Seems like a lot of audio is on

18:57:38 From Brenda to Everyone:

What is the ruling if the same person revokes twice (in the same hand) several tricks apart? Did not win either trick?

18:58:08 From Phil Benamy to Everyone:

same suit, one trick -- different suits, 2 tricks

18:58:13 From Edward Scanlon to Everyone:

tell them to play gin

18:58:29 From Brenda to Everyone:

thank you. It was same suit and person was declarer

18:58:37 From Robert to Everyone:

maybe ask the partner to say 'No Hearts partner?' so that doesn't happen

18:58:49 From Phil Benamy to Everyone:

no bonus for the 2nd revoke in the same suit

18:59:13 From Greg Coles to Everyone:

Maybe partner did say "no hearts partner" but hearts weren't led. :D:D

18:59:57 From Kay Read to Everyone:

what screen to you access to change club address?

19:00:18 From Saskatoon bridge Club to Everyone:

Good suggestion in letters to the editor in latest bulletin. Option should be created for all virtual games including BBO/ACBL that an option be created at registration for people to contribute a dollar to their home club by putting in the club number.

19:00:18 From Robert to Everyone:

it isn't on the screen - you email and they handle it quickly

19:00:33 From Kay Read to Everyone:

thank you

19:01:46 From Barba to Everyone:

what are the strats for NAP 750 game?

19:02:20 From Lynn Chapin to Everyone:

You can even add it later. Anytime in the game. Even if someone goes offline

19:02:26 From Matthew Dyer to Everyone:

Magic? Why didn't they program it?

19:02:30 From Robert Whiting to Everyone:

+hd or +hd+ ?

19:02:31 From Joe Grill to Everyone:

You cannot run a 750 NAP game.

19:02:37 From Lynn Chapin to Everyone:

+hd+

19:02:47 From TJ Singer to Everyone:

NAP = 0-NLM<500 / 2500 / Open

19:02:48 From Aviv (Bridge and Games) to Everyone:

is it case sensitive? (+hd+ or +HD+)

19:02:56 From Lynn Chapin to Everyone:

NOT CASE SENSITIVE

19:03:34 From Chuck Young to Everyone:

Does the +hd+ hack work for robot subs where the game hasn't authorized robot partners?

19:05:53 From d9u243davidreiter to Everyone:

I had a letter published in this months Bulletin about the non support we are getting from the ACBL. For the F2F clubs and the virtual clubs to survive we need to not have to compete with ACBL gamers.

19:06:15 From Marty Bley to Everyone:

Is there somewhere where HOW many of each of those items we are permitted to have?

19:06:47 From Wendy Egeland to Everyone:

Is anyone else having trouble with ACBLscore not coming up properly?

19:07:01 From d9u243davidreiter to Everyone:

We need to have a committee of clubs all across the country and to meet with a committee from the ACBL so we can work out a fair deal for all of us to survive.

19:07:53 From Joe Grill to Everyone:

How many times do we have to go over this, those "ACBL" games on BBO are not run by the ACBL. They are run by BBO under their sanction.

19:08:12 From Michael Hughes to Everyone:

is there a place where I can find a list of remaining club championship games?

19:08:17 From Edward Scanlon to Everyone:

agree Joe

19:08:45 From Lynn Chapin to Everyone:

NO THOSE ARE HALF RED TOO

19:08:52 From Lynn Chapin to Everyone:

Just INVITATIONAL is BLACK only

19:08:57 From Lynn Chapin to Everyone:

ALL ARE HALF RED

19:09:03 From Lynn Chapin to Everyone:

except invitational

19:09:11 From Lynn Chapin to Everyone:

YES RED NLM 500

19:09:22 From d9u243davidreiter to Everyone:

if they are not run by the ACBL why are they listed under the ACBL

19:09:42 From Denise Donovan to Everyone:

THAT is the question...misleading

19:09:45 From Phil Benamy to Everyone:

They are listed under ACBL because they award ACBL masterpoints

19:09:51 From Edward Scanlon to Everyone:

they are ACBL masterpoint games. BBO has a sanction just like you to run ACBL games

19:09:55 From Homa to Everyone:

I agree with David. I was surprised that before our player see our games ACBL games are pupped up under Virtual clubs! Hard to servive

19:10:32 From Joe Grill to Everyone:

Homa, the BBO-run ACBL Masterpoint games do not show up under Virtual Clubs.

