CODE OF DISCIPLINARY REGULATIONS

The purpose of this Code of Disciplinary Regulations (CDR) is to set out a comprehensive disciplinary process and structure for ACBL members (or non-members of the ACBL participating in an ACBL activity) charged with a disciplinary infraction. However, ACBL disciplinary proceedings are not criminal or civil trials in that they do not involve personal liberty but rather the privileges of membership in the ACBL or continued participation in ACBL activities. ACBL disciplinary proceedings do not establish the guilt of the accused in a legal sense, but rather an accused party's responsibility reflecting the ACBL's judgment of their privileges of membership or continued participation in an ACBL activity.

In the event of any inconsistency between this CDR and the specific actions of the BOD as set out in the ACBL Codification, this CDR shall control.

304. VIOLATIONS OF ACBL DISCIPLINARY PROCEDURES OR AGAINST ACBL OFFICIALS

- (A) **Improper Influence of Disciplinary Process.** A charge under this section requires an attempt to influence, or actually influencing, a decision of a Disciplinary Body outside of the hearing process(es). The recommended discipline for a finding that a person has committed a violation of this section is no less than 90 days Suspension, with an appropriate term of Probation no less than 2 years following the term of suspension.
- (B) **Harassment.** A charge under this section requires Harassing E-mails or letters sent (or telephone calls or social media posts made) to an ACBL Official or entity or made publicly (including a social media post). The recommended discipline for a finding that a person has committed a violation of this section is 30-180 days Suspension, with an appropriate term of Probation not less than 180 days following the term of Suspension.
- (E) **Improper Disciplinary Action.** A charge under this section requires the initiation of disciplinary action against another or an appeal of a decision of a Disciplinary Body with no reasonable basis. The rejection of a Complaint by a Charging Party is not automatically a finding that there was not a reasonable basis for such Complaint. The recommended discipline for a finding that a person has committed a violation of this

section is up to 30 days Suspension, with an appropriate term of Probation following the term of suspension.

- (F) **Discussion of Panel Proceeding Outside of Process.** A charge under this section requires discussing or disseminating the content of a Disciplinary Proceeding, other than information released to the public pursuant to ACBL Regulations, outside the hearing room by a Disciplinary Body member with any party (whether a party to the hearing or not). 4. PROCEDURES FOR IMPOSITION OF DISCIPLINE

401. SUSPENSION PENDING HEARING

A Suspension Pending Hearing (SPH) is a temporary Suspension that the Executive Director (or designee) can impose on an individual charged with a violation of the CDR or the subject of a sexual harassment allegation under CDR § 501(D) to immediately prohibit participation in all ACBL sanctioned events and activities pending the final decision of a Disciplinary Panel. A SPH may not be appealed.

- (A) **Imposition of SPH.** A SPH should be rarely issued – only in extreme cases or when a proceeding is delayed due to the fault of the Charged Party or the subject of a sexual harassment allegation. A SPH will remain in effect until the Notice of Decision has been sent by ACBL Management.
- (B) **Commencement of Proceeding.** Unless the Charged Party (or subject of a sexual harassment allegation) causes the delay, the proceeding must commence with 60 days from the date of the charge or within 48 hours if it is a NABC Proceeding. A SPH will remain in effect until the proceeding is scheduled with the Disciplinary Panel or the Disciplinary Panel Chair lifts the SPH.
- (C) **Discipline Published.** The Disciplined Person’s name, ACBL member number, and the SPH will be published on the website.

