

18:53:50 From RR : Does anyone know if any virtual black point earned will count towards Ace Of Clubs or are all of them now Virtual Ace of Clubs only

19:04:52 From Debra Freisleben : HI TDDon!

19:05:25 From Chip Cleveland : Lynn is load and clear. Must be your computer speakers.

19:06:03 From CeCe : Lynn, I signed up for the March Seniors game but would like to Unsigned and wasn't able to change it myself.

19:07:26 From Chris Wiegand : Hi Cece, please email club@acbl.org and ask them to remove your club from the list.

19:07:42 From Steve & Mary Beth Cordray : I thought I saw that there would be gold games for the virtual club games but do not see it in the schedule. Am I mistaken?

19:10:37 From Lee Daugharty : WHAT?!

19:10:59 From Dennis Harms : Where are the Nationals in 2025? The only one listed is San Francisco

19:11:17 From Lee Daugharty : That is ridiculous. ACBL is creating two tiers of citizenship for their clubs

19:11:45 From Chris Wiegand : The NABCs in 2025 will be in Memphis (Spring), Philadelphia (Summer) and San Francisco (Fall)

19:12:11 From dough : does this extra charge apply today/this week to virtual clubs?

19:12:33 From Bob Shuken : Yes

19:12:58 From dough : or is that just for f2f games...I got fooled on this last month...th'nx

19:13:09 From Chris Wiegand : How long ago were they held?

19:13:16 From Chris Wiegand : (which month?)

19:13:24 From Bob Shuken : BBO game \$4 per table extra

19:13:39 From RoberT9 Maier : Robert.maier@acbl.org

19:15:04 From Lynn Chapin : sherry.terraciano@acbl.org

19:15:06 From Ray Yuenger : Put in chat please.

19:15:10 From RoberT9 Maier : 662 253 3158

19:15:10 From Lynn Chapin : 662-253-3158

19:15:13 From RoberT9 Maier : sherry

19:15:49 From Sherrie Goodman : What is Robert Maier's role?

19:16:18 From RoberT9 Maier : I do what Lynn tells me to, and also I'm a tournament director.

19:16:18 From Debra Freisleben : You have to manually eject them

19:16:35 From Debbie Thornton : Just sub in a robot

19:17:05 From bds02 : I don't give them 10 sec if they have disconnected.

19:17:10 From RoberT9 Maier : I need some of that corn Carole has

19:17:33 From Dennis Harms : Use "Tournament Status"

19:17:50 From Dennis Harms : It tells you what tables aren't finished.

19:20:06 From Nick Weedman : Who do we contact in ACBL to get a new director certified who needs to take the final test locally?

19:20:19 From Debra Freisleben : Melody Euler

19:20:34 From RoberT9 Maier : melody.euler@acbl.org

19:21:15 From mark cohen : Carole Corn

19:21:45 From mark cohen : Carole - Cover your camera so we don't all get hungry

19:22:18 From Dennis Harms : Write you Rep.

19:22:19 From Valarie Remmers : when will the acbl wide results for the 1/27 Jr fund game be posted?

19:22:26 From Dennis Harms : Write your rep.

19:22:37 From Sherrie Goodman : try a church?

19:22:58 From Ray Yuenger : Pray?

19:23:19 From Debra Freisleben : Valarie - after Feb 20th according to the instructions

19:23:27 From Dennis Harms : I agree with Kevin. ACBL has gone out of their way to make VACB games a weak step child.

19:23:32 From Richard Bryant : Sherrie, will you please call me after this meeting?

19:23:36 From Debra Freisleben : Oh That was the Feb 4 game. sorry

19:24:12 From dough : still not clear on this evening and the rest of this week for VIRTUAL clubs....are we getting dinged \$4/table extra, in which case I need to add that to table fees...TH'NX...

19:24:37 From Alan Powell : Yes, all vacb games this week are \$4 extra

19:25:21 From dough : thanx alan...and all...

19:25:35 From Chris Wiegand : link to VACB special list:
<https://web2.acbl.org/documentLibrary/Clubs/OnlineCM2023.pdf>

19:26:22 From Lee Daugharty : Is it time for a business model, Lynn, by ACBL. There are live clubs, live/Virtual clubs, Virtual Only clubs, and BBO. There are a club that all Virtual clubs must pay a surcharge to. The current changes is to accommodate live clubs, live/Virtual clubs, and BBO. The Virtual Only clubs are being penalized and cannot possibly compete with BBO. This is a situation that should be addressed. If ACBL wants to get rid of Virtual Only clubs, I would prefer if they make that statement public so that we do not have to second-guess the planning for our future.

