

18:32:45 From A. Marie Callbeck to Everyone:

Please mute yourselves. I am canadian and don't need to hear about this. Thanks.

18:37:34 From RoberT9 Maier to Everyone:

I really don't know what being Canadian has to do about anything. You should probably have several goose squadrons on standby perhaps.

18:44:24 From A. Marie Callbeck to Everyone:

HahA. Our Canadian Geese do cause problems in some areas. :)

18:51:12 From Jane Hughes to Everyone:

Does ACBL have any free or low cost give-away to be given at an open house to attract new players?

18:53:43 From Kay Read to Everyone:

to all club managers, do you still require that all 1nt ranges be alerted or just ones that are not 15-17?

18:54:39 From Robert Whiting to Everyone:

all nt ranges are announced

18:54:39 From A. Marie Callbeck to Everyone:

Until ACBL tells us otherwise, we require all NT ranges to be announced

18:54:53 From Bob Shuken to Everyone:

I announce

18:55:07 From Terry to Everyone:

announce

18:55:20 From TJ Singer to Everyone:

All announced

18:55:39 From debbomipad to Everyone:

All ranges to be announced

18:55:46 From John Nichols to Everyone:

all ranges must be announced. At the club we follow tournament regulations a must as possible. Don't like to hear about people getting into problems at tournaments because the rules are different there.

18:56:04 From iPad (3)Victoria Vallone to Everyone:

I do not

18:56:31 From Greg Coles to Everyone:

I agree with John. I think it's best to keep people in good habits considering how easy it is for us to all slip into bad ones.

18:56:38 From Stephanie to Everyone:

didn't think it was optional . . .

18:56:41 From iPad (3)Victoria Vallone to Everyone:

Following speedball guidelines

18:56:58 From A. Marie Callbeck to Everyone:

BBO is not ACBL

18:57:01 From 7NTWorld Director to Everyone:

All ranges must be announced. BBO games have gotten people into the nasty habit of "announce unless your range is 15-17"

18:57:17 From Morris "Mojo" Jones to Everyone:

I think keeping club games in line with tournament practice is wise. That said, ... why doesn't everyone have a convention card? :)

18:57:30 From Susan Mazzei to Everyone:

No one announces or alerts anything in speedball

18:57:51 From John Nichols to Everyone:

who plays speedball at their club?

18:58:00 From Robert Whiting to Everyone:

theyre too busy conferring with their partner on the phone

18:58:22 From 7NTWorld Director to Everyone:

18:58:22 From Laurie Levin to Everyone:

Why are there no more special games in the virtual clubs

18:58:51 From 7NTWorld Director to Everyone:

Because the board thinks special games for VACBs hurt club attendance.

18:58:55 From Phil Benamy to Everyone:

no special games to encourage face to face

18:59:02 From Kay Read to Everyone:

Thanks all. Have been getting a lot of flack because we require announcing., players said we are the only one. just wanted to see what others were doing

18:59:13 From RoberT9 Maier to Everyone:

My kingdom if people who are not on the board would stop speaking for the board.

18:59:14 From iPad (3)Victoria Vallone to Everyone:

They want players back f2f

18:59:38 From iPad (3)Victoria Vallone to Everyone:

And at tournies

18:59:39 From Phil Benamy to Everyone:

If the board would show up for these meetings...

19:00:17 From RoberT9 Maier to Everyone:

My kingdom is quite modest so I don't expect any takers.

19:00:20 From Dave Heron to Everyone:

there are many who are just not going to return to F2F

19:01:47 From Joseph Coulter to Everyone:

looking for someone with a unit run club We are 26 years late with the IRS

19:02:21 From RoberT9 Maier to Everyone:

I'm waiting for some information about argonauts

19:02:36 From Bob Shuken to Everyone:

congratulation Jackie

19:03:08 From Tom to Everyone:

I record Sharks games and then I can speed through the intermissions

19:03:23 From RoberT9 Maier to Everyone:

I'm her representative

19:03:31 From RoberT9 Maier to Everyone:

god help me

19:04:14 From Martin Hunter to Everyone:

Do we still have to DBadd our club games?

19:04:44 From Phil Benamy to Everyone:

@Martin -- if you want to run reports

19:05:01 From Debra Freisleben to Everyone:

Whew! Glad our tournament was moved

19:07:55 From RoberT9 Maier to Everyone:

@Martin - Not for ACBL, only to keep your records.

19:08:39 From Michael Kruley to Everyone:

Assume Upgraded Club Champ games still on for Nov 7-20

19:10:46 From RoberT9 Maier to Everyone:

@Michael - Yes, F2F only

19:11:49 From Brenda to Everyone:

We are sanctioned for Monday afternoons, but it always comes up we are not sanctioned for Mondays, Anyone know why or how to fix? This is in Bridgemates

19:12:05 From iPhone di Malena B. McGrath (2)z to Everyone:

I disagree let people have the possibility to play regional/sectional tournaments online too. ACBL does maybe 2 or 3 a year online can't hurt

19:12:06 From sam (houston) to Everyone:

Are they set up in ACBL Score>

19:12:14 From Debra Freisleben to Everyone:

You have to load it into ACBL Score

19:12:16 From Greg Coles to Everyone:

You need to add that session in ACBLScore Brenda.

