

2020 Collegiate Spring Teams Tournament

Conditions of Contest

The General Conditions of Contest for Swiss Teams and Online Event will apply to this event, subject to the following specific Conditions of Contest (CoC). These CoC are in addition to, or supersede, the General Conditions of Contest, and may not be changed at any level of play during the course of this event.

These Conditions of Contest apply to two online events (“Spring Tournaments”) restricted to collegiate teams, to be held on February 2, 2020 and February 23, 2020. The first session for each tournament will start at 11 a.m. and the second session will begin at 3:30 p.m. (Central Time). Any eligible college team is welcome to register and participate. For an updated schedule and registration forms, please visit acbl.org/bridgebowl.

The Spring Tournaments are not qualifiers; an eligible player need not play in a Spring Tournament in order to be eligible to play in the Collegiate Bridge Bowl in Montréal.

- B. The same four players who start a match, must finish that match; no substitutions of players may take place in the middle of the match.

- D. The Spring Tournaments will award regionally-rated red masterpoints for both match and overall awards.

This will be repeated as necessary until three schools are awarded trip packages at each Spring Tournament.
- G. A college team who wins a trip package in the first tournament can still play in the second tournament for Masterpoints only.