19:26:44 From Sherrie Goodman : Yay Mark!

19:29:38 From Lee Daugharty : One particular aspect that need to be addressed in a new business model is to have a way to create new Members. Virtual Only clubs are type of club that cannot add new Members. That means we will die on the vine.

19:29:49 From DBPbear : Replying to "Yes, all vacb games ..."

Is that \$4 extra charge only for this week or every other game in the future?

19:30:19 From Edward Scanlon : Replying to "Yes, all vacb games ..."

just this week

19:31:00 From Sherrie Goodman : We like the extra points in my vac!

19:31:11 From Pramod Khanna : To the best of my knowledge Virtual Clubs can add new ACBL members

19:31:19 From 16622 : I have attended 2 tournaments in 2023 and no one asked for proof of vaccinations

19:31:41 From Edward Scanlon : yes I have as well

19:31:45 From Chris Wiegand : Yes there have been some hacks

19:31:47 From Edward Scanlon : Amy Casanova

19:31:56 From Chris Wiegand : Christina Goldsby and Amy Casanova were the two

19:32:01 From Chris Wiegand : (so far)

19:32:35 From David Heron : Double black points has no effect on the # of tables I have

19:32:53 From Debra Freisleben : ACBL needs to be sure when they post on Facebook about events that they get the dates right. "Today starts the Educational Fund games" posted yesterday on the 12th.

19:37:14 From Lee Daugharty : Diane, you will likely never get your players back

19:40:29 From Edward Scanlon : lol

19:43:30 From Joseph Grill : Where are the details for that program?

19:43:32 From Sherrie Goodman : Boost helped us too. We have 30 at night and 30 in the morning! Our beginners are having a great time!!!

19:43:38 From John Dickey : More info please on Project Boost

19:44:26 From Edward Scanlon : Yeah Easybridge!

19:45:28 From Chris Wiegand : Last week (re project boost) we were told to email either Blakely Meyers or Stephanie Threlkeld.

19:46:08 From Chris Wiegand : I don't know much -- I just know what was said last week :)

19:46:34 From Susan Miguel : Anyone who wants to connect about BOOST from a users pov can email me

19:46:43 From Pramod Khanna : Thanks, Lynn, for running the meeting patiently and addressing our concerns

19:46:43 From Susan Miguel : vikingbridgeclub@cox.net

19:46:45 From Debra Freisleben : Thanks Lynn!

19:46:52 From NCBridge Pal : IMHO all VACB games should be SYC and players should have the saying what club they are benefiting. Once a year player change their club designation.. About 57% of the table fee should go to the players club, 23% to BBO (is given) and 20% for the VACB tournament organizer.

19:47:07 From Edward Scanlon : Thanks Lynn Great Job!!!!

19:47:19 From Sharon Smith : Thank You Lynn and ACBL for hosting this constructive collaborative forum

19:47:43 From Lynn yokel : Nice job, Lynn!!

19:47:56 From David Heron : Thanks Lynn

19:48:02 From Phil Benamy : under reactions

19:48:12 From Staci Christian : Under reactions

19:48:24 From Chris Wiegand : Blakely.meyers@acbl.org or stephanie.threlkeld@acbl.org for more info on Project boost

19:49:33 From Chris Wiegand : That TD sounds like our lovely Judy Cotterman :)

19:50:03 From dough : i'm no longer seeing the "options" option any longer...how do I find it (so I could ALSO raise my hand)?

19:50:03 From Chris Wiegand : a few more hands popped up Lynn

19:53:45 From Phil Benamy : pre-alert AND alert when it happens

19:54:31 From Chris Wiegand : Alert Procedures:
[/https://web2.acbl.org/documentLibrary/play/Alert-Procedures.pdf](https://web2.acbl.org/documentLibrary/play/Alert-Procedures.pdf) (talks about quasi or Natural alertable)

19:55:09 From Chris Wiegand : Convention Charts (defines quasi Natural and Natural):
<https://web2.acbl.org/documentLibrary/about/Convention-Charts.pdf>

19:55:11 From Phil Benamy : it is a work in progress

19:58:10 From Steve & Mary Beth Cordray : Thanks Lynn

19:58:16 From Chris Wiegand : chris.wiegand@acbl.org that is if I can type!

19:58:23 From Pramod Khanna : Thanks, Lynn
