

2023 Collegiate Spring Pairs Tournament

Conditions of Contest

The General Conditions of Contest for Pairs and for Online Events will apply to this event, subject to the following specific Conditions of Contest (CoC). These CoC are in addition to, or supersede, the General Conditions of Contest, and may not be changed at any level of play during the course of this event.

These Conditions of Contest apply to an online event (“Spring Tournament”) restricted to collegiate pairs, to be held on April 23, 2023. The first session will start at 11 a.m. and the second session will begin at 3:30 p.m. (**Central Time**). Any eligible college pair is welcome to register and participate.