19:10:42 From Lynn Chapin to Everyone:

This is working so far as I know... MOJO please email me

19:10:45 From sam k (houston) to Everyone:

l4c support does not respond to email

19:10:54 From Susan Mazzei to Everyone:

They do now. I started seeing them the last week or two.

19:11:19 From Bonnie Stettler to Everyone:

We did not have correct hand records at our sectional last weekend

19:11:24 From Homa to Everyone:

If you log in before your game show's up, they show up under Virtual Clubs / North America

19:11:32 From Don Freeland to Everyone:

BBO ACBL games will show up if players choose virtual club games ONLY if there are no scheduled games for their clubs.

19:11:36 From Joe Grill to Everyone:

You are 100% mistaken.

19:11:44 From Lynn Chapin to Everyone:

HI DON!

19:11:57 From Joe Grill to Everyone:

Only Virtual Club games show up under Virtual clubs.

19:12:54 From Susan Mazzei to Everyone:

Joe, if you go to Competitive - Virtual Clubs and none of your clubs that you are a member of are scheduled, the ACBL games now show up

19:13:11 From Homa to Everyone:

NO, I am not. I went to Virtual clubs today and last Friday, before 8:30 and all I could see was ACBL's game. they disappear after my game is popped up

19:13:28 From Lynn Chapin to Everyone:

Pramod, let me find that out for you.

19:14:00 From James Tullos to Everyone:

try Virtual clubs then all clubs

19:14:05 From Susan Mazzei to Everyone:

It says no Virtual Club games are available now-here are some other ACBL sanctioned games you can play in.

19:14:14 From Phil Benamy to Everyone:

I don't get an email on the games I direct, only the games I actually play in

19:14:38 From Wes Powers to Everyone:

I wish there were two email lists. I get bombarded by emails from tournaments far away from me. When I tried to unsubscribe, I lost the club manager emails.

19:14:53 From Linda MacCleave to Everyone:

Robots will never receive masterpoints, even if BBO says they will. ACBL corrects that.

19:15:12 From Phil Benamy to Everyone:

Would you rather have a sitout or robots to fill in?

19:15:22 From Linda MacCleave to Everyone:

robots

19:15:35 From Jerry Chamberlain to Everyone:

If it were not for robots our games would fail 25% of the time.

19:15:38 From Stephen Beaton to Everyone:

Just a few hours ago I had the same result as Susan M. Our virtual club game ended and then, with no virtual club games list, I got a message about ACBL games an four pending games were listed

19:15:44 From Matthew Dyer to Everyone:

we would have to cancel half of our bbo games without robot-human pairs allowed

19:16:11 From Linda MacCleave to Everyone:

We don't have robot human pairs, just robot pair fill ins for half tables.

19:18:32 From Julie Jawor to Everyone:

that is correct

19:18:35 From Edward Scanlon to Everyone:

it is true

19:18:41 From Marty Bley to Everyone:

I get that message

19:18:47 From Susan Mazzei to Everyone:

It is doing it.

19:18:47 From Dot Boulia to Everyone:

I see it all the time now. it is new

19:18:56 From Marty Bley to Everyone:

none of my virtual clubs are active anylonger

19:18:56 From Julie Jawor to Everyone:

It says there are no virtual games, here are some other games you can play

19:18:57 From Linda MacCleave to Everyone:

Nice to see so many people here that I have missed. I have not attended a meeting in a long time. Direct an online game on Monday eves, so multi-tasking now.

19:18:58 From wil bedard to Everyone:

I think they are saying the ACBL room is ABOVE the virtual club area on the home page...

19:18:58 From sam k (houston) to Everyone:

I have seen them

19:19:00 From Edward Scanlon to Everyone:

It is new and is true

19:19:04 From Phil Benamy to Everyone:

Isn't BBO a virtual club?

19:19:07 From Marty Bley to Everyone:

and when ever I log on when they "USED" to be

19:19:09 From Dot Boulia to Everyone:

ou must have games all the time

19:19:16 From Ronald Wallace to Everyone:

It is definitely happening

19:19:18 From Marty Bley to Everyone:

I get that message of the BBO/ACBL games

19:19:23 From wil bedard to Everyone:

I have never seen that...

