 From Edward Scanlon to Everyone:

BBO is a club and pays same fees we do I beleive

19:49:18 From Judy Knox to Everyone:

I agree

19:49:44 From Joe Grill to Everyone:

<http://web2.acbl.org/documentlibrary/play/NAP/CoC.pdf>

19:49:51 From suemanning to Everyone:

Is ACBL unable to lower the BBO mps the same?

19:49:55 From Tom to Everyone:

You keep saying it's not "us" But it says ACBL on BBO so it's associated with ACBL. Trademark ACBL and tell BBO to stop using it

19:50:14 From Coach Diana to Everyone:

Are they lowering the top mp can be earned in BBO ACBL games?

19:50:26 From Tom to Everyone:

Thanks Joe

19:50:32 From TDDon to Everyone:

BBO just raised their player fees for speedball and 18 board games today.

19:50:59 From Tom to Everyone:

Reopened? Barely in our case

19:51:10 From stitchqueen24@aol.com to Everyone:

Give us more special games again and allow us to run stacs online - our players love virtual games

19:51:23 From Len Case to Everyone:

Of the 400 pairs in a BBO ACBL game, only 2 pairs win more than 2.5 mp's

19:51:25 From Julie Jawor to Everyone:

how many of those have remained open?

19:51:31 From Arline to Everyone:

Even if 2/3 open, how many players have come back to those clubs?

19:51:37 From Lynn Chapin to Everyone:

@Tom - BBO is running those games contractually. They have a contract with ACBL to be able to run games. (Obviously, I don't know the particulars.)

19:51:39 From Morris "Mojo" Jones to Everyone:

I just created a North American Pairs game file "Rating*: Club - North American Pairs" and set strats: "MP Limits: 5000/750/100" ... The defaults offered matched the NAP strats, but it didn't prevent me from changing them.

19:51:49 From Lynn Chapin to Everyone:

IT WAS ON THE TABLE

19:51:50 From Nicole D to Everyone:

yes

19:52:01 From Joe Grill to Everyone:

The 100 strata will not pay Red/Black... just black.

19:52:11 From Rich Carle to Everyone:

Our experience is the same as Sherrie's - the virtual club games are keeping the F2F clubs open.

19:52:25 From Judy Knox to Everyone:

He is correct

19:52:26 From Tom to Everyone:

@Lynn: And you won't share the contract so we're all in the dark about this deal that keeps the clubs from doing well

19:52:31 From Nicole D to Everyone:

that's what I heard

19:52:34 From dough to Everyone:

no he said the board was CONSIDERING that, but in the end they seem to have decided against it...and it hasn't ever been implemented...

19:52:58 From Edward Scanlon to Everyone:

no more silver or gold this year online

19:53:07 From Edward Scanlon to Everyone:

19:53:32 From Dave Heron to Everyone:

19:54:04 From Edward Scanlon to Everyone:

it is facts. ACBL trying to help face2face.

19:54:09 From sam k (houston) to Everyone:

Can't change at all. set it only once

19:54:16 From Lynn Chapin to Everyone:

In fact, Susan, once you set that option, it stays that way. You will not be able to change it.

19:54:33 From Edward Scanlon to Everyone:

right or wrong. 2 1/2 years ago ACBL did this to help online as well

19:54:39 From Edward Scanlon to Everyone:

only fair.

19:54:42 From Edward Scanlon to Everyone:

doing best they can

19:54:54 From Tom to Everyone:

How is ACBL helping f2f when my players are playing in big games like BAND, etc and won't come out to my game:

19:54:56 From Tom to Everyone:

?

19:55:16 From Edward Scanlon to Everyone:

19:55:56 From Edward Scanlon to Everyone:

19:56:42 From Robert Maier to Everyone:

19:56:46 From Edward Scanlon to Everyone:

join smaller clubs in your area so you can compete with larges club

19:56:58 From Tom to Everyone:

That's already done.

19:57:09 From Edward Scanlon to Everyone:

I can drive to each of those games I mean...same thing can occur online

20:00:05 From Dave Heron to Everyone:

they tried to stratify it, not according to NAP strats.

20:02:37 From Joe Grill to Everyone:

... so what's the point of running a NAP game if you have an invitational club???

20:02:56 From Lynn Chapin to Everyone:

@OJARS -- please shoot me your club number?

20:07:00 From Kimberly to Everyone:

what she says is true!

20:07:13 From Josie Doherty to Everyone:

I have the same complaint. Southfield, Michigan, yields clubs in California, and many places far from the Detroit area. It didn't used to be this way. Can ACBL fix this?

20:07:26 From Lynn Chapin to Everyone:

@Angie - are you talking about a search HERE:

20:08:48 From jonni faircrest to Everyone:

Can we run a virtual NAP online after the weekend during the longest day week? (june 20- june 26)

20:08:54 From Marie to Everyone:

Clubs are listed as long as the sanction is paid for.

20:08:54 From Kimberly to Everyone:

mojo - teachers in Canada, search works perfectly

20:09:03 From Kimberly to Everyone:

tee hee

20:11:13 From Lynn Chapin to Everyone:

@Jonni - you can run two NAP games online per regularly scheduled session - in June, July, August. You can run these any day in June EXCEPT June 18 - 19.

20:11:21 From Tom to Everyone:

Those links Lynn gave show list of results, not info about where a club is and when it meets

20:12:06 From Morris "Mojo" Jones to Everyone:

20:12:11 From Lynn Chapin to Everyone:

20:13:21 From Kimberly to Everyone:

club support # is 9-4:30 Central M-F. but return messages evenings & weekends

20:14:26 From Morris "Mojo" Jones to Everyone:

I understand :) Sadly I've only ever need "club support" on a weekend.

20:14:55 From Angie Strainic to Everyone:

I AGREE!

