

18:57:57 From Kay Read to Everyone:

I can hear people but it is really garbled. can others understand what is being said+

18:58:00 From Jim Ricker to Everyone:

there we go

18:58:18 From elsa nail to Everyone:

hi jim! thanks

18:58:51 From Kay Read to Everyone:

now I can not hear anyone. is this by design

18:59:01 From Jim Ricker to Everyone:

yes

18:59:05 From elsa nail to Everyone:

no sound

18:59:14 From David Goetz to Everyone:

Now I can't hear anything

18:59:19 From Jim Ricker to Everyone:

no one is speaking at the moment... the meeting hasn't started

19:00:31 From Debra Freisleben to Everyone:

There's Lynn!

19:02:17 From Phyllis Jones to Everyone:

How do I raise my hand?

19:02:18 From Bradley Bartol to Everyone:

F6

19:02:58 From Maureen to Everyone:

Has anyone else had difficulty paying their monthly table fee? My screen just keeps freezing on billing info.

19:04:10 From Cindy Stewart to Everyone:

does your director verify the masterpoint rating at the end of the game?

19:05:02 From Bradley Bartol to Everyone:

Yes.Those things are true.

19:05:11 From Maureen to Everyone:

Can you give me the steps again to see how many upgraded championships we have run please

19:05:36 From Coach Diana to Everyone:

You need to do a PF6 before you look at the scores

19:06:22 From Coach Diana to Everyone:

You need to search for Club Champ, then count them

19:06:38 From Maureen to Everyone:

How do you search for them

19:07:28 From Phil Benamy to Everyone:

Were clubs given 8CC+2UCC in total or in addition to the regular ones

19:07:35 From Sharon to Everyone:

does it matter how many games you have? for ex, if you started on 12/31/21 do you still get 10+10+10?

19:07:52 From Chris Wiegand to Everyone:

@Phil: in addition to the usual once per quarter club championship

19:08:52 From Chris Wiegand to Everyone:

I don't know off top of my head, but CC being higher seems right

19:09:01 From Chris Wiegand to Everyone:

I will look up MPBook to make sure

19:09:10 From Robert to Everyone:

63.6% sectional-rated black points for club championship - which is more than regular x 1.5

19:09:40 From Zoom user to Everyone:

Could they make this any more confusing??? Makes me happy to stay virtual!

19:09:47 From Robert to Everyone:

easy to check on the special games site on ACBL.org

19:10:15 From Sharon to Everyone:

@chris does it matter how many games you have? for ex, if you started back to f2f on 12/31/21 do you still get 10+10+10?

19:10:18 From Sherrie Goodman to Everyone:

If you have a 501c3 club, please send me your email. I am trying to get that rating for my club.

19:10:27 From Phil Benamy to Everyone:

to see how many you have do the following

19:10:35 From Phil Benamy to Everyone:

goto

live for clubs

find your club

set (mid upper left) show 25 entries

click Rating -may have to click twice

it will go alphabetically

club championship/club rating points/upgraded club championships

19:11:37 From Phil Benamy to Everyone:

It is a double arrow to the left of Rating

19:12:11 From Ellis Feigenbaum to Everyone:

April should not be a problem as all games can run as charity games.

19:12:52 From Lee Daugharty to Everyone:

Wendy, are you on an iPad?

19:13:11 From Coach Diana to Everyone:

You can also, just put Club champ in the search field

19:13:23 From Libby to Everyone:

our problem is that it may say club championship, but the awards are not actually championship

19:15:17 From Robert to Everyone:

8 weeks of club championships - not to be split across multiple weeks.

19:15:36 From Libby to Everyone:

why would she be blocked?

19:15:58 From Lee Daugharty to Everyone:

You're the best Lynn!

19:16:10 From Libby to Everyone:

did we suddenly become the enemy

19:17:08 From Steve's iPad to Everyone:

The tone of the email was not very personable.

19:18:01 From Cindy Stewart to Everyone:

actually, 1 bonus week in 2021 and 4 bonus weeks in 2023. (Club Championship)

19:18:05 From Libby to Everyone:

Paying fees is separate from game ratings

19:19:15 From Bradley Bartol to Everyone:

That is true. 4 + 2 UCC

19:19:15 From sam k (houston) to Everyone:

Yes. two extra UCC: June/Jul and Noiv

19:19:38 From Bradley Bartol to Everyone:

Yes, Lynn

19:19:41 From Chris Wiegand to Everyone:

yes I think they were upgraded for the bonus weeks

19:19:42 From sam k (houston) to Everyone:

yes -- four fixed date and two flexible

19:20:04 From Mette Smith to Everyone:

Wouldn't it be easier if we voluntarily sign up for 3 weeks per month of special games, pay the fees. The ACBL can decide where the money goes, I don't think anybody cares. If you don't want this services, you can pick and choose like we do now?