402. DETERMINATION OF DISCIPLINE

In making the determination of an appropriate discipline within the range of disciplines recommended for a CDR violation as set out in CDR §§ 301(A)(7) et. seq., the Disciplinary Panel (and the Charging Party under CDR § 503(G)) should balance the following factors:

- (A) **Primary Considerations.** The following factors must be taken into account in determining the appropriate discipline and should be weighed more heavily in the decision:
 - (1) Prior Record of Discipline which shall include Official Warnings on file with the Office of National Recorder;
 - (2) Experience of Player (measured by MPs, Eligibility Points, or other indicia of experience);
 - (3) Level and Prestige of Event (measured by event rating);
 - (4) Duration of Time Over Which the Proved Violation Occurred;
 - (5) Flagrancy of the violation;
 - (6) Whether the violation was premeditated.
- (B) **Secondary Considerations.** The following factors may be taken into account in determining the appropriate discipline, but should be weighed less heavily than Primary Considerations:
 - (1) Other Harm to Reputation of ACBL or the Game of Bridge;

- (2) Whether the Player Holds (or at any point in the past has held) an ACBL (or affiliated organizational) Office or Leadership Position (discipline enhancement);
 - (3) Whether the Player Is Currently an ACBL (or affiliated organizational) Employee (discipline enhancement).
- (C) **Factors that May Not Be Considered.** The following factors may not be taken into account in determining the appropriate discipline:
- (1) Race;
 - (2) Color;
 - (3) Religion or creed;
 - (4) National origin or ancestry;
 - (5) Sex (including gender, pregnancy, sexual orientation, and gender identity);
 - (6) Age;
 - (7) Physical or mental disability;
 - (8) Veteran status;
 - (9) Genetic information;
 - (10) Citizenship;
 - (11) Exercise of Member Rights Under CDR;
 - (12) Conduct of Parties During Hearing;
 - (13) ACBL Disciplinary System Irregularities or Deficiencies.
- (D) **Procedures Not Applicable.** The procedures in CDR § 402 do not apply to CBCD Resolution set out in CDR § 502.

403. APPLICATION OF DISCIPLINE BY DISCIPLINARY BODIES

- (A) **CDR Version.** The discipline imposed shall be in accordance with the version of the CDR effective at the time of the first Incident specified in the filing of the Recorder Complaint or provided in the evidence submitted by the Charging Party. Revisions of this CDR regarding procedures set out in CDR § 5 apply to all proceedings conducted on or after the effective date of the revision. Notwithstanding the foregoing, any discipline imposed through CBCD Resolution is not constrained by the date of the first Incident.
- (B) **Minimum Discipline.** A Disciplinary Panel is required to impose discipline upon a finding of responsibility for a violation set out in CDR § 3.
- (C) **Limits on Participation Following Discipline.** While serving a Suspension or while expelled, a Disciplined Person may not participate in any online, national, District, Unit, club or other ACBL sanctioned event or activity, including, but not limited to (i) acting as non-playing captain, (ii) kibitzing any game or event, (iii) being physically present in the playing area of a tournament, or (iv) participating personally or through a corporation or other entity, agent, “doing business as” or other device in bridge-related affairs of the ACBL or of any ACBL affiliated organization.
- (D) **Member in Good Standing.** An ACBL member shall be deemed to be in “good standing” when such member’s dues, if dues are required, are current and such

member is not currently:

- (1) expelled;
 - (2) serving a term of Suspension;
 - (3) serving an indefinite Probation;
 - (4) serving a Probation, the initial term of which was 24 or more months; or
 - (5) serving a term of Probation following a Suspension, the initial term of which was more than 90 days.
- (E) **Effective Date.** The effective date of imposition of discipline, if any, shall be the date noted in the Panel Report. If no effective date is specified, the effective date of imposition of discipline shall be five (5) days from the date of the emailing of the decision by ACBL Management. If the discipline is to take effect immediately, the Disciplinary Panel Chair shall immediately notify the Disciplined Person of its decision in writing.
- (F) **Fast Track Discipline.** The parameters for discipline imposed through CBCD Resolution are specified in CDR § 502.

404. DISCIPLINE OPTIONS BY DISCIPLINARY BODIES

The Disciplines set out in CDR § 404(A)-(E) are the only discipline(s) that may be imposed by a Disciplinary Panel, when a person is responsible for a violation under CDR § 3 or when otherwise expressly stated in this CDR. A Disciplinary Panel may choose to combine such disciplines. When the discipline imposed includes both a period of Suspension and a period of Probation, the Suspension must be served first followed immediately by Probation. The discipline shall apply to *all* ACBL activities. (See CDR § 502 for specific parameters for discipline imposed through CBCD Resolution).