19:19:29 From Edward Scanlon to Everyone:

but it was added recently

19:19:33 From Edward Scanlon to Everyone:

that is the problem

19:19:36 From Linda MacCleave to Everyone:

No, Phil. BBO is not a virtual club

19:19:39 From Marty Bley to Everyone:

I haven't had any Virtual games in my 'list' for MONTHS, they all folded

19:19:41 From wil bedard to Everyone:

That is not "correct"

19:19:41 From sharon to Everyone:

Shows BBO acbl pair games

19:19:57 From Linda MacCleave to Everyone:

right

19:20:04 From Judy Knox to Everyone:

It's on my computer every morning.

19:20:13 From Dot Boulia to Everyone:

NOT there directors. The TDs are real ACBL directors, ALWAYS

19:20:21 From Marty Bley to Everyone:

I get this message every time I log into BBO when there 'USED' to be virtual games I could play in

19:20:40 From Edward Scanlon to Everyone:

ACBL gets \$1/table

19:20:51 From Don Freeland to Everyone:

I think by THEIR directors, Joe meant directors contracted by BBO

19:20:59 From Rob Williams to Everyone:

Under details they list directors as acbl_xx

19:21:14 From wil bedard to Everyone:

This is a true coding change issue on the site.... If this has been done.... It is not correct to list those games under the Virtual Club umbrella.

19:21:35 From wil bedard to Everyone:

The will price us all right out of business....

19:21:43 From Dot Boulia to Everyone:

They are ALL really ACBL directors. many are Tournament directors.

19:21:52 From Saskatoon bridge Club to Everyone:

Those BBO/ACBL games if a program change was made then maybe an option can be given that you can add \$1 and name your club number could be a big help to clubs.

19:21:54 From Wendy Egeland to Everyone:

I'm asking my question again. Anyone having trouble with opening ACBLscore?

19:22:18 From Cathy Taylor to Everyone:

I am getting some folks signing in to my virtual game that are not members. Is this allowed now?

19:22:45 From Wes Powers to Everyone:

No, Wendy. But it's a locally installed program, so if you're having trouble, it's probably a problem with your computer.

19:22:51 From Ray Yuenger to Everyone:

How do you join a F2F club?

19:22:59 From Linda MacCleave to Everyone:

Phil, I think Greg just answered your question. However, I don't consider BBO a club. But evidently they do play sanction fees.

19:24:11 From CeCe to Everyone:

I belong to 2 clubs which allow me to play at a slightly reduced price per game at the club

19:24:23 From Joe Grill to Everyone:

BBO should not put their games under "Virtual Clubs." Players may MISTAKENLY think they're earning Black points and not unpigmented.

19:24:24 From Lynn Chapin to Everyone:

@Cathy, if they are allowed to register, and they are not members, it means that they are added by the VACB to the "friends" list.

19:24:25 From Linda MacCleave to Everyone:

Ray, you attend a live game once. You are then on the list.

19:24:52 From Dot Boulia to Everyone:

It isn't NLM.

19:24:57 From Dot Boulia to Everyone:

Just 500 strat

19:25:14 From TJ Singer to Everyone:

It should be NLM

19:25:40 From TJ Singer to Everyone:

because that's the guide if someone has 400MP and a life master, they should be in the B strat

19:25:41 From Linda MacCleave to Everyone:

Joe, folks are confused anyway. Using ACBL on their game titles is so misleading.

19:26:05 From Ann Caparros to Everyone:

The questions re 750 game, cant fake it to say it is a 2500 game. Answer was not correct.

19:27:56 From Linda MacCleave to Everyone:

Is it still true that if you replace a pair with robots at the last round that the players will not get their masterpoints?

19:28:26 From sam k (houston) to Everyone:

Should not be the case, but if it does happen, you can get ACBL to award the points anyway.

19:28:31 From Dave Heron to Everyone:

no but you may have to call

19:29:09 From Jim Warren to Everyone:

Is either Greg or Lynn coming to Houston soon?

19:30:23 From TJ Singer to Everyone:

maybe your internet provider is blocking emails from "ACBL"

19:30:46 From Morris "Mojo" Jones to Everyone:

It's frequently a problem with individual mail hosts ... such as Yahoo or AT&T or Google, and there's very little ACBL or any mail sender can do about it.

19:30:49 From Dennis Harms to Everyone:

I believe your spam filter is blocking your email.