20:15:13 From Ellis Feigenbaum to Everyone:

standard oil.

20:17:43 From Rich Carle to Everyone:

Note: contracts can be renegotiated or voided. I suggest that ACBL seriously examine their contract with BBO and make changes in view of the current situation.

20:19:11 From Edward Scanlon to Everyone:

we need new players

20:19:21 From Edward Scanlon to Everyone:

that is on clubs and teachers

20:19:27 From Edward Scanlon to Everyone:

with ACBL support

20:19:39 From Tom to Everyone:

As I said above, ACBL won't share the details of the contract with BBO to us.

20:19:47 From Edward Scanlon to Everyone:

but agree ELLIs

20:20:06 From Tom to Everyone:

I'm going to try a f2f beginner class in September. Wish me luck

20:22:53 From Edward Scanlon to Everyone:

YES ABCL need to lower BBO points. they are a club

20:23:01 From Edward Scanlon to Everyone:

they can do it

20:23:47 From Kevin O'Brien to Everyone:

the ACBL contract with BBO has fine print that says BBO has ACBL by the short hairs

20:23:57 From Edward Scanlon to Everyone:

also FYI face2face in a few months will allow more pints the more boards they play. 27 boars will pay more then 21...coming in a few months

20:24:38 From Tom to Everyone:

Kevin, have you been able to see the contract?

20:24:54 From Edward Scanlon to Everyone:

BBO saved us now they got out players...what can we do

20:25:14 From Nicole D to Everyone:

made more money on virtual

20:25:34 From Kevin O'Brien to Everyone:

it may be hidden under the Cone of Silence

20:25:42 From Tom to Everyone:

@Edward, how do you know that and why is everything a "few months" away.

20:26:03 From Robert to Everyone:

Combining clubs is an interesting idea. For example, there are 2 clubs (25 miles apart) that both run games Monday afternoon. Could we combine the results to 1 combined game and give out much higher points?

20:26:12 From Susan Mazzei to Everyone:

Double point games are not bringing extra players to the games. Only colored points attract more players.

20:26:40 From Edward Scanlon to Everyone:

because the mastepoint engine is being coded for this. I just was lucky for once to get info before many

20:27:10 From Lynn Chapin to Everyone:

@Robert ... no, but you can share players and alternate game says/times... and have larger games that way. If you would like to investigate this, please email me. VACB@acbl.org

20:27:12 From Ann Caparros to Everyone:

No, they are probably free agents

20:27:22 From Debra Freisleben to Everyone:

vPortal

20:27:27 From Lynn Chapin to Everyone:

@Faye..... email me VACB@acbl.org you can use the VPortal.

20:27:31 From Kimberly to Everyone:

they subbed for you once and got on the list

20:27:54 From Robert to Everyone:

Lynn - understood, Charlotte moved their game to Wed already so that they didn't compete with the 2 of us already. Just an interesting thought -since it's like what they are doing in virtual

20:28:16 From Paul Davis to Everyone:

That's not true. Folks are showing up in our club who are not on our Include or Guest list because they are playing with someone who is.

20:28:26 From Edward Scanlon to Everyone:

Ellis you are so right. Feel bad Greg gets the heat for this because you know what he did for us like I do

20:29:00 From Lynn Chapin to Everyone:

@Paul ... yes, if they are invited by a member they can play. But they cannot register themselves...

20:30:03 From Edward Scanlon to Everyone:

the only way to fix it is blow the whole thing up again. clear the include list and start with players who played face2 face since 2022 in clubs pooled with your online club

20:30:08 From Stephen Laufer to Everyone:

as long as the Consortium Clubs exist, then they can accept more Guests/Visitors than anyone else. They can continue to grow exponentially whereas other middle of the road clubs cannot grow as they can.

20:30:34 From Paul Davis to Everyone:

I agreed to the All Western 99er game ... then they added a 199er section. I would like to see these groups working to bring in new players and direct them back to their local clubs when they gain some experience.

20:30:48 From Dave Heron to Everyone:

Thanks Greg & Lynne for all your time

20:31:08 From Edward Scanlon to Everyone:

Yes thanks Lynn and Greg

20:31:11 From Stephen Laufer to Everyone:

agreed, thanks to Lynne and Greg

20:31:16 From Pramod Khanna to Everyone:

Thanks Greg and Lynn - All the best

20:31:35 From Angie Strainic to Everyone:

Each club can make the results private so no one but the players can see it

20:31:43 From Pramod Khanna to Everyone:

It is working

20:31:46 From Edward Scanlon to Everyone:

we could have went to Swaan of OK bridge also

20:31:55 From TDDon to Everyone:

It has to be virtual club game to be on L4C

20:32:02 From Susan Mazzei to Everyone:

I agree that the 99er club should not have been able to add 199er. They are taking people away from my 499er.

20:32:11 From suemanning to Everyone:

f2f you can't replay... we've had complaints LOL

20:32:57 From Ellis Feigenbaum to Everyone:

99er game pays more monet to individual clubs than syc. if they are playing in 99 you are gettingh paid. 99 is guest free.

20:33:02 From Paul Davis to Everyone:

@ Lynn. Does this mean only folks on the Guest List of clubs with no guest limits because they are fewer than 50 tables a week can register?

20:33:03 From Al Ox to Everyone:

Maybe they weren't logged in to ACBL Live

20:33:07 From Tom to Everyone:

@Sue Manning: And you can't clear all the cards off the table when time is up (LOL)

20:33:44 From Robert Maier to Everyone:

never went down

20:34:11 From Robert Maier to Everyone:

Go AVS!!!

20:34:15 From T29 Chris Wiegand to Everyone:

Thanks all -- bye bye

20:36:52 From Lynn Chapin to Everyone:

Night, all! Great meeting!