- (A) **Probation.** A determination that a Disciplined Person has committed an offense such that any further violation of the CDR, whether similar or different, may result in Suspension or Expulsion. A Disciplinary Panel may impose a prohibition on playing with a particular partner as a condition of the Disciplined Person's Probation.
- (B) **Suspension.** The Disciplined Person is ineligible to participate in any ACBL sanctioned event or activity for a specified period.
- (C) **Expulsion.** A Permanent abrogation of all ACBL rights and privileges, including membership.
- (D) **Reduction or Forfeiture of Masterpoints.** Removal of a percentage of masterpoints as provided under each degree of a violation set out in CDR § 3.
- (E) **Forfeiture of Masterpoints/Titles for a First Degree Ethical Violation.**
- (1) When an ACBL member is found responsible for a First Degree Ethical Violation and is suspended for a period of two years or more or expelled, that member shall be:
 - (i) Permanently ineligible to be awarded the ACBL rank of Grand Life

- Master;
 - (ii) Permanently ineligible to be inducted into the ACBL Hall of Fame;
 - (iii) If a current GLM, the title/rank of GLM shall immediately be revoked;
 - (iv) If a current member of the ACBL Hall of Fame, such membership shall immediately be revoked.
- (2) Except as provided above, the panel may also impose the forfeiture of any or a combination of any of the following:
- (i) Masterpoints, in accordance with CDR § 301(A)(7);
 - (ii) specific titles or all titles earned by the person disciplined;
 - (iii) ACBL status rank(s);
 - (iv) other ACBL related awards theretofore earned by said participants through participation in all ACBL events.
- (3) Titles forfeited as set out in CDR § 404(E)(2) shall remain vacant and there shall be no change in rankings or awarding of masterpoints for other contestants. First place awards for Unit masterpoint races forfeited as set out in CDR § 404(E)(2) shall not remain vacant. The second-place awardee shall move up to first place and lower ranked awards will be filled by a relevant change in rankings for other lower-ranked contestants. Awards for other than first place forfeited as set out in CDR § 404(E)(2) shall remain vacant and there shall be no change in rankings for other contestants. Management shall assign Eligibility Points to equal the number of masterpoints that have been forfeited by the Disciplinary Panel's decision.

405. RECIPROCAL DISCIPLINE POLICY

- (A) **Reciprocity.** When an ACBL member has been found responsible and/or disciplined by another bridge organization for an action constituting an Ethical Violation under this CDR, that discipline shall be honored and enforced in ACBL events. However, the Executive Director may make a determination that the discipline imposed was grossly inappropriate, in which case the determination of the appropriate discipline will be decided by a Disciplinary Panel. If the member has a prior record of having committed a First Degree Ethical Violation under this CDR, whether that finding was made by an ACBL Disciplinary Body or otherwise, the Executive Director must recommend to the Disciplinary Panel that the player be expelled from the ACBL.
- (B) **Initiation of Charges.** Nothing in this section shall prohibit the ACBL from pursuing Charges for Ethical Violations arising from an ACBL member's participation in ACBL sanctioned events.

406. EXPUNGEMENT

A&C may consider a request to have a Disciplined Person's record Expunged. Written requests for Expungement must be submitted to the A&C Chair. Any recommendation from A&C to approve an expungement, must be submitted to the BOD for approval.

407. READMISSION OF RESIGNED/EXPELLED MEMBERS

The BOD may not consider a request for readmission from a former member who was expelled or resigned their membership for the purpose of avoiding possible disciplinary action for a First Degree Ethical Violation in an NABC+ event.

In all other cases, the ACBL BOD may consider a written request for readmission following a resignation to avoid possible disciplinary action or an Expulsion.