19:21:41 From Bonnie to Everyone:

How many upgraded and how many club championships do we get in 2023

19:22:02 From Rita to Everyone:

Sorry - the email with the dates for the upgraded weeks was very clear>

19:22:09 From Debra Freisleben to Everyone:

8/2

19:22:33 From Mette Smith to Everyone:

8/2 in addition to the regular calendar.

19:22:50 From Al Smith to Everyone:

Greg also said clubs could carry over unused from 21. How is that accounted fo?

19:23:06 From Maureen to Everyone:

We were confused about this too.

19:24:04 From Phil Benamy to Everyone:

It would be really nice if ACBL could send an email indicating how many EVERY club has unused.

19:24:07 From Bonnie to Everyone:

what is in the regular calendar

19:24:13 From sam k (houston) to Everyone:

four were "use it or lose it" on specific dates

19:24:23 From Bradley Bartol to Everyone:

No. Those specific dates ones DO NOT carry over.

19:24:55 From Al Smith to Everyone:

When Greg discussed, e said the first 6 month. Then he said more after the first six months. This is a total mess.

19:25:43 From Al Smith to Everyone:

How does this apply if there were Expanded Club Championships awarded for new ACBL members?

19:29:25 From Robert to Everyone:

is there an issue with tournament results web site?

19:29:39 From Ellis Feigenbaum to Everyone:

its not a mess ,its a cash grab. it seems to be working quite well

19:29:53 From Mette Smith to Everyone:

lol

19:30:27 From Sharon Smith to Everyone:

Does the +allavail+ hack work for Swiss?

19:30:33 From Ellis Feigenbaum to Everyone:

you run games online and succeed you get fined 4 bucks a table, you add in an extra club championship you get taxed 150.

19:31:32 From Valarie Remmers to Everyone:

I have a random question not from email; We are planning to run an 8 is enough. Is there a standard stratification that people use i.e. Over 2000 mps are 3, 750-1999 are 2s and under 750 are 1

19:31:34 From Ellis Feigenbaum to Everyone:

acbl on the other hand is running a balanced budget, while it doesn't have to pay anyone, might do them well to remember we pay the wages

19:31:39 From Sherrie Goodman to Everyone:

LT hack for swiss?????

19:32:03 From Sherrie Goodman to Everyone:

Anyone else have 501c3 who might be willing to advise me?

19:32:17 From Ellis Feigenbaum to Everyone:

last I checked It and allavail don't work on swiss.

19:32:19 From Chris Wiegand to Everyone:

I do not think it will come into ACBLScore in the foreseeable future.

19:32:40 From Ellis Feigenbaum to Everyone:

sherrie what help you need with 501c3?

19:32:41 From Phil Benamy to Everyone:

@Valerie -- the strats for 8 is enough will vary from club to club -- have your director make their best guess

19:33:00 From Libby to Everyone:

unfortunately in live, it labels it a championship game but the awards are not championship and do not match the printed report.

19:34:10 From Bonnie to Everyone:

can't you sue the membership list for the actual points

19:34:39 From Maureen to Everyone:

Am I correct in understanding that the clubs that are over will be notified then we have the option to roll them back?

19:34:56 From Mette Smith to Everyone:

there's a hand up

19:35:41 From Jackie Zayac to Everyone:

Please run lots of Charity games on behalf of the Charity Foundation this month, please!

19:36:55 From Robert to Everyone:

all my club games are charity (lots of nice points) - 4 for ACBL and 3 local charity

19:37:51 From Rita to Everyone:

how do you designate the local charity to take 1/2 and share with acbl charity foundation when running a charity game

19:40:36 From Phil Benamy to Everyone:

@Rita you have to designate a single charity per game -- and half your charity game must be ACBL charity

19:41:20 From Susan to Everyone:

There are online clubs running multiple limited games at the same time

19:41:57 From Sherrie Goodman to Everyone:

yes, there are .

19:42:25 From Susan to Everyone:

Been happening for 3 years. Now you're saying that was wrong?

19:42:38 From Chris Wiegand to Everyone:

If it is run in the tournament area, it should be fine

19:42:44 From Chris Wiegand to Everyone:

I think it is in club area only

19:42:59 From Susan to Everyone:

VACBs

19:43:09 From Valarie Remmers to Everyone:

Just want to express my desire to have ACBLscore updated with N/18 also. we upload the game file to our website, so now our website has different scores than ACBL live

19:43:39 From Debra Freisleben to Everyone:

They aren't going to upgrade ACBL Score.

19:43:39 From Sharon to Everyone:

sounds like the problem is renaming the file outside of acblscore

19:43:42 From Bradley Bartol to Everyone:

It won't be there and if you attempt to upload again, it will identify it as a duplicate.

19:44:02 From Sharon to Everyone:

not naming on a different day within acblscore

19:44:07 From Chris Wiegand to Everyone:

one more hand

19:45:24 From Chris Wiegand to Everyone:

It is in the Club manager area of live for clubs

19:46:21 From Sharon Smith to Everyone:

Thank you! Very helpful

19:46:24 From Libby to Everyone:

thank you