19:30:51 From wil bedard to Everyone:

Sounds like you hit an unsubscribe at some point that cannot be reset without being done manually...

19:30:55 From Phil Benamy to Everyone:

his ISP s not blocking his alternate e-dress

19:31:02 From Dennis Harms to Everyone:

Go in and set ACBL to allow it to come through.

19:31:11 From Ray Yuenger to Everyone:

Sounds like an inadvertent unsubscribe to me.

19:31:22 From Dennis Harms to Everyone:

could be gmail versus Comcast.

19:31:27 From Linda MacCleave to Everyone:

Yes, check your spam.

19:31:30 From Dennis Harms to Everyone:

Could be different providers.

19:31:44 From Lynn Chapin to Everyone:

@RICH - send me the email address that is not receiving. We have a marketing genius who can help troubleshoot.

19:31:50 From Linda MacCleave to Everyone:

really?

19:32:10 From Linda MacCleave to Everyone:

I thought it had to be 18. Is that true for online, too?

19:32:54 From Dave Heron to Everyone:

I thought it was 18 also

19:32:59 From Susan Mazzei to Everyone:

I seem to remember reading online only 18

19:33:17 From Linda MacCleave to Everyone:

Tell me the link that says that NAP requires 21 boards.

19:33:21 From Lynn Chapin to Everyone:

I recently got this answered... so long as there are 21 boards in play, and some of players play 21, it is LEGAL.

19:33:41 From Lynn Chapin to Everyone:

@Linda = 18 boards in NAP online. 21 F2F.

19:34:00 From Linda MacCleave to Everyone:

I couldn't find anything about NAP on ACBL site, such a user friendly site. My district site does not mention number of boards at all.

19:34:06 From Dennis Harms to Everyone:

Depends on whether or not Common Game loads the STAC games. They do sometimes.

19:34:09 From TJ Singer to Everyone:

STaC sometimes use the common game hands = Common game is actually using the STaC hands

19:34:10 From suemanning to Everyone:

<http://web2.acbl.org/documentlibrary/play/nap/coc.pdf>

19:34:10 From wil bedard to Everyone:

Common Game uses the STaC hands that week.... Slightly different wording...

19:34:15 From Robert to Everyone:

our STaC's don't have downloadable hands. Most of the clubs (Charlotte, Lake Norman) just use common game

19:34:19 From Lynn Chapin to Everyone:

@Patricia... make sure that you know who your DiC is for the STaC... they are VERY helpful.

19:34:43 From suemanning to Everyone:

Does seem to say that under Club Stage (no page numbers!)

19:34:43 From Ray Yuenger to Everyone:

"At a club-stage game, each pair must be scheduled to play at least 21 boards." Per NAP CoC.

19:35:26 From Lynn Chapin to Everyone:

NAP is half red, Ken ... not Upgraded CC

19:35:31 From Joe Grill to Everyone:

@Ken you're confusing it with NAP games.

19:35:33 From Phil Benamy to Everyone:

NAP is 50/50

19:36:49 From Lynn Chapin to Everyone:

2 NAP games per sanctioned session per month.

19:36:49 From Alan Hedegard to Everyone:

My NAP F2F print out says no "Short Games" of fewer than 18 Boards!

19:37:09 From Alan Hedegard to Everyone:

Fewer than 18 Boards

19:37:24 From suemanning to Everyone:

I don't think anything that was sent out said anything about 21 boards.....

19:38:17 From Linda MacCleave to Everyone:

Ok, I have the 21 page document on NAP, but I can't find number of boards required on it. Give me a hint on what page that might be on.

19:38:18 From Lynn Chapin to Everyone:

@Sue ... check this out:

http://web2.acbl.org/documentLibrary/clubs/NAP_Instructions.pdf

19:39:08 From Edward Scanlon to Everyone:

yes. Excellent!!!!!!

19:39:18 From Edward Scanlon to Everyone:

they can because they area club

19:39:25 From Edward Scanlon to Everyone:

are a

19:39:34 From Linda MacCleave to Everyone:

So my 18 board game that I am running tonight as nap will not be awarded nap points? groan

19:39:42 From suemanning to Everyone:

Yes Lynn but that says 18 boards not 21 as the C of C

19:39:50 From Angie Strainic to Everyone:

please explain what the differences are exactly

19:40:23 From suemanning to Everyone:

- No "short game," using fewer than 18 boards, will be considered for NAP qualification.