- (A) **Readmission Following Resignation.** An ACBL member who resigns their membership when Charges are pending is considered to have resigned to avoid possible disciplinary action and the matter will be treated as an Expulsion under CDR § 404(C). Following are the conditions for a request for readmission:
- (1) A written request for readmission may be submitted after ten (10) years from the date of the written resignation and, thereafter, only once every three (3) years.
 - (2) The BOD may impose such conditions upon readmission as it deems appropriate.
 - (3) There shall be no statute of limitations on the possible disciplinary action related to the resignation.
- (B) **Readmission Following Expulsion.** A Disciplined Person who was expelled by a Disciplinary Body may request readmission under the following conditions:
- (1) A written request for readmission may be submitted after ten (10) years from the date of Expulsion. Notwithstanding the previous sentence, if the individual who was expelled admitted to the factual basis of the Charges prior to the commencement of the proceeding on those Charges, that person may apply for readmission after five (5) years.
 - (2) Any member readmitted following an Expulsion shall be placed on Probation for a minimum of 5 years.
 - (3) Under no circumstances will the ACBL BOD hear a request for readmission regarding a *second* Expulsion or resignation to avoid possible disciplinary actions or combination thereof.

5. PROCEDURES FOR DISCIPLINARY PROCEEDINGS

501. GENERAL PROCEDURES FOR DISCIPLINARY PROCEEDINGS

- (A) **Procedures Not Applicable.** The procedures in CDR § 501 do not apply to proceedings set out in CDR §§ 502-506 unless otherwise stated in this CDR.
- (B) **CDR as Guide.** The Disciplinary Body Chair and Panel Chair must be familiar with this CDR.
- (C) **Simple, Fair Proceeding.** The procedures before the Disciplinary Bodies are intended to promote a proceeding that is fair, expeditious, simple, and informal as circumstances permit, keeping in mind at all times the rights of the parties.
- (D) **Sexual Harassment.** A report that alleges sexual harassment or it is apparent that it involves sexual harassment as set out in CDR § 303(A)(1), shall be immediately forwarded, in writing, to Human Resources or the Executive Director for investigation pursuant to the Workplace Harassment Policy set out in the ACBL Employee Handbook.

If it is determined that there is an issue of sexual harassment, ACBL shall take any action deemed necessary or appropriate or required by federal or state law. In addition, the matter must be forwarded to the National Recorder to proceed with filing charges under CDR § 303(A)(1). (See CDR § 505)

- (E) **Electronic Communication.** All communication related to a Disciplinary Proceeding will be exchanged electronically. If a Charged Party does not have an email address on their membership profile, ACBL Management must make attempts to contact the party using their contact information provided on their ACBL membership profile (phone and mail with tracking).
- (F) **Complaint.** A Recorder Complaint and the prima facie case requesting that Charges be filed must be submitted to the appropriate Charging Party. The Charging Party must independently make a determination whether to file Charges against the individual. The Charging Party in deciding to file Charges must agree that a prima facie case is valid, confirm that the ACBL has jurisdiction over the matter, and confirm that the allegation in the Complaint is a violation of the CDR.
- (G) **Charge Statement.** A Charging Statement specifying the alleged violation set out in CDR § 3 must be filed by the Charging Party and submitted to the appropriate Disciplinary Body and the Charged Party.
- (H) **Required Disclosure to the Charged Parties.** Documents used in the course of the investigation must be provided to the Charged Party at the time of notification of charges except for the player memo or the report of an Incident that led to the investigation.
- (I) **Negotiated Resolution.** A Negotiated Resolution is a written agreement between the Charging Party and the Charged Party. The agreement may include (i) discipline outside the parameters listed in CDR § 404; (ii) a requirement that the party entering

into the Negotiated Resolution testify against another person; and/or (iii) a dismissal of all charges. The executed agreement between the parties must be submitted to the A&C for approval. (See CDR § 505)