19:12:49 From Marie to Everyone:

Brenda - Check your club set-up in Data Base

19:14:13 From Tom to Everyone:

Marie-I try to make a change and it won't let me telling me the section is already added but when I try to use that section, I get the message that I'm not assigned that section

19:14:38 From sam (houston) to Everyone:

But they do help with club costs -- \$1 per table for CC vs. \$5 per table for fund games

19:15:11 From Wendy Egeland to Everyone:

When does District 18 get a royal STaC?

19:16:16 From Sharon Smith to Everyone:

we have that question as well - seasonal choices when the F2F game does not fill

19:16:24 From Rich Carle to Everyone:

D18 is joining with D20 for Royal STaC Dec 5 -11

19:16:55 From Wendy Egeland to Everyone:

thank you

19:17:12 From sam (houston) to Everyone:

But do you get the extra points that you would get in a F2F game?

19:17:21 From sam (houston) to Everyone:

would not be fair to other VACB games

19:17:26 From janice barton to Everyone:

Lets talk about ACBL score

19:17:29 From Joseph Coulter to Everyone:

having a lot of trouble with audio. Jackie Z knows my contact we are looking for anyone with unit run club and info as to IRS exemptions I don't know if I can listen much longer

19:18:20 From RoberT9 Maier to Everyone:

This is pretty good

19:18:28 From Nicole D to Everyone:

turn off camera

19:18:30 From Joe Grill to Everyone:

19:18:30 From RoberT9 Maier to Everyone:

Long time listener first time caller

19:18:32 From Jim Ricker to Everyone:

ROFL

19:19:13 From Nicole D to Everyone:

Portugal here

19:20:06 From Jim Ricker to Everyone:

our club just dealt with an 18 year problem, paid a bunch

19:20:15 From wil bedard to Everyone:

My sister had this issue with an NAACP group in DE years ago.... The IRS was most helpful... it took awhile but they got it all cleaned up with no issue.

19:20:40 From dick Hartman to Everyone:

Check with Unit 146 President

19:21:11 From Tom to Everyone:

I was going to say the same thing, Greg.

19:21:23 From Tom to Everyone:

About the NHL

19:21:55 From Doug Bradley to Everyone:

This has sunk to idiocy. Bye all - Jeopardy awaits!

19:22:53 From Marie to Everyone:

Tom- after covid I had to clear out the DB and set everything up again for the club game set-up

19:23:44 From Tom to Everyone:

I did that, too and may have to do it again although I may not have to direct for one of the clubs unless it's an emergency

19:24:28 From Sherrie Goodman to Everyone:

Have any of you upgraded to Windows 11 from Windows 10?

19:24:43 From gabriella bowling to Everyone:

not yet

19:24:45 From Rich Carle to Everyone:

yes

19:24:50 From Tom to Everyone:

ACBLScore works fine on Windows 11

19:24:55 From Debra Freisleben to Everyone:

Is anybody answering the ACBL Score email box?? I sent an email last Wed and still no reply.

19:25:28 From RoberT9 Maier to Everyone:

@Debra - what is the email address you are sending to?

19:25:44 From Debra Freisleben to Everyone:

ACBLScore@acbl.org

19:26:36 From Bradley Bartol to Everyone:

Debra, Please call the Club Support Line (662-253-3181). We'll be glad to help.

19:27:05 From Debra Freisleben to Everyone:

Thanks. The problem is the ACBLScore locks up when you try to close it.

19:27:32 From Rich Carle to Everyone:

keep it open!

19:29:59 From A. Marie Callbeck to Everyone:

There is also the question of boosters

19:30:20 From Cindy Cox to Everyone:

What is the result of the survey?

19:30:49 From sam (houston) to Everyone:

what if someone will take a same-day test in front of the directors? would that suffice?

19:31:38 From RoberT9 Maier to Everyone:

The directors are not proctoring covid tests.....

19:31:46 From Joe Grill to Everyone:

As a TD, I'm not a licensed medical provider. I don't know how to read a Covid test. 😊

19:31:49 From RoberT9 Maier to Everyone:

we are too busy keeping you from playing the wrong boards

19:31:56 From RoberT9 Maier to Everyone:

and moving to the wrong tables

19:31:57 From Sherrie Goodman to Everyone:

You don't want to run Total Points....it's horrible for your player!

19:32:07 From Debra Freisleben to Everyone:

And putting the wrong scores in the Bridgemates!

19:33:06 From John Nichols to Everyone:

ACBLScore allows "Total Points" for a club game . F9 then option 9 then option 8.

19:34:01 From Phil Benamy to Everyone:

Total points only makes sense with a perfect movement or a Barometer

19:34:57 From sam (houston) to Everyone:

Same here

19:35:42 From sam (houston) to Everyone:

The ACBL games are heavily advertised and can pay more (up to 4 pts per game) than VACBs (only 2.5 pts per game)

19:36:12 From Homa to Everyone:

There are lots of ACBL Sanctioned games on line that it is effecting all Virtual and F2F clubs. Practically they invite them to play in their games.

19:36:16 From Tom to Everyone:

I've come to resign myself that club attendance has nothing to do with special games

19:36:20 From wil bedard to Everyone:

What has been occurring to BBO's total table count?

19:36:42 From John Nichols to Everyone:

I run tournaments for a local organization (non-acbl). I use the home style movement (swiss pairs) and run it in total points converted to victory points. at first the players complained about the victory points but now they love it. Lucky cards for a couple of hands that make slams don't overwhelm the scoring.

19:37:28 From Sherrie Goodman to Everyone:

Nov 7 is best because of holidays and NABC