19:40:24 From Angie Strainic to Everyone:

on a good note, I was happy to get my BBO payment on the 8th this month

19:41:16 From Ray Yuenger to Everyone:

NAP CoC. <http://web2.acbl.org/documentlibrary/play/NAP/CoC.pdf>

19:42:08 From duran to Everyone:

Lynn absolutely works very hard and efficiebcy for all of us.

19:42:14 From wil bedard to Everyone:

Yes... it was a nice surprise the funds came out so early.... Thank you!

19:42:43 From Linda MacCleave to Everyone:

ok, still unable to find any reference to number of boards that must be played. would love to see that. SHOULD BE IN ALL CAPS OR BOLDFACED OR SOMETHING!

19:43:19 From Ray Yuenger to Everyone:

Look at item 12 under club stage of NAP CoC.

19:44:19 From d9u243davidreiter to Everyone:

As a club owner/manager, I just don't understand why we concentrate on trivial matters when our survival is at stake. Whether the games are BBo or ACBL they are hurting both the F2F clubs and our virtual clubs. We(the F2F clubs need to organize and protest

19:44:54 From Linda MacCleave to Everyone:

Ok, my club directions for NAP has only 2 points, not 12.

19:45:39 From Ray Yuenger to Everyone:

I'm referring to this document. <http://web2.acbl.org/documentlibrary/play/NAP/CoC.pdf>

19:46:41 From David Dodgson to Everyone:

Appendix VI, point 12 says 21 boards

19:47:13 From Alan Powell to Everyone:

The document says scheduled for 21 boards. So a sitout should not disqualify the game. Players who sit out are schedules to play that round.

19:47:16 From Lynn Chapin to Everyone:

@Michael, you will go to your Live for Clubs results, and count them :(

19:47:31 From Ray Yuenger to Everyone:

Correct, Allan.

19:47:45 From Coach Diana to Everyone:

you can filter live for club for upgraded

19:47:55 From Coach Diana to Everyone:

then count them

19:48:01 From Linda MacCleave to Everyone:

ok, page 15 in appendix: 12. At a club-stage game, each pair must be scheduled to play at least 21 boards. So 18 will not work???

19:48:04 From Lynn Chapin to Everyone:

Yes, Diana, you can sort them... absolutely.

19:48:44 From Dave Heron to Everyone:

Some clubs are not going to make it playing F2F as cant cover the expences Trying to force people to play F2F is going to hurt ACBL overall

19:49:02 From Marty Bley to Everyone:

My excuse is that I am having a bad hair day ;-)

19:49:10 From Angie Strainic to Everyone:

I don't want to have to do my hair and makeup 😊

19:49:13 From Lynn Chapin to Everyone:

LOL MARTY!

19:49:28 From suemanning to Everyone:

Marty let me guess....

19:49:31 From Tom to Everyone:

Witness Protection

19:49:33 From Linda MacCleave to Everyone:

I will let you know if my game tonight is recorded as an nap game. I scheduled 18 boards. By the way, that rule should be mentioned right away, not in an appendix.

19:50:07 From Angie Strainic to Everyone:

I agree!

19:50:18 From Lynn Chapin to Everyone:

I get it Angie... you're getting me straight from the plane. YIKES! :)

19:50:26 From Lynn Chapin to Everyone:

@LINDA - VIRTUAL GAME?

19:50:47 From Edward Scanlon to Everyone:

I agree Joe and also that BBO ACBL games are not capped at 2.5....the rules should stand for them as well..

19:51:00 From Phil Benamy to Everyone:

It seems that BBO thinks it is Twitter or Facebook

19:51:16 From Dot Boulia to Everyone:

Are you on VACB account or maybe an older version.

19:51:48 From Marty Bley to Everyone:

IF you USED to have a Virtual club game at a specific time THAT is when you get the message

19:51:55 From Dot Boulia to Everyone:

I agree with Joe.

19:52:05 From billmiller to Everyone:

YES - BBO games are showing up when no club game within 2 hours

19:52:10 From Dot Boulia to Everyone:

Please ask them to change it back?