- (1) The agreement must resolve all pending violations of the CDR against the party and include:
 - (i) the complete parameters of the discipline to be imposed;
 - (ii) the parties to the agreement waiving all rights to appeal, both administratively and through arbitration or the courts; and
 - (iii) a written admission from the Charged Party if the matter is not a dismissal.
 - (2) The Charging Party must provide the Charged Party a written offer to resolve the matter through a Negotiated Resolution simultaneously with the Notification of Charges. The offer must include the terms and the expiration of the current terms offered. The Charging Party has the right to amend the terms in the offer to settle prior to execution by the Charged Party.
- (J) **Notification of Charges.** ACBL Management must provide the Charged Party Notification of Charges upon receipt of a Charge Statement. The notification must include the Recorder Complaint, Charge Statement, Required Disclosure to the Charged Parties, terms of the Charging Party's offer to resolve the Charge through a Negotiated Resolution, and the Charged Party's rights set out in CDR § 6.
- (K) **Notice of Proceeding.** ACBL Management must provide the Charged Party and Charging Party with a Notice of Proceeding. The notice must contain the type of proceeding set out in CDR § 2 and the date of the proceeding. If the proceeding is a Panel Hearing, the notice must also include:
- (1) the time and connection details for accessing a virtual hearing, and
 - (2) disclosure of the names of the panelists and the right to challenge panelist for cause; and
 - (3) the schedule for disclosure of evidence and witnesses.
- (L) **Advisor.** Due to simplified procedures of disciplinary proceedings an advisor for a Disciplinary Panel is typically not needed. However, if a Disciplinary Panel Chair believes it requires guidance on the procedural matters stated in this CDR, an appointment of an advisor may be requested through ACBL. The advisor is chosen jointly between the Disciplinary Body Chair and ACBL and may not be an employee of the organization (current or former) and must remain neutral. The advisor may not participate in the determination of responsibility or the discipline to be imposed.
- (M) **Motions.** Once charges have been filed with a Disciplinary Body, they may not be dismissed via a motion to dismiss or a motion for summary judgment without a disciplinary proceeding on the merits of the charges or through a Negotiated Resolution. The only issues that will be addressed by the Disciplinary Panel Chair prior to the proceeding are a request to postpone the proceeding, a request for an

extension to submit evidence, and a request for an extension to provide a witness list.

- (N) **Disclosure of Evidence and Witnesses.** The Disciplinary Panel Chair must set a schedule for the parties of the proceeding to submit available evidence and disclosure of witnesses. The Disciplinary Panel is not bound by rules of courts of law, whether of substantive law, evidence or procedure, and shall be liberal in receiving evidence. The receipt of evidence is not necessarily indicative of the weight or the credit which the panel may give it in their ultimate determination. Thus, hearsay evidence, unsworn written statements or relevant evidence from another ACBL jurisdiction or another bridge organization may be admitted and given such weight at the proceeding as the disciplinary panel deems appropriate.
- (O) **Pre-hearing Conferences.** The Disciplinary Panel Chair may schedule pre-hearing conferences with the parties to address procedural matters relevant to the disciplinary matter. The Panel Chair may deem appropriate to:
 - (1) Limit the number of witnesses to be heard at the Panel Hearing;
 - (2) Clarify and define the issues to be heard at the Panel Hearing;
 - (3) Determine the time allotted to each party for presentation during the Panel Hearing;
 - (4) Determine the use of opening and closing statements at the Panel Hearing;
 - (3) Consolidate proceedings where the parties or the issues are the same.
- (P) **Required Appearance at a Panel Hearing.** Either the Charging Party or the Charging Party's Advocate is required to appear in person or by Electronic Presence at a Panel Hearing. A Charged Party is not required to appear at their Panel Hearing and their failure to appear shall not be grounds for further discipline.
- (Q) **Challenging Disciplinary Panelists for Cause.** The Charged Party and Charging Party must be provided the names of the Disciplinary Panel who will decide the matter prior to the proceeding. There shall be no automatic challenges to the Disciplinary Panel. There may be challenges for Cause, such as bias, upon good cause shown (not merely alleged). In such cases, the balance of the panel must decide the validity of the challenge. A majority vote of such remaining panelists is required to remove a panel member for Cause.
- (R) **Finding of Responsibility.** The Disciplinary Panel must meet the standard of comfortable satisfaction to determine a finding of responsibility for an Ethical Violation. The Disciplinary Body Panel must meet the standard of preponderance of evidence to find a Charged Party responsible for all other violations of the CDR.
- (S) **Consideration of Prior Disciplinary Record.** A Charged Party's past ACBL discipline or official Warning from the Office of National Recorder (which is a matter of record), should such exist, may not be considered during the proceeding in establishing responsibility. However, such past ACBL discipline may be relevant to the determination of the severity of the discipline to be imposed if the person is found

