

## April 2024

### Text Changes:

- Change Effective Date
- Add that Natural Direct Overcalls of Natural bids at the 2-level or higher are Alertable.
- In the Artificial Bids, under Direct Overcalls inserted #7 about bids after Opening bids at the 2-level and higher and added examples.
- Change the wording of Other Artificial Bids #5 to include any bid in the same suit as the Opening or Response or shown by the Opening or Response (as some of these didn't meet the definition of Cuebid)
- Add an example of a Quasi-Natural opening that can have singleton honors.

## May 2022

### Text Changes:

- Fix Example d for Announcements #3 to match the updated rule.

### Formatting changes

- Page numbers added
- Misnumbered examples corrected

## April 2022

### Text Changes:

- Change Effective Date
- Update convention chart link.
- Change Announcement #3 to "Any Artificial bid that primarily shows Length in one specific suit and any double or redouble that shows Length in one specific suit."
- "Preempt in" to "show the" in Natural Opening Bids #3
- Added "By an unpassed hand" to Natural Responses to Opening Bids #5
- "Do not alert the following doubles" (instead of "bids") in the Doubles section
- Added the word "Suit" to Other Artificial Bids #3.
- Added "After an Opening No Trump Bid and an Overcall, any bid in the same suit or in a suit shown by the Overcall" as Other Artificial Bids #4.
- Clarified the Pre-alert section that agreements are pre-alerted and added examples

## January 2021

### Initial Effective Date
