Ties for any qualifying position will be broken as follows:

a) Considering only boards played in common, a pair will receive one point for each board played in common on which it outscores the other tied pair(s) and one-half point for each tied board. In addition, on boards not played in common, a pair will receive one point for a score above average and one-half point for a score of average.

b) If the above does not break the tie or in cases where the pairs played no boards in common, compare matchpoints on all boards against average. Award a pair one point for each score above average and one-half point for each score of average.