responsible and who is then, accordingly, a Disciplined Person. A Disciplined Person's prior disciplinary record from another bridge organization may be considered only if subject to CDR § 405.

- (T) **Panel Report.** A Panel Report must be submitted to ACBL Management. When ACBL receives a Panel Report in which the Disciplinary Panel has imposed a discipline that contravenes or is inconsistent with this CDR, ACBL shall notify the Disciplinary Panel Chair in writing of such contravention or inconsistency. The Disciplinary Panel shall then reconvene on the matter of imposition of discipline only.
- (U) **Recordkeeping Required.** The Disciplinary Panel is required to submit the Panel Report, documentary evidence presented at the hearing, and a digital recording of any pre-hearing conferences and hearing to ACBL Management no later than thirty days after the proceeding. ACBL Management will make the formal notification to the parties and provide them with a copy of the record. Deliberations are not recorded. Pre-hearing conference recordings must be provided promptly to any party that is not present during the conference.
- (V) **Notice of Decision.** ACBL Management must provide the Charged Party and Charging Party with a Notice of Decision within ten (10) days of receipt of the Panel Report. The notice must contain the Disciplined Person's name, ACBL member number, District and Unit number, the discipline imposed, and the CDR violation. The notice must also be sent to the ACBL BOD; the Disciplined Person's District and Unit Secretary; the World Bridge Federation; the American Bridge Association; and ACBL staff as determined by ACBL Management.
- (W) **Publication of a Disciplinary Panel's Decision.** All violations shall be published on the ACBL website and will remain published until the discipline ends. The publication must contain the Disciplined Person's name, ACBL member number, District and Unit number, the discipline imposed, and the section of the CDR violated. In addition to publication of the Notice of Decision set out in CDR 501(V):
 - (1) The Panel Report or IBA Award of a Disciplined Person that was found responsible for an Ethical Violation, among other Charges, if any, shall be published on the website.
 - (2) An expulsion for an Ethical Violation may be reported in the ACBL Bridge Bulletin at the discretion of ACBL Management.
- (X) **Finality of Proceedings.** A person who has been subjected to a disciplinary proceeding conducted under CDR § 5 shall not be subject to another Charge for the same matter arising out of the same operative facts unless specifically permitted in a dismissal through a Negotiated Resolution.

502. SPECIFIC PROCEDURES FOR CBCD Resolution

- (A) **CBCD Resolutions – Applicable Procedures.** The procedures in this section apply whenever a CBCD technique or tool approved by the ACBL Board of Directors is

used to resolve an alleged Ethical Violation. All other procedures in CDR § 501 do not apply to CBCD Resolutions except for CDR §§ 501(E) and (X).

(B) **Official Warning.** When a partnership is identified as collusively cheating by a CBCD technique or tool, an Official Warning may be given to a player who meets the following eligibility requirements:

(C) **Official Warning - Procedures.** To give an Official Warning, the National Recorder must:

- (1) Provide each player with a written notice that includes:

- (2) Monitor each player's future online play for unethical behavior;

- (4) If the requirements set out in this section are not satisfied, the National Recorder must proceed with a Charge as set out below.