19:52:12 From Coach Diana to Everyone:

No they are just finding another way to push their games

19:52:40 From Jerry Chamberlain to Everyone:

I am running ACBL sectionals at sea over the next years. If anyone has players who like to cruise and play bridge feel free to contact me. Happy to pay a spiff if I get you are tagged so I can track.
jerry@wjasper.com

19:52:47 From Joe Grill to Everyone:

I personally have no VACB games that I am eligible to play in coming up. My Virtual Club menu is BLANK.

19:52:52 From Ray Yuenger to Everyone:

It's you, Doug.

19:52:55 From Coach Diana to Everyone:

save the chat and read it after meeting

19:53:03 From Marilyn Goldstein to Everyone:

yes, I have the same issue viewing chat

19:53:06 From Cathy to Everyone:

I had a 499er complain the other night because they had been playing in BBO 499er games for some time and thought they were getting black points.

19:53:06 From Al Ox to Everyone:

Change mouse setting

19:53:07 From Teri Smoot to Everyone:

I see the ACBL games on the Virtual game page on BBO. Sent Greg Screen shot.

19:53:09 From Tom to Everyone:

I have the same problem

19:53:13 From Marty Bley to Everyone:

I also think it is very unfair that this has been implemented ;-)

19:53:22 From billmiller to Everyone:

YES- Host listed as ACBL

19:53:22 From Brian Jones BCON to Everyone:

Here @ BCON, Niagara, there are games showing up

19:53:30 From Morris "Mojo" Jones to Everyone:

it sounds like it could be a local mouse scroll setting. I don't have the same issue at all.

19:53:39 From James Tullos to Everyone:

what's your email Greg?

19:54:00 From Lynn Chapin to Everyone:

119:55:04 From Edward Scanlon to Everyone:

yes...yes...yes

19:55:08 From Edward Scanlon to Everyone:

agree, they did not

19:55:33 From Edward Scanlon to Everyone:

we must evolve

19:55:34 From Pramod Khanna to Everyone:

Virtual Clubs should be allowed o function!

19:56:02 From Phil Benamy to Everyone:

The virtual clubs did more for the ACBL than they did for local clubs

19:56:29 From James Tullos to Everyone:

Virtual clubs are not going away

19:56:49 From Linda MacCleave to Everyone:

Great points here!!!

19:56:55 From Dennis Harms to Everyone:

There are big advantages for virtual clubs for working people, young people, and night games. Online has to be part of the future. Why is virtual clubs a weak step sister?

19:57:09 From Edward Scanlon to Everyone:

yes yes yes

19:57:13 From sharon to Everyone:

agree

19:57:42 From Dave Heron to Everyone:

Wil you are totally correct!

19:57:59 From Alan Powell to Everyone:

There is no series of steps to take that will return us to pre-covid. We need to chart a course forward rather than backward.

19:58:03 From gabriella bowling to Everyone:

Absolutely agree

19:58:07 From Phil Benamy to Everyone:

A player once quoted a letter to the editor as if it was the law. It was a suggestion

19:58:53 From Susan Mazzei to Everyone:

Hard to believe there were no letters to the editor this months supporting Virtual Clubs. Very biased editing.

19:58:57 From suemanning to Everyone:

It's down to Jay Whipple who does not let anything stop him when he wants to do something

19:59:32 From Tom to Everyone:

ACBL gets extra money from all the BBO games that the clubs have no access to

19:59:36 From D 2 Wybren Hoogland to Everyone:

20:02:08 From Edward Scanlon to Everyone:

yes

20:02:11 From Stephen Beaton to Everyone:

Greg just answered my question saying that the ACBL is currently not granting a new sanction to someone with no physical location - Stephen B.

20:02:14 From wil bedard to Everyone:

I do not get that.... It may be that those of us that are connected to a VC do not get that.... ??? maybe???

20:02:37 From dough to Everyone:

2 months ago, the bulletin's letters to the editor, first featured exactly what will is saying, basically that virtual clubs saved all our bacon...the 2nd letter reiterated the usual anti-virtual stuff, cheating, etc...so there IS some pro-virtual club material in the bulletin...but I agree...there's way too much negative stuff...

20:02:40 From Kevin to Everyone:

BBO: You can play here instead of not playing at all!

VACB Managers: "GET OFF OUR LAWN!!"

20:02:47 From Edward Scanlon to Everyone:

BBO is advertising itself, good for them. But ACBL needs to protect us as well. Like limiting them to 2.5....BBO is not our enemy

20:03:03 From Edward Scanlon to Everyone:

but we need equal playing field