(D) **Fast Track Discipline – Eligibility.** Fast Track Discipline (FTD) is an official discipline that may be imposed by ACBL Management for an Ethical Violation through CBCD Resolution.

- (1) Unless the players are eligible for an Official Warning as set out above, ACBL Management must proceed with Charges upon receipt of a prima facie case provided by a CBCD technique or tool approved by the ACBL Board of Directors as meeting the standard of comfortable satisfaction.

- (2) Each player must meet all of the following criteria to be eligible for Fast Track Discipline:
 - (i) Has fewer than 2500 Masterpoints® (including Eligibility Points);
 - (ii) Has fewer than 5 Platinum Masterpoints®;
 - (iii) Has never been previously disciplined for an Ethical Violation under the CDR;
 - (iv) Has never been provided an official Warning from the Office of National Recorder for an ethical matter;

- (3) If both players in a partnership identified as collusively cheating by a CBCD technique or tool do not qualify for the same disciplinary treatment under the additional eligibility requirements in CDR 502(E), the action taken against both parties will be determined by the player who qualifies for the most severe level of disciplinary action. Any exception to this rule must be approved by A&C upon request from ACBL Management.

(E) Fast Track Discipline – Standard Discipline.

- (1) Level One. If both players in a partnership identified as collusively cheating by a CBCD technique or tool has:
 - (i) Fewer than 600 Masterpoints® (including Eligibility Points); and
 - (ii) Fewer than 5 Platinum Masterpoints®,

each player will receive a 6-month Suspension followed by a 4-year Probation, and removal of 20% of each person’s total Masterpoint® holding.

- (2) Level Two. If both players in a partnership identified as collusively cheating by a CBCD technique or tool has:
 - (i) Between 600-1499 Masterpoints® (including Eligibility Points); and
 - (ii) Fewer than 5 Platinum Masterpoints®,

each player will receive a 1-year Suspension followed by a 4-year Probation, and removal of 20% of each person’s total Masterpoint® holding.

 - (ii) Fewer than 5 Platinum Masterpoints®,

each player will receive a 2-year Suspension followed by a 4-year Probation, and removal of 20% of each person’s total Masterpoint® holding.

- (4) **Automatic Reduction.** A player disciplined as set out above may reduce their discipline by one-half (e.g., a Level One discipline will be reduced to a 3-month

Suspension, followed by a 2-year Probation, and removal of 10% of the disciplined person's total Masterpoint® holding) if they complete both of the following actions within 30 days of the initial notification by the ACBL:

- (i) The Ethics Certificate Program;

- (B) **Negotiated Resolution Review.** ACBL Management must email the A&C Chair the executed Negotiated Resolution, Recorder Complaint, Charge Statement, Membership Profile, a summary of the factors considered as set out in CDR § 402, and the Charged Party's previous disciplinary record.

Within five days from receipt of submission, A&C must review and submit a Panel Report reflecting a decision. A&C may accept the resolution, reject the resolution or reject the resolution and provide a condition for acceptance. Each party will have the right to review the condition for acceptance and choose to accept or reject the condition within ten days of being notified. 506. APPEAL OF A DISCIPLINARY PANEL'S DECISION.

- (A) **Request to Appeal.** A Disciplined Party or Charging Party has the right to request an appeal of a Disciplinary Panel's decision (excluding IBA and matters resolved by Negotiated Resolution) only if it is based on one or more of the following grounds:

 - (2) Procedures employed by the Disciplinary Panel undermine confidence in the integrity or fairness of the disciplinary process; and/or

- (D) **Standard of Review.** In considering whether to grant or deny permission to appeal, the A&C Chair shall consider only the allegation(s) in the written statement and the supporting reasons. A stay of execution of a discipline may be granted only if the Disciplined Person makes a showing in their request that a reasonable likelihood exists that the decision will be reversed or that the discipline will be reduced.
